IN amendment of the Act passed in the thirty-sixth year of Her Majesty's Reign, and intituled: "*An Act to make better provision respecting Election Petitions, and matters relating to Controverted Elections of Members of the House of Commons,*" and of the Act passed in the thirty-seventh year of Her Majesty's Reign, and intituled: "*An Act to make better provision for the Trial of Controverted Elections of Members of the House of Commons, and respecting matters connected therewith:*" Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. Whenever it appears to the Court or Judge that the Respondent's presence at the trial is necessary, the trial of an election petition shall not be commenced during any Session of Parliament, and in the computation of any delay allowed for any step or proceeding in respect of any such trial, or for the commencement of such trial under the next following section, the time occupied by any such Session shall not be reckoned.

2. Subject to the provisions of the next preceding section, and except that it shall not be commenced or proceeded with during any term of the Court of which the Judge trying it is a member, and at which he by law is bound to sit, the trial of every election petition shall be commenced within six months from the time when such petition has been presented, and shall be proceeded with *de die in diem*, until the trial is over, unless on application supported by affidavit it be shewn that the requirements of justice render it necessary that a postponement of the case should take place: Provided that in any case when the period limited for the commencement of the trial may have elapsed before the prorogation of Parliament at the end of the present Session, such trial may be commenced at any time within two months after such prorogation; provided further, that whenever three months have elapsed after such petition has been presented, without the day for the trial being fixed,

any elector may, on application, be substituted for the petitioner on such terms as shall be just.

3 Section twenty-nine of the Act secondly mentioned in the preamble to this Act is hereby amended by striking out the word "immediately," where it occurs in the sixth line of the said section, and inserting the words "within four days" in lieu thereof.

4. In case on the trial of any Election Petition under either of the said Acts, it is determined that the Election is void by reason of any act of an Agent committed without the knowledge and consent of the candidate, and that costs should be awarded to the Petitioner in the premises, the Agent may be condemned to pay such costs ; and the Court or Judge shall order that such Agent be summoned to appear at a time fixed in such summons, in order to determine whether such Agent should be condemned to pay such costs ; If at any time so fixed the Agent so summoned do not appear he shall be condemned on the evidence already adduced to pay the whole or a due proportion of the costs awarded to the Petitioner, and if he do appear, the Court or Judge after hearing the parties and such evidence as shall be adduced shall give such judgment as to law and justice shall appertain ; The Petitioner shall have process to recover such costs against such Agent in like manner as he might have such process against the respondent ; and no process shall issue against the respondent to recover such costs until after the return of process against such Agent.

5. Whereas doubts have arisen as to the proper construction of sections seventy-three, one hundred and one, and one hundred and three, of "*The Dominion Elections Act, 1874*," and as to the effect upon elections held under the said Act, of the avoiding of previous elections, it is hereby enacted, that elections held under the said Act, as well elections already held as elections hereafter to be held, shall be deemed and taken, as respects both candidates and voters, to be new elections in law and in fact to all intents and purposes whatsoever, except as to the personal acts of the candidates and the acts of agents of candidates done with the knowledge and consent of such candidates.

6. The next preceding section shall also apply to Controverted Elections tried under "*The Controverted Elections Act, 1873*," as to the effect upon the status of the candidate of the acts of agents done without the knowledge or consent of the candidate, but no further or otherwise,

7. The sixty-seventh section of the said secondly recited Act is hereby amended by striking out therefrom, wherever they occur, the words "and who is not a member of the House of Commons."

8. In every case of an Election Petition presented under "*The Controverted Elections Act, 1873*," in which twelve months shall have lapsed since the said Petition was presented and it shall then be untried, the respondent may require, and the Petitioner within six days after demand, shall give new security in accordance with the terms of "*The Dominion Controverted Elections Act, 1874*," for the payment of all costs, charges and expenses that may become payable by the Petitioner in respect of such Petition ; and in default of such security being given when so demanded within the time aforesaid the said Petition shall be dismissed.

Shall be guilty of an offence against this Act, and shall incur a penalty of ten dollars for every cask so falsely marked or so used without being first properly marked, and a penalty of double the amount for every subsequent offence.

4. The capacity of any cask shall in all cases of dispute be determined by the weight of rain-water it will hold, the water being at a temperature of sixty-two degrees of Fahrenheit's thermometer and ten pounds of such water being reckoned as equal to one gallon, and the determination by such weighing by an Inspector or Deputy Inspector of weights and measures, or by an officer of Inland Revenue, authorized thereto by Departmental regulations, of the contents of any cask, shall be final and conclusive.

5. This Act shall be read and construed as one Act with the Act passed in the thirty-sixth year of Her Majesty's reign and entitled "*The Weights and Measures Act 1873*," and all forfeitures and penalties imposed by this Act shall be recoverable and appropriated in the same manner as forfeitures and penalties are recoverable and appropriated under the said Act.

3. When any cards, dice, balls, counters, tables, or other instruments of gaming used in playing any unlawful game, shall be found in any house, room, or place suspected to be used as a common gaming house, and entered under a warrant or order issued under this Act, or about the person of any of those who are found therein, it shall be evidence, until the contrary be made to appear, that such house, room or place is used as a common gaming house, and that the persons found in the room or place where such tables or instruments of gaming have been found were playing therein although no play was actually going on in the presence of the chief constable, deputy chief constable or other officer as aforesaid, entering the same under a warrant or order issued under this Act, or in the presence of those persons by whom he is accompanied as aforesaid; and it shall be lawful for the police magistrate or other justice before whom any person is taken by virtue of such order or warrant as aforesaid, to direct all such tables and instruments of gaming to be forthwith destroyed.

6. It shall be lawful for the police magistrate or mayor or justice before whom any persons are brought who have been found in any house, room, or place, entered in pursuance of any warrant or order issued under this Act, to require any of

such persons to be examined on oath and give evidence touching any unlawful gaming in such house, room, or place, or touching any act done for the purpose of preventing, obstructing or delaying the entry into such house, room or place, or any part thereof of any constable or officer authorized as aforesaid; and no person so required to be examined as a witness shall be excused from being so examined when brought before such police magistrate, or mayor, or justice as aforesaid, or from being so examined at any subsequent time by or before the police magistrate, or mayor, or the same or any other justice of the peace, or by or before any court, on any proceeding, or on the trial of any indictment, information, action, or suit in anywise relating to such unlawful gaming, or any such acts as aforesaid, or from answering any question put to him touching the matters aforesaid, on the ground that his evidence will tend to criminate himself; and any such person so required to be examined as a witness who refuses to make oath accordingly, or to answer any such question as aforesaid, shall be subject to be dealt with in all respects as any person appearing as a witness before any justice or court in obedience to a summons or subpœna and refusing without lawful cause or excuse to be sworn or to give evidence, may by law be dealt with.

Every person so required to be examined as a witness as aforesaid, who upon such examination shall make true discovery to the best of his knowledge of all things as to which he is so examined, shall receive from the judge, justice, magistrate, examiner or other judicial officer, before whom such proceeding is had, a certificate in writing to that effect, and shall be freed from all criminal prosecutions and penal actions and from all penalties, forfeitures and punishments to which he may have become liable for anything done before that time in respect of the matters touching which he has so been examined; but such certificate shall not be effectual for the purpose aforesaid, unless it states that such witness made a true disclosure touching all things as to which he has been examined; and upon the production and proof of such certificate as aforesaid, any action, indictment, or proceedings pending or brought in any court against such witness in respect of any act of gaming touching which he was so examined, shall be stayed upon summary application to the court in which such action, indictment, or proceeding is pending, or any judge thereof, or any judge of any of the superior courts of any Province, to stay the proceedings aforesaid.

CHAP. 1.

An Act to amend "*The Interpretation Act*," as respects the printing and distribution of the Statutes, and the territorial application of Acts amending previous Acts.

[Assented to 8th April, 1875.]

WHEREAS the publication and distribution of the Public General Acts passed in each session of Parliament is greatly delayed by the publication of the Local and Private Acts of the same session in the same volume, and it is expedient that Acts of the Imperial Parliament, Orders in Council, and Proclamations of a public, general nature should be published and distributed with the Public General Statutes: Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. Sections ten and eleven of the Act known as "*The Interpretation Act*," being chapter one of the Acts passed in the thirty-first year of Her Majesty's reign, are hereby repealed, and the following are substituted for them, and shall be read as the tenth and eleventh sections of the said Act:—

"10. The Acts of the Parliament of Canada passed in the present or any future session thereof, shall be printed in two separate volumes, the first of which shall contain such of the said Acts and such Orders in Council and Proclamations or other documents, and such Acts of the Parliament of the United Kingdom, as the Governor in Council may deem to be of a public and general nature or interest in Canada, and may direct to be inserted in the said volume; and the second volume shall contain the remaining Acts of the session and shall be printed after the first volume. Copies of the said volumes shall be printed in the English and French languages respectively, by the Queen's printer, who shall, as soon after the close of each session as may be practicable, deliver, or send by post, or otherwise, in the most economical manner, the proper number of copies to the parties hereinafter mentioned, respectively, and in either or both languages as he may be directed; that is to say:—

"To the members of the two Houses of Parliament respectively, such number of copies each as may from time to time be directed by joint resolution of the said Houses, or, in default of such resolution, in such numbers as shall be directed by order of the Governor in Council,—and to such public departments, administrative bodies and officers throughout Canada, (including justices of the peace in the distribution of the first but not of the second volume) as may be specified in any order to be for that purpose made from time to time by the Governor in Council:

"Provided that when any Bill receives the Royal Assent during and before the termination of any session of Parliament, the Queen's printer shall, if so directed by the Secretary of State of Canada, cause distribution of such Act to be made, to the same parties and in like manner and numbers as hereinbefore provided with respect to the Acts of any session; or such Act may, by order of the Governor, be published in the *Canada Gazette*, and printed afterwards in the proper volume of the Statutes."

"11. The Secretary of State of Canada shall within fifteen days after the close of each session of Parliament, transmit to the Queen's printer a list of the public departments, administrative bodies and officers to whom the first and second volumes respectively, of the Statutes of such session are to be transmitted as aforesaid, and shall also as occasion requires, furnish him with copies of all Orders in Council made under the provisions of this Act."

2. And for amendment of the eighteenth sub-section of the seventh section of the said Act, it is enacted, that the following words shall be added to and read as part of the sub-section, that is to say: "In the Province of Manitoba the said words shall denote the Court of Queen's Bench for the said Province; in the Province of British Columbia the said words shall denote the Supreme Court of British Columbia, and in the Province of Prince Edward Island the said words shall denote the Supreme Court of Judicature of the said Province," and in the Province of Ontario the said words shall denote the Court of Error and Appeal in Ontario as well as the other Courts in that Province.

3. And for the avoidance of doubt as to the effect of Acts amending previous Acts which do not apply to the whole Dominion of Canada, it is declared and enacted, that no Act amending a previous Act which does not apply to all the Provinces of Canada, nor any enactment in any such amending Act, although of a substantive nature or form, does or shall apply to any Province to which the amended Act does not apply, unless it is expressly provided that such amending Act or enactment shall apply to such Province or to all the Provinces of Canada.

2. The proceedings upon and subsequent to such trial shall be, as nearly as may be, the same as upon a trial under the Act of the Parliament of Canada passed in the Session held in the thirty-second and thirty-third years of Her Majesty's reign, intituled "*An Act respecting the prompt and Summary Administration of Criminal Justice in certain cases.*"

7. If the Magistrate is of opinion from any circumstances appearing in the case that the charge cannot be properly disposed of before him, he may at any time before the person charged has made his defence, decide not to adjudicate summarily thereon, and may thereupon deal with the same as if this Act had not been passed, and in such case such prisoner may be afterwards tried summarily by his own consent at the County Judge's Criminal Court.

His Excellency the Governor General was pleased to reserve the following Bill for the signature of Her Majesty's pleasure thereon:

An Act for the relief of Henry William Peterson.

Then the Honourable the Speaker of the House of Commons addressed His Excellency the Governor General as follows:—

MAY IT PLEASE YOUR EXCELLENCY,

In the name of the Commons, I present to Your Excellency a Bill intituled:—

An Act for granting to Her Majesty certain sums of money required for defraying certain expenses of the Public Service, for the financial years ending respectively the 30th June, 1875 and the 30th June, 1876, and for other purposes relating to the Public Service, to which I humbly request Your Excellency's assent.

To this Bill the Royal assent was signified in the following words:—

In Her Majesty's name, His Excellency the Governor General thanks Her Loyal subjects, accepts their benevolence, and assents to this Bill.

After which His Excellency the Governor General was pleased to close the SECOND SESSION of the THIRD PARLIAMENT of the DOMINION with the following

Honorable Gentlemen of the Senate,

Gentlemen of the House of Commons,

I cannot relieve you from your attendance in Parliament without thanking you for the assiduity and zeal, by which at an unusually early period in the season you have been enabled to bring the onerous duties of a laborious Session to a close.

The Session has been fruitful of measures fraught with great consequences to the country.

I have readily given my assent to the Act to establish a Supreme Court and a Court of Exchequer for Canada—a measure which has long been under consideration, and which is necessary to the completion of our judicial system.

The Act respecting Insolvency will promote the interests of commerce, by the wholesome changes introduced in the existing Law. These changes will doubtless result in the more careful and economical administration of insolvent estates, giving due protection to the creditor, and at the same time shielding from harsh treatment the honest but unfortunate debtor.

To aid in the development and efficient administration of our great territorial empire in the North-West, an important step has been taken by the passing of the Act providing for it a form of government predicated upon its present requirements, and framed to meet the exigencies of the near future by calling into existence representative institutions whenever sufficient population shall have been found for the exercise of the functions of self government.

The Postal Service Act will by its liberal provisions and the removal of hindrances to free communication by mail tend greatly to the public convenience.

In like manner, much advantage may be expected to result from the passing of the Act respecting Ocean Telegraphy, preventing monopoly, and giving freedom of access to our shores to all Marine Telegraph Companies.

The Copyrights Act has been passed to protect the rights of authors and artists who may desire to avail themselves of its provisions, and to facilitate arrangements for the publication in Canada of the works of writers residing in other countries.

By the Insurance Act greater security has been given to the insured, by the adoption of an effective system of inspection.

The Act relating to Penitentiaries has brought these institutions more immediately under the direction and control of the Government; and the system of administration and inspection has been simplified and cheapened.

I thank you for the Supplies you have granted. They will enable my Government to prosecute the great public works to which the country has been committed, and will, I doubt not, contribute largely to the development of our resources, the growth of our commerce, and the extension into the interior of settlements of hardy and industrious pioneers.

Honorable Gentlemen, and Gentlemen,

I congratulate you on the adoption of many measures, in addition to those enumerated, calculated to add to the public comfort and prosperity, to increase the stability of our institutions, and to promote confidence and good will among the different classes of our people. They, I doubt not, will be found to appreciate your labors to these ends; and I trust that on their part, they will above all things cultivate an unselfish love of country and devotion to the general good.

PUISSANCE DU CANADA.

QU'IL PLAISE A VOTRE EXCELLENCE:

Au nom des Communes, je présente à Votre Excellence un bill intitulé: "Acte pour accorder à Sa Majesté certaines sommes nécessaires pour subvenir à certaines dépenses du service public, pour les années fiscales expirant le trentième jour de juin 1875, et le trentième jour de juin 1876, et pour d'autres objets liés au service public," que je prie humblement Votre Excellence de sanctionner.

A ce bill la sanction royale a été donnée dans les termes suivants:

Au nom de Sa Majesté, Son Excellence le Gouverneur-Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill.

Après quoi il a plu à Son Excellence le Gouverneur-Général clore la seconde Session du Troisième Parlement de la Puissance par le discours suivant:

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes.

Je ne saurais clore vos travaux parlementaires sans vous remercier du zèle assidu dont vous avez fait preuve, et grâce auquel vous avez pu terminer de si bonne heure une session laborieuse.

La session a été fructueuse en mesures de grande importance pour le pays.

J'ai volontiers donné mon assentiment à l'acte pour établir une Cour Suprême et une Cour d'Échiquier pour le Canada; cette mesure, depuis longtemps à l'étude, était nécessaire pour compléter notre système judiciaire.

L'acte concernant la faillite servira les intérêts du commerce, grâce à des changements heureux dans la loi actuelle. Ces changements assureront sans doute l'administration plus soignée et plus économique des biens des faillis, en donnant protection convenable au créancier, et mettant à l'abri d'un traitement trop sévère le débiteur honnête, mais malheureux.

Pour aider au développement et à la bonne administration de notre grand empire territorial du Nord-Ouest, une mesure importante a été prise par la passation de l'acte lui donnant une forme de gouvernement basée sur ses besoins actuels, et de nature à faire face aux exigences d'un avenir prochain, en favorisant l'établissement des institutions représentatives lorsque sa population sera devenue assez nombreuse pour permettre le fonctionnement d'un gouvernement responsable.

L'acte du service postal, en établissant des dispositions libérales et faisant disparaître les obstacles à la facilité des communications par la maille, assurera de grands avantages au public.

Il pourra de même résulter de grands avantages de la passation de l'acte concernant la télégraphie océanique, acte qui interdit le monopole et donne libre accès sur les côtes du Canada à toutes les compagnies de télégraphe sous-marin.

L'acte concernant les droits d'auteur a été passé pour protéger les droits des auteurs et des artistes qui pourront se prévaloir de ses dispositions, et pour faciliter les arrangements nécessaires à la publication en Canada d'ouvrages d'auteurs résidant en d'autres pays.

L'acte concernant les compagnies d'assurance donne de meilleures garanties à l'assuré en établissant un bon système d'inspection.

L'acte relatif aux pénitenciers a mis ces institutions plus immédiatement sous la direction et le contrôle du gouvernement, en même temps qu'il simplifie les détails et diminue les frais du système d'administration et d'inspection.

Messieurs de la Chambre des Communes,

Je vous remercie des subsides que vous avez votés. Ils permettront à mon gouvernement de continuer les grandes entreprises publiques dans lesquelles le pays est engagé et contribueront grandement, je n'en doute pas, au développement de nos ressources et à l'accroissement de notre commerce et favoriseront l'établissement, l'intérieur du pays, de pionniers vigoureux et actifs.

Honorables Messieurs et Messieurs,

Je vous félicite de l'adoption de plusieurs autres mesures,—autre celles que je viens d'énumérer,—propres à augmenter le bien-être et la prospérité publiques, assurer mieux encore la stabilité de nos institutions et développer la confiance et le bon vouloir chez notre population, qui appréciera, j'en suis sûr, vos efforts dans ce sens. J'espère que, de son côté, la population du Canada conservera l'amour désintéressé de son pays et la pratique du dévouement au bien général.

- SPEECH:.
- Honorable Gentlemen of the Senate,*
- Gentlemen of the House of Commons,*
- I cannot relieve you from your attendance in Parliament without thanking you for the assiduity and zeal, by which at an unusually early period in the season you have been enabled to bring the onerous duties of a laborious Session to a close.
- The Session has been fruitful of measures fraught with great consequences to the country.

- The Act respecting Insolvency will promote the interests of commerce, by the wholesome changes introduced in the existing Law. These changes will doubtless result in the more careful and economical administration of insolvent

estates, giving due protection to the creditor, and at the same time shielding from harsh treatment the honest but unfortunate debtor.

To aid in the development and efficient administration of our great territorial empire in the North-West, an important step has been taken by the passing of the Act providing for it a form of government predicated upon its present requirements, and framed to meet the exigencies of the near future by calling into existence representative institutions whenever sufficient population shall have been found for the exercise of the functions of self government.

The Act relating to Penitentiaries has brought these institutions more immediately under the direction and control of the Government; and the system of administration and inspection has been simplified and cheapened.

Gentlemen of the House of Commons.

I thank you for the Supplies you have granted. They will enable my Government to prosecute the great public works to which the country has been committed, and will, I doubt not, contribute largely to the development of our resources, the growth of our commerce, and the extension into the interior of settlements of hardy and industrious pioneers.

Honorable Gentlemen, and Gentlemen.

I congratulate you on the adoption of many measures, in addition to those enumerated, calculated to add to the public comfort and prosperity, to increase the stability of our institutions, and to promote confidence and good will among the different classes of our people. They, I doubt not, will be found to appreciate your labors to these ends; and I trust that on their part, they will above all things cultivate an unselfish love of country and devotion to the general good.

CIRCULAR.

DOWNING STREET,
19th February, 1875.

SIR,—The Lords Commissioners of the Admiralty have again placed at the disposal of the Secretary of State for the Colonies the seven nominations to Naval Cadetships, which previously to 1872, when they were suspended by their Lordships, had formerly been assigned to him for distribution in certain Colonies

2. These nominations, which are available only for Colonists in the strict sense of the term, were originally assigned to the North American and Australian Colonies, but as all were not invariably claimed by those Colonies, and the nominations lapsed if not claimed within the year, it often happened that several were annually lost to the Colonial Service, whilst the privilege of nominating would have been much prized in some of the un-nominating Colonies.

3. In these circumstances it has been decided to increase the number of Colonies to which these nominations will in the first instance be assigned, (1) and should all of them not have been applied for by these Colonies by the end of the first quarter in each year, the nominations then at my disposal will be made available to meet any applications which may have been received from other Colonies.

4. Should you have occasion to submit an application in favour of a candidate, you will take care that he is within the limits of age prescribed by the enclosed regulations, that he is free from any physical defect, and that he is likely, as far as can be ascertained, to be able to pass the necessary examination, as the nominations in all cases of rejected candidates, from whatever cause, are considered by the Admiralty to be forfeited.

(1) Canada, Newfoundland, New South Wales, Victoria, Queensland, Tasmania, South Australia, New Zealand, Jamaica, Antigua, Barbadoes, British Guiana, Trinidad, Cape, Natal, Malta, Ceylon, Mauritius, Western Australia.

5: I enclose a copy of a form which is required by the Admiralty to be filled up by the parent or guardian of the candidate, and which must be transmitted with any recommendation in favour of a nomination which you may make. I also enclose copies of Regulations for Candidates, Regulations while under Training and a Memorandum as to physical disqualifications for the Service.

6. As the number of nominations at my disposal is very limited, you will point out to the friends of any Candidate whose name you may submit, in order that there may be no misapprehension and consequent disappointment, that the recommendation is made by you without any assurance of my having a vacant nomination at my disposal.

I have the honour to be, Sir,
Your most obedient, humble servant,
CARRIVON.

The Officer Administering
The Government of Canada.

With a view to prevent Parents and Guardians from incurring the inconvenience and expense of preparing Candidates for Naval Cadetships who may be physically unfit for Her Majesty's Service, it is suggested that they submit the young gentlemen to examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following points may be submitted as those upon which they will, previous to their educational examination, be physically examined at the Admiralty.

It is to be understood that this private examination is merely suggested as a guide to Parents and Guardians, and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, either hereditary or from chronic disease, wounds or injuries.

2. Chronic eruptions on the skin or scalp

3. Malformation of the head, with a harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect, imbecility, epilepsy, paralysis or impediment of speech."

4. Blindness or defective vision, as tested by Snellen's test types, in one or both eyes, fistula lachrymalis and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; un-
sound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices from scrofulous sores.

8. Functional or organic disease of the heart or blood-vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

9. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; vesical weakness or incontinence.

10. The existence of any congenital defect or of varicocele.

11. Any disease of or pertaining to the alimentary canal.

12. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities, from whatever cause; aneurism, a varicose state of the veins especially of the leg. Bunions, distortion, malformation of the feet, or malposition of the fingers or toes.

13. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had small-pox, or has been

vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

In the event of the preliminary private examination making it apparent that a candidate is not likely to pass the subsequent official physical examination the parent or guardian is requested to inform the Admiralty of the fact without delay, in order that another candidate may be nominated.

REGULATIONS RESPECTING NAVAL CADETS.

For the Information of Candidates.

1. Nominations for Naval Cadetships will take place half yearly immediately after the report of the last examination has been received.

2. An examination of the young gentlemen who have obtained nominations will be held at the Royal Naval College, Greenwich, under the direction of the Admiralty Examiners, on the third Wednesday in June and the last Wednesday in November in each year, but the appointments will date from the 15th July and January following respectively.

3. No candidate will be eligible for examination in June whose age will not be within the following limits on the 15th July following, viz., not less than twelve nor more than thirteen and a-half years of age, nor in November whose age will not be within those limits on the 15th January following.

4. Every candidate will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the Royal Navy.

He must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age.

Any candidate rejected at the medical examination will, subject to the approval of the Board, be finally excluded from the Royal Navy.

5. The candidate will be required to produce (1) a certificate of birth,* or declaration thereof made before a magistrate, (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home, from his tutors or the clergyman of the parish in which he resides; and (3) a certificate of good health.

6. The candidates will be required:—

7. A candidate whose age does not exceed thirteen on the 15th July or 15th January (as the case may be), who may not be successful, will be allowed to present himself again at the next examination without undergoing a fresh medical examination, but no candidate will be allowed more than two trials. Candidates whose age exceeds thirteen on the 15th July or 15th January following the examination, will not be allowed a second trial.

8. Any candidate who fails to appear at the examination after he has obtained a nomination will not be allowed to present himself at any future examination without a fresh nomination, except in the case of illness, certified by a physician or surgeon, and approved by their Lordships, in which case the candidate will be allowed to present himself at the following examination, provided he is still within the limits of age; but under no circumstances will such a Candidate be allowed to appear at more than one examination.

9. For all Cadets entered under these regulations, the annual rate of payment will be at the rate of 70% per annum for the period in the "Britannia," to be paid half yearly in advance to the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the candidates nominated at each half yearly examination, a number, not to exceed ten, being sons of officers of the Royal Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment for the two years in the "Britannia" will be 40% only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the Cadets.

No application for admission on such reduced scale will be entertained unless made *before* the candidate is nominated.

1. The Naval Cadets who join the "Britannia" are allowed Four Terms—two in each year—to complete their course of study;—at the expiration of which they go up for final examination.

2. The Terms are from about the 1st February to the 15th July—and from about the 31st August to the 20th December; and the Vacations will be six weeks at Midsummer, six weeks at Christmas, and a week at Easter; the dates of commencement of Vacations depending upon the completion of the examinations by the President, Royal Naval College, Greenwich.

3. The friends of the Cadets must be prepared to receive them during the Midsummer and Christmas Vacations, but at Easter they can remain on board the "Britannia."

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia:"

Before the commencement of each Term...£35 except in the case of those received at the reduced rate of £40 a-year, whose half early payments will be £20 only.

5. The payments are to be made according to instructions which will be given in the Half yearly Claim that will be made by the Accountant-General upon the Parents or Guardians of the Cadets.

6. Great inconvenience having been experienced from these payments not having been punctually made, Cadets, although received until their friends are communicated with, will not be considered as entered for tuition until the amounts due have been received.

8. The Cadets have a weekly allowance, and all expenses attending their amusements are paid for by the Ship. It is therefore requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed ten shillings. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

11. Should there have been any infectious disease in the house where Cadets have been staying during their holidays, notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia;" and they are not to join until they have received a communication from him to that effect.

12. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

13. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security, until they return to their homes. Silver Watches will be allowed to be used.

A ce bill la sanction royale a été donnée dans les termes suivants :

Au nom de Sa Majesté, Son Excellence le Gouverneur-Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill.

Après quoi il a plu à Son Excellence le Gouverneur-Général clore la seconde Session du Troisième Parlement de la Puissance par le discours suivant :

Honorables Messieurs du Sénat.

Messieurs de la Chambre des Communes

Je ne saurais clore vos travaux parlementaires sans vous remercier du zèle assidu dont vous avez fait preuve, et grâce auquel vous avez pu terminer de si bonne heure une session laborieuse.

La session a été fructueuse en mesures de grande importance pour le pays.

J'ai volontiers donné mon assentiment à l'acte pour établir une Cour Suprême et une Cour d'Échiquier pour le Canada ; cette mesure, depuis longtemps à l'étude, était nécessaire pour compléter notre système judiciaire.

L'acte concernant la faillite servira les intérêts du commerce, grâce à des changements heureux dans la loi actuelle. Ces changements assureront sans doute l'administration plus soigneuse et plus économique des biens des faillis, en donnant protection convenable au créancier, et mettant à l'abri d'un traitement trop sévère le débiteur honnête, mais malheureux.

Pour aider au développement et à la bonne administration de notre grand empire territorial du Nord-Ouest, une mesure importante a été prise par la passation de l'acte lui donnant une forme de gouvernement basée sur ses besoins actuels, et de nature à faire face aux exigences d'un avenir prochain, en favorisant l'établissement des institutions représentatives lorsque sa population sera devenue assez nombreuse pour permettre le fonctionnement d'un gouvernement responsable.

L'acte du service postal, en établissant des dispositions libérales et faisant disparaître les obstacles à la facilité des communications par la maille, assurera de grands avantages au public.

Il pourra de même résulter de grands avantages de la passation de l'acte concernant la télégraphie océanique, acte qui interdit le monopole et donne libre accès sur les côtes du Canada à toutes les compagnies de télégraphe sous-marin.

L'acte concernant les droits d'auteur a été passé pour protéger les droits des auteurs et des artistes qui pourront se prévaloir de ses dispositions, et pour faciliter les arrangements nécessaires à la publication en Canada d'ouvrages d'auteurs résidant en d'autres pays.

L'acte concernant les compagnies d'assurance donne de meilleures garanties à l'assuré en établissant un bon système d'inspection.

L'acte relatif aux pénitenciers a mis ces institutions plus immédiatement sous la direction et le contrôle du gouvernement, en même temps qu'il simplifie les détails et diminue les frais du système d'administration et d'inspection.

Messieurs de la Chambre des Communes,

Je vous remercie des subsides que vous avez votés. Ils permettront à mon gouvernement de continuer les grandes entreprises publiques dans lesquelles le pays est engagé et contribueront grandement, je n'en doute pas, au développement de nos ressources et à l'accroissement de notre commerce et favoriseront l'établissement, à l'intérieur du pays, de pionniers vigoureux et actifs.

Honorables Messieurs et Messieurs,

Je vous félicite de l'adoption de plusieurs autres mesures,—autre celles que je viens d'énumérer,—propres à augmenter le bien-être et la prospérité publiques, assurer mieux encore la stabilité de nos institutions et développer la confiance et le bon vouloir chez notre population, qui appréciera, j'en suis sûr, vos efforts dans ce sens. J'espère que, de son côté, la population du Canada conservera l'amour désintéressé de son pays et la pratique du dévouement au bien général.

CIRCULAR.

The Earl of Carnarvon to the Earl of Dufferin.

DOWNING STREET,
3rd March 1875.

SIR,—I have the honor to transmit to you for publication in the colony under your Government, a copy of a Treaty between Her Majesty and the Swiss Confederation for the mutual surrender of Fugitive Criminals, as well as a copy of the Order in Council of the 4th ultimo, for carrying into effect that Treaty which came into operation on the 1st instant.

I have, &c.,

[Signed], CARNARVON.

The Officer Administering
the Government of Canada.

AT the Court at *Osborne House, Isle of Wight*,
the 4th day of February, 1875.

PRESENT :

The QUEEN's Most Excellent Majesty in Council.

Whereas by an Act of Parliament made and passed in the Session of Parliament holden in the thirty-third and thirty-fourth years of the reign of Her present Majesty, intituled : "An Act for amending the law relating to the Extradition of Criminals," it was amongst other things enacted, that where an arrangement has been made with any foreign State, with respect to the surrender to such State of any fugitive Criminals, Her Majesty may, by Order in Council, direct that the said Act shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the thirty-first day of March last between Her Majesty and the Swiss Confederation, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation;

And the Federal Council of the Swiss Confederation, Joseph Martin Knusel, Member of the Swiss Federal Council;

Who, after having communicated to each other, their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime committed in the territory of

the one Party, shall be found within the territory of the other Party under the circumstances and conditions stated in the present Treaty.

ARTICLE II.

The crimes for which the extradition is to be granted are the following:

1. Murder (including infanticide) and attempt to murder.
2. Manslaughter.
3. Counterfeiting or altering money, uttering or bringing into circulation counterfeit or altered money.
4. Forgery, or counterfeiting, or altering, or uttering what is forged, or counterfeited, or altered; comprehending the crimes designated in the Penal Codes of either State as counterfeiting or falsification of paper money, bank notes, or other securities, forgery, or other falsification of other public and private documents, likewise the uttering or bringing into circulation, or wilfully using such counterfeited, forged or falsified papers.
5. Embezzlement or larceny.
6. Obtaining money or goods by false pretences.
7. Crimes against bankruptcy law.
8. Fraud committed by a bailee, banker, agent, factor, trustee, or director, or member, or public officer of any Company made criminal by any law for the time being in force.
9. Rape.
10. Abduction of minors.
11. Child stealing or kidnapping.
12. False imprisonment.
13. Burglary, or housebreaking, with criminal intent.
14. Arson.
15. Robbery with violence.
16. Threats by letter or otherwise with intent to extort.
17. Perjury or subornation of perjury.
18. Malicious injury to property, if the offence be indictable.

The extradition is also to take place for participation in any of the aforesaid crimes, as an accessory before or after the fact.

ARTICLE III.

No Swiss shall be delivered up by Switzerland to the Government of the United Kingdom; and no subject of the United Kingdom shall be delivered up by the Government thereof to Switzerland.

ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against or detained in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall, nevertheless, take place; the injured party retaining his right to prosecute his claims before the competent authority.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or of the

institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

ARTICLE VI.

If the individual claimed by one of the two Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul-General of Switzerland, who, for the purposes of this Treaty, is hereby recognized by Her Majesty as a Diplomatic Representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any police magistrate, justice of the peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings as would in the opinion of the officer issuing the warrant justify its issue, if the crime had been committed in that part of the dominions of the two Contracting Parties in which he exercises jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a police magistrate in London. Such requisition may be made by means of the post or by telegraph.

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the police magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XV.

The Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required; they reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present Treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinbefore mentioned, who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any Colony or foreign Possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVII.

The present Treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The Treaty shall be ratified, and the ratifications shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) A. G. G. BONAR.
(L.S.) J. M. KNUSEL.

And whereas a Protocol amending Article XVI of the aforesaid Treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty-eighth day of November, one thousand eight hundred and seventy-four which Protocol is in the following terms:—

The Undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Federal Council of the Swiss Confederation, having met in Conference, have taken into their consideration the following subject:—

They have directed their attention to the fact that the second paragraph of the XVIth Article of the Treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the Colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved to declare that the second paragraph of that Article beginning:

“The requisition for the arrest,” and concluding with, “and the laws of the land,” shall be null and void, and in lieu thereof the following words shall be substituted:

“The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or to the Supreme Authority of such Colony or Possession through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the Colony or Possession in question.

“The Governor or Supreme Authority above-mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present Treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government.”

The other provisions of Article XVI remain in force as they have been agreed upon in the Treaty.

This Protocol shall be regarded and acted upon as forming part of the Treaty in question.

In witness whereof the Undersigned have signed this Protocol, and have hereunto affixed their seals.

Done in duplicate at Berne, the twenty-eighth day of November, in the year of Grace, one thousand eight hundred and seventy-four.

The Plenipotentiary of Great Britain,
(L. S.) EDWIN CORBETT.

The Plenipotentiary of the Swiss Confederation,
(L. S.) J. M. KNUSEL.

And whereas the ratifications of the said Treaty and Protocol were exchanged at Berne on the thirty-first day of December last:

CIRCULAR.

DOWNING STREET,
19th February, 1875.

SIR,—The Lords Commissioners of the Admiralty have again placed at the disposal of the Secretary of State for the Colonies the seven nominations to Naval Cadetships, which previously to 1872, when they were suspended by their Lordships, had formerly been assigned to him for distribution in certain Colonies

2. These nominations, which are available only for Colonists in the strict sense of the term, were originally assigned to the North American and Australian Colonies, but as all were not invariably claimed by those Colonies, and the nominations lapsed if not claimed within the year, it often happened that several were annually lost to the Colonial Service, whilst the privilege of nominating would have been much prized in some of the un-nominating Colonies.

3. In these circumstances it has been decided to increase the number of Colonies to which these nominations will in the first instance be assigned, (1) and should all of them not have been applied for by these Colonies by the end of the first quarter in each year, the nominations then at my disposal will be made available to meet any applications which may have been received from other Colonies.

4. Should you have occasion to submit an application in favour of a candidate, you will take care that he is within the limits of age prescribed by the enclosed regulations, that he is free from any physical defect, and that he is likely, as far as can be ascertained, to be able to pass the necessary examination, as the nominations in all cases of rejected candidates, from whatever cause, are considered by the Admiralty to be forfeited.

5. I enclose a copy of a form which is required by the Admiralty to be filled up by the parent or guardian of the candidate, and which must be transmitted with any recommendation in favour of a nomination which you may make. I also enclose copies of Regulations for Candidates, Regulations while under Training and a Memorandum as to physical disqualifications for the Service.

6. As the number of nominations at my disposal is very limited, you will point out to the friends of any Candidate whose name you may submit, in order that there may be no misapprehension and consequent disappointment, that the recommendation is

(1) Canada, Newfoundland, New South Wales, Victoria, Queensland, Tasmania, South Australia, New Zealand, Jamaica, Antigua, Barbadoes, British Guiana, Trinidad, Cape, Natal, Malta, Ceylon, Mauritius, Western Australia.

made by you without any assurance of my having a vacant nomination at my disposal.

I have the honour to be, Sir,

Your most obedient, humble servant,

CARNARVON.

The Officer Administering
The Government of Canada.

With a view to prevent Parents and Guardians from incurring the inconvenience and expense of preparing Candidates for Naval Cadetships who may be physically unfit for Her Majesty's Service, it is suggested that they submit the young gentlemen to examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following points may be submitted as those upon which they will previously to their educational examination be physically examined at the Admiralty,

It is to be understood that this private examination is merely suggested as a guide to Parents and Guardians, and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, either hereditary or from chronic disease, wounds or injuries.

2. Chronic eruptions on the skin or scalp.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect, imbecility, epilepsy, paralysis or impediment of speech."

4. Blindness or defective vision, as tested by Snellen's test types, in one or both eyes, fistula lachrymalis and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; un- sound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices from scrofulous sores.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

9. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; vesical weakness or incontinence.

10. The existence of any congenital defect or of varicocele.

11. Any disease of or pertaining to the alimentary canal.

12. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities, from whatever cause; aneurism, a varicose state of the veins especially of the leg. Bunions, distortion, malformation of the feet, or malposition of the fingers or toes.

13. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had small-pox, or has been

vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

In the event of the preliminary private examination making it apparent that a candidate is not likely to pass the subsequent official physical examination the parent or guardian is requested to inform the Admiralty of the fact without delay, in order that another candidate may be nominated.

And such Standing Committees shall report their deliberations and decisions to the Commissioners at the next meeting thereof competent to receive such report. Article 11.—The Harbour Master shall, accord-

ing to his discretion, assign to each vessel arriving in the said harbour, the berth it shall occupy; giving precedence however, when practicable, to a vessel with cargo, over a vessel in ballast, or taking in cargo; and shall have power to change such berth from time to time as he may see fit; and such assignment of a berth may be made by a verbal notice to the Master or person in charge of such vessel; and either on each trip of such vessel, or for the whole business season. And no vessel shall take up or occupy any berth in the said harbour, unless such berth shall have been assigned to her by the Harbour Master.

Article 12.—The colors of every vessel arriving in the said harbour shall be kept flying until the report mentioned in the foregoing By-Laws, shall have been made and delivered, as therein provided; and until the Harbour Master shall have allotted a berth to such vessel.

Article 15.—No vessel having more than twenty-five pounds weight of gunpowder on board, shall sail through the said harbour, unless such gunpowder be under deck, or carefully and completely covered with oil cloth, tarpauling or other suitable covering; and no such vessel shall come to anchor, or remain in the said harbour higher up the St. Lawrence than the part of said harbour where the wharf, known as Gilbert's Wharf, formerly stood; and it shall be in the power of the Harbour Commissioners, by a resolution to be passed for that purpose, to prevent such vessel coming to anchor or remaining higher up than any other point below such wharf; which point shall be designated in such resolution.

Article 16.—No steam vessel, while within the said harbour above the Victoria pier, shall move at a rate exceeding half her usual speed.

Article 17.—No vessel shall anchor within the limits of the said harbour in such a place or position as to prevent a free and unobstructed passage for all other vessels to and fro in the

said harbour; and to and from the Lachine Canal, or any wharf in the said harbour.

VESSELS LYING IN THE HARBOUR.

Article 18.—All vessels in the said harbour shall be under the control of the Harbour Master, so far as regards their position, mooring, fastening, removal, and the extent of accommodation Masters or persons in charge thereof may require from each other; and no person on board or in charge of any vessel in the said harbour, shall disregard or disobey the orders of the Harbour Master in such respects. And in the event of such refusal or disregard of the orders of the Harbour Master to remove any vessel, it shall be lawful for such Harbour Master to cast off or cut away the hawsers or other fastening of such vessel, or to cut away any ring or post to which such hawsers or other fastening may be attached; and in such event, in addition to the penalty hereinafter provided for, the Master of such vessel shall be bound to pay to the said Harbour Commissioners, the damage (if any) caused to the wharf or wharves, by the cutting away of such ring or post.

Article 19.—In the event of the resistance of any person or persons on board of any vessel to the orders of the Harbour Master to remove the same, under the powers conferred upon him by the last preceding section, whether such resistance be active or passive; it shall be lawful for the Harbour Master to take possession of such vessel, and to remove the same; and he shall have the power of employing a sufficient number of men for that purpose at the expense of the Master, owner, or person in charge of such vessel, to aid him in enforcing such removal; and shall have the right to moor, anchor, or make fast, such vessel at such other place as he shall see fit.

Article 20.—No raft, crib, raft bottom, or floating timber, shall be or remain attached or secured to any wharf, or to any part of the beach, in said harbour, without the express permission of the Harbour Master; and irrespective of the penalty hereafter provided for, the Harbour Master shall have the power, without any notice to any person whomsoever, to cut adrift any raft, crib, raft bottom, or timber, which shall be so attached or secured without his permission; and such raft, crib, raft bottom, or timber so cut adrift shall thereafter continue to be and remain at the proper risk of the owners thereof respectively. And no raft, crib, raft bottom or timber, shall, under any circumstances whatever, occupy a berth in the said harbour above the Victoria Pier, or be anchored in the stream within the limits of the said harbour.

Article 21.—No hawser or rope shall be run or fastened across any part of the harbour, excepting for the express purpose of hauling a vessel in or out, immediately, or for the purpose of hauling a vessel off the ground; in which cases the hawser or rope shall be slackened in order to give a free and uninterrupted passage to any other vessel that may require to pass.

Article 22.—Vessels lying at any wharf, or within a tier within the limits of the harbour, shall not have an anchor out, except for the purpose of immediately hauling in or out.

Article 23.—The shore fastenings of every vessel within the harbour, shall be attached to the rings placed on the outer edges of the wharves,

Article 25.—No Master or other person in charge of, or on board of, any vessel within the said harbour, to which any other vessel shall be made fast by any rope, hawser, or chain, shall cut or cast off such rope, hawser or chain; or cause or permit the same to be cut or cast off, without giving ample and distinct notice of the intention so to do, to the Master or person in charge of the vessel so made fast.

Article 26.—Every steam vessel, at any of the wharves in the said harbour, or at any landing place within the limits of the same, shall provide a good and sufficient gangway from such steam vessel to such wharf or landing place; with ridge ropes on both sides, supported by wooden or iron stanchions, not less than three feet high; for the use of persons going and coming from on board such steam vessel; and on dark nights a light provided by such vessel, shall be placed on every such vessel near such gangway, so that such gangway may be seen clearly from the wharf, and from on board such vessel.

Article 27.—When two or more vessels are lying at the same wharf, one outside of another, a free and unencumbered passage over the decks of those nearest the wharf, shall be allowed to those lying outside of them, as well for loading or unloading such outside vessel or vessels, as for the purpose of ordinary communication with the above shore; provided such outside vessels have gangways of their own, extending to the wharf over the decks of the vessels nearest thereto.

Article 28.—All steam vessels, except those using coal for generating steam, shall, while within the limits of the said harbour, have wire caps fitted over their chimneys so as to prevent sparks issuing therefrom; the interstices of which caps shall not be more than one quarter of an inch square.

Article 29.—Any vessel aground within the said harbour shall shew three bright white lights over that side or end of such vessel, nearest which other vessels must approach in passing her.

Article 30.—There shall be a Watch, consisting of one or more grown persons, kept and maintained from sunset to sunrise on board of every vessel lying in said Harbour, and such Watch shall instantly give the alarm in the event of any danger, accident, disturbance, or fire on board of such vessels, or on board of any other vessel in the said Harbour, as soon as perceived; and shall at all hours and times during the said period, respond to the call, hail or enquiry of any officer of the Harbour Commissioners, or of any of the officers or men of the Water Police.—And in the absence of other sufficient evidence of the violation of this By-law, if no answer be made by the Watch on any vessel to such call, hail or enquiry, after three audible repetitions of the same, such vessel and the master or person

in charge thereof shall be conclusively held to have violated this By-law.

Article 31.—Every vessel lying in the said Harbour shall be supplied during the whole period between sunset and sunrise with not less than six buckets filled with water, which shall be placed and shall stand during the whole of the said period at some convenient place upon the deck of such vessel, ready for instant use in case of fire.

Article 32.—The Master, or person in charge of any vessel, lying alongside of any of the Wharves, or adjoining to any other vessel, shall cause her hatchways to be securely and completely covered with hatches or gratings, immediately after the work of loading or unloading, as the case may be, shall have been finished for the day; and shall cause the same to remain so covered until the time when the work shall recommence in the morning.

Article 33.—There shall be no fire or light of any kind used between sunset and sunrise on board of any vessel loaded with hay or straw, while within the said Harbour, and no steamer shall carry as freight, any hay or straw whatsoever, unless the same be pressed into bundles, which shall weigh not less than seven and a half pounds weight per cubic foot; and such bundles shall be kept completely and constantly covered with tarpaulin or oil-cloth.

Article 34.—No fires shall be used or suffered to remain alight, on board of any vessel in the said harbour, except in close cabins of iron or other metal, or of brick or stone, when made on deck, or in stoves of similar materials when under deck; and when made on deck, such fires shall not be lighted before sunrise, and shall be extinguished at sunset; provided always, that fires necessary for generating steam may at any times be made on board of any steam vessel, with a competent person as a watch on board.

Article 35.—No lights shall be allowed, after the hour of ten of the clock, P.M., on board of any vessel lying in the said harbour, except only in the cabin thereof, and then only under the constant supervision of some person in attendance; but this By-law shall not be held to apply to vessels arriving or departing, or loading or unloading, after the said hour.

Article 46.—No ballast, coals, ashes, cinders, hay or straw, or matter or thing whatsoever, shall be thrown from any vessel whatsoever by which the navigation may be impeded or injured; or by any person whomsoever, into the water in the said harbour, or into any navigable water within the limits of the Pilotage district of Montreal, or at or near any wharf or landing place: and no placards or bills shall be stuck on any of the walls within the Harbour limits, or any disfigurement whatsoever, caused thereto.

CIRCULAIRE.

Le Comte de Carnarvon au Comte de Dufferin.

DOWNING STREET,

Le 3 mars, 1875.

MONSIEUR,—J'ai l'honneur de vous transmettre, afin que vous le fassiez publier dans la colonie où vous administrez, copie d'un traité passé entre Sa Majesté et la Confédération suisse, pour l'extradition mutuelle des criminels fugitifs, ainsi qu'une copie de l'ordre en Conseil pour mettre ce traité qui est en vigueur depuis le 1^{er} courant.

J'ai l'honneur d'être,

Monsieur,

Votre très humble et obéissant serviteur,

CARNARVON.

A l'administrateur
du gouvernement du Canada,

A la Cour, Osborne House, Ile de Wight,
le 4 février, 1875.

PRESENT :

Sa Très-Excellente Majesté la REINE en Conseil.

ATTENDU que par un acte du Parlement fait et passé à la trente-troisième et trente-quatrième années du règne de Sa Majesté, intitulé : "Acte pour amender la loi relative à l'extradition des criminels," il est, entre autre choses, décrété que dans les cas où un arrangement aura été fait avec une puissance étrangère pour l'extradition de criminels fugitifs, Sa Majesté pourra, par ordre en Conseil, ordonner, que le dit acte s'applique pour cette puissance étrangère ; et que Sa Majesté pourra par cet ordre ou tout ordre subséquent limiter l'opération de tout ordre en conseil et la restreindre aux criminels fugitifs qu'il n'y a soupçonnés être, dans une partie des possessions de Sa Majesté spécifiées dans l'ordre en conseil, et soumettre cette opération aux conditions et exceptions qu'il sera jugé convenable :

Et attendu qu'un traité a été conclu, le dix neu-

vière jour de juin dernier, entre Sa Majesté et la Confédération suisse pour l'extradition mutuelle des criminels fugitifs, lequel traité est dans les termes suivants :

Sa Majesté du Royaume-Uni de la Grande-Bretagne et d'Irlande et la Confédération suisse, ayant jugé convenable, en vue de la meilleure administration de la justice et pour prévenir le crime dans les deux pays, de décider que les personnes accusées ou convaincues des crimes ci-dessous énumérés, et qui ont échappé à la justice, devront, dans certains cas, être réciproquement extradités, ont nommé comme plénipotentiaires, pour conclure un traité à cet effet :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Monsieur Alfred Guthrie Bonar son envoyé extraordinaire et ministre plénipotentiaire près de la Confédération Suisse ;

Et le conseil fédéral de la Confédération Suisse Joseph Martin Knüsel, membre du Conseil fédéral Suisse ;

Qui, s'étant mutuellement communiqué leurs pleins pouvoirs, et les ayant trouvés en due forme, ont convenu et conclu les articles suivantes :—

ARTICLE I.

Les Hautes Parties Contractantes s'engagent à se livrer réciproquement toute personne qui étant, accusée ou convaincue d'aucuns des crimes ci-après mentionnés, commis dans la juridiction de la Puissance qui fait la demande, sera trouvée sur le territoire de l'autre puissance, dans les circonstances et aux conditions spécifiées dans le présent traité.

ARTICLE II.

Les crimes qui entraîneront l'extradition sont les suivants :—

(1.) Meurtre (y compris l'infanticide,) ou tentative de meurtre.

(2.) Meurtre sans préméditation.

(3.) Contrefaçon d'argent ou émission d'argent contrefait

(4.) Faux, contrefaçon, altération ou émission d'effets faux ou contrefaits, comprenant les crimes désignés dans le code pénal de chaque état sous le nom de contrefaçon ou falsification de papier monnaie, billets de banque ou autres valeurs, contrefaçon ou falsification d'autres documents publics ou privés ; et émission ou mise en circulation ou usage volontaire de ces papiers faux, contrefaits ou altérés.

(5.) Abus de confiance ou larcin.

(6.) Obtenir de l'argent ou des marchandises sous de faux prétextes.

(7.) Crimes contre la loi de banqueroute.

(8.) Fraude commise par un dépositaire, banquier, agent, facteur, syndic, ou directeur, ou membre ou officier public de toute compagnie, quand cette fraude est reconnue criminelle par une loi alors en vigueur.

(9.) Viol.

(10.) Enlèvement de mineur.

(11.) Vol ou enlèvement d'enfant.

(12.) Emprisonnement sous de faux prétextes.

(13.) Vol avec effraction pendant la nuit ou bris de maison avec intention criminelle.

(14.) Tentative d'incendie.

(15.) Vol avec violence.

(16.) Menaces par lettre ou autrement, avec intention d'extorquer.

(17.) Parjure ou subornation en vue d'induire au parjure.

(18.) Dégâts malicieusement faits à la propriété, si l'offense entraîne mise en accusation.

L'extradition aura lieu aussi pour la participation dans aucun des crimes sus-mentionnés, comme complice avant ou après le fait.

ARTICLE III.

Aucun citoyen suisse ne sera livré par la Suisse au gouvernement du Royaume-Uni ; et aucun sujet du Royaume-Uni ne sera livré par ce dernier gouvernement au gouvernement suisse.

ARTICLE IV.

L'extradition n'aura pas lieu si la personne réclamée par le gouvernement du Royaume-Uni ou la personne réclamée par le gouvernement Suisse a été déjà jugée, acquittée ou punie ou est encore en jugement dans la Suisse ou dans le Royaume-Uni, respectivement pour le crime qui fait le sujet de la demande d'extradition.

Si la personne réclamée par le gouvernement du Royaume-Uni, ou si la personne réclamée par le gouvernement Suisse est mise en accusation ou a été condamnée pour aucun autre crime dans un des Cantons Suisses ou dans le Royaume-Uni, respectivement, son extradition peut être différée jusqu'à ce qu'elle ait été libérée après que la loi aura subi sa pleine exécution.

Dans le cas où cet individu serait poursuivi ou détenu dans le pays où il a cherché refuge pour obligations contractées envers des particuliers, l'extradition aura lieu néanmoins, la partie lésée conservant le droit de faire valoir ses réclamations devant l'autorité compétente.

ARTICLE V.

L'extradition n'aura pas lieu si, subséquemment à la commission du crime, ou l'institution de la poursuite, ou la condamnation, il y a eu exemption de peine par prescription, en vertu des lois de l'Etat dont il s'agit.

ARTICLE V.

Si l'individu réclamé par l'une des deux parties contractantes, en vertu du présent traité, est aussi réclamé par un ou plusieurs autres pouvoirs, pour des crimes commis sur leurs territoires respectifs, il sera livré à l'Etat dont la demande est la plus ancienne en date ; à moins qu'un autre arrangement soit fait entre les gouvernements qui l'ont réclamé, soit à cause de la gravité des crimes commis, soit pour aucune autre raison.

ARTICLE VII.

Un criminel fugitif ne sera pas livré si l'offense pour laquelle son extradition est demandée est d'une nature politique, ou s'il peut prouver que la demande de son extradition est faite en vue de la punir pour une affaire politique.

ARTICLE VIII.

Une personne livrée ne pourra en aucun cas être détenue en prison ou jugée dans l'Etat auquel elle a été livrée pour aucun autre crime que celui qui forme le sujet de l'extradition.

Cette stipulation ne s'appliquera pas aux crimes commis après l'extradition.

ARTICLE IX.

Toute demande d'extradition devra être faite par voie diplomatique, savoir, en Suisse, par le ministre Britannique s'adressant au président de la Confédération et, dans le Royaume-Uni, par le Consul-Général de Suisse s'adressant au Secrétaire d'Etat du département des Affaires Etrangères, le dit Consul-Général étant, en vertu du présent traité, reconnu par Sa Majesté représentant diplomatique de la Suisse.

La demande d'extradition devra être accompagnée d'un mandat d'arrestation émis par une autorité compétente de l'Etat qui demande l'extradition, et de toutes les preuves qui justifieraient l'arrestation de l'accusé dans la localité où le crime a été commis.

Si la réquisition a trait à une personne déjà condamnée, elle devra être accompagnée de la sentence par la cour compétente dans l'Etat qui fait la demande d'extradition.

Une demande d'extradition ne peut pas être basée sur des condamnations par *contumace*.

ARTICLE X.

Un criminel fugitif pourra, néanmoins, être appréhendé en vertu d'un mandat émis par le magistrat de police, un juge de paix, ou autre autorité compétente, dans l'un ou l'autre pays, sur telle information ou plainte, ou preuve, ou après telles procédures qui justifient l'émission d'un mandat dans l'opinion de la personne qui l'émet comme si le crime eût été commis dans cette partie des possessions des deux parties contractantes dans laquelle cette personne exerce juridiction; pourvu, toutefois, que, dans le Royaume-Uni, l'accusé sera envoyé, aussitôt que possible, devant un magistrat de police à Londres. Cette réquisition pourra être faite par la poste ou par le télégraphe.

L'accusé pourra, néanmoins, être libéré si, dans un temps raisonnable que, relativement aux circonstances, le magistrat de police pourra fixer, la réquisition n'a pas été faite conformément aux stipulations contenues dans l'article IX.

ARTICLE XI.

L'extradition n'aura pas lieu avant quinze jours après l'arrestation, et, alors, si les preuves produites suffisent, dans l'Etat où le criminel a été trouvé soit pour mettre le prisonnier en jugement, dans le cas où le crime a été commis sur le territoire du dit Etat, soit pour établir que le prisonnier est identiquement la personne réclamée par l'Etat qui fait la réquisition.

ARTICLE XII.

Dans les interrogatoires qui auront lieu en vertu des stipulations précédentes, les autorités de l'Etat auquel la demande est faite devront admettre comme entièrement valides les dépositions sous serment ou les déclarations de témoins faites dans l'autre Etat, ou des copies des dépositions, et les mandats et sentences y émis et prononcées, pourvu que les documents soient signés ou certifiés par un juge, magistrat ou officier de cet Etat, et authentiqués sous serment par quelque témoin, ou portant le sceau officiel du Secrétaire d'Etat anglais ou du Chancelier de la Confédération Suisse.

ARTICLE XIII.

Si des preuves suffisantes pour justifier l'extradition ne sont pas produites dans la période de deux mois après l'arrestation du fugitif, il sera mis en liberté.

ARTICLE XIV.

Tous les articles saisis, en la possession de la personne livrée, à l'époque de son appréhension, devront si les autorités de l'Etat auquel est faite la demande d'extradition le jugent convenable, être remis lors de l'extradition, et cette livraison ne s'appliquera pas seulement aux articles volés mais à toutes choses qui pourront servir de preuve du crime.

ARTICLE XV.

Les Parties Contractantes renoncent à toute réclamation pour le remboursement des frais encourus par elles dans l'arrestation et l'entretien de la personne qui doit être livrée, et pour son transport aux frontières de l'Etat auquel il est réclamé. Chacun des Etats convient de payer sa part des frais.

ARTICLE XVI.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté.

La demande d'arrestation et d'extradition d'un criminel fugitif qui a cherché refuge dans l'une de ces colonies ou possessions étrangères sera faite par le consul-général de Suisse à Londres ou Secrétaire d'Etat au département des Affaires Etrangères, qui procédera conformément aux dispositions du présent traité et aux lois du pays.

Sa Majesté Britannique pourra néanmoins faire des arrangements spéciaux dans les colonies britanniques et possessions britanniques à l'étranger, pour l'extradition des individus qui auront commis en Suisse l'un quelconque des crimes ci-dessus mentionnés et qui auront cherché refuge dans ces colonies étrangères, en se basant autant que possible, sur les dispositions du présent traité.

La demande d'extradition d'un criminel fugitif d'une colonie ou possession étrangère de Sa Majesté Britannique devra être conforme aux règles établies dans les articles précédents du présent traité.

ARTICLE XVII.

Le présent traité deviendra en vigueur dix jours après sa publication, conformément aux formes prescrites par les lois des Hautes Parties Contractantes. Le traité pourra être abrogé par l'une ou l'autre des Hautes Parties Contractantes, mais il restera en vigueur le mois après avis de son abrogation.

Le traité sera ratifié et les ratifications seront échangées à Berne, aussitôt que possible.

En foi de quoi, les plénipotentiaires respectifs ont signé le dit traité et y ont apposé leur sceau.

Fait à Berne, le trente-unième jour de mars, en l'année de Notre Seigneur mil-huit-cent-soixante-et-quatorze.

(L. S.) A. G. G. BONAR.
(L. S.) J. M. KNUSEL.

Et attendu qu'un protocole amendant l'article XVI du traité ci-dessus a été signé par les plénipotentiaires de Sa Majesté et de la Confédération Suisse le vingt-huitième jour de novem-

bre, mil-huit-cent-soixante-et-quatorze, lequel protocole est dans les termes suivants:—

Les soussignés plénipotentiaires de Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande et du conseil fédéral Suisse, s'étant réunis en conférence, ont pris en considération le sujet suivant:—

Ils ont observé que le second paragraphe du sixième article du traité qui stipule que la demande d'arrestation d'un criminel fugitif qui a cherché refuge dans l'une des colonies ou possessions étrangères de Sa Majesté Britannique sera

faite par le consul-général de Suisse au secrétaire d'Etat au département des Affaires Etrangères, n'est pas conforme à la loi anglaise, et ils ont, en conséquence, résolu que le second paragraphe de cet article commençant par ces mots :

"La demande d'arrestation", et se terminant par ces mots "et aux lois du pays", sera nul et de nul effet et que les mots suivants lui seront substitués :—

"La demande d'extradition d'un criminel fugitif qui a cherché refuge dans l'une de ces colonies ou possessions étrangères sera faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par le consul Suisse, et dans le cas où il n'y aurait pas de consul Suisse, par l'agent consulaire d'un autre Etat chargé pour l'occasion de représenter les intérêts de la Suisse dans cette colonie ou possession."

"Le gouverneur ou l'autorité supérieure susmentionnée décideront de ces demandes aussi conformément que possible aux dispositions du présent traité. Toutefois elles pourront ou accorder l'extradition ou en référer à leur gouvernement."

Les autres dispositions de l'article XVI demeurent en force et ont été consenties avec le traité.

Le présent protocole sera considéré et appliqué comme formant partie du traité en question.

En foi de quoi, les soussignés ont signé le présent protocole et y ont apposé leurs sceaux.

Fait en double, à Berne, le vingt-huitième jour de novembre, en l'an de grâce, mil huit cent soixante-quatorze.

Le plénipotentiaire de la Grande-Bretagne,
(L. S.) EDWIN CORBETT.

Le plénipotentiaire de la Confédération Suisse,
(L. S.) J. M. KNUSEL.

Et attendu que les ratifications du dit traité ont été échangées à Berne le trente-unième jour de décembre dernier :

A CES CAUSES, Sa Majesté, par et de l'avis de son Conseil Privé, et en vertu de l'autorité de l'acte mentionné ci-dessus, ordonne et il est, par le présent, ordonné que le et à partir du premier jour de mars, mil huit cent soixante-quinze, le dit acte s'appliquera au dit traité avec la Confédération Suisse.

WHEREAS certain misguided persons did, in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, in that part of Our Dominions, in North America, then known as Rupert's Land, and the North Western Territory, and now forming the Province of Manitoba, in Our Dominion of Canada, oppose Our authority, and contrary to their allegiance to Us, did assume to exercise the powers and authorities of a Government and did incite other persons to act in conjunction with them, being thereby guilty of high treason, and other treasonable acts, against Our Crown and Dignity;

And whereas during the period aforesaid one Louis Riel and one Ambroise Lépine (and other persons leagued with them) did under pretext of sentence of a pretended Court martial, unlawfully hold put or caused to be put to death our loyal subject one Thomas Scott;

And whereas such proceedings were had against the said Louis Riel in the Court of our Bench for the Province of Manitoba on an indictment for murder of the said Thomas Scott, that judgment of outlawry was passed therein against the said Louis Riel and is now of record in our said Court; and the said Louis Riel is now outlawed and a fugitive from justice;

And whereas such proceedings were had in our Court aforesaid against the said Ambroise Lépine on an indictment for the murder of the said Thomas Scott, that being convicted thereof it was adjudged by our said Court that the said Ambroise Lépine should be hanged by the neck until he should be dead, as appears of record in our said Court;

And whereas having been implored to grant unto the said Ambroise Lépine Our Royal Pardon in respect of the said offence, we were pleased by Our Royal Letters Patent dated on the nineteenth day of January, in the thirty-eighth year of Our Reign, to pardon and release the said Ambroise Lépine in respect of the said Felony whereof he stood so convicted, upon the express condition that the said Ambroise Lépine should remain confined in the common jail at Winnipeg in the said Province of Manitoba, until the Twenty-fifth day of October, in the year one thousand eight hundred and seventy-six, and that he should forfeit and surrender and wholly abandon for and during the term of his natural life, his political rights and the exercise of the same within Our Dominion of Canada;

And We do hereby further (save and except as aforesaid) remit all forfeitures of lands, goods and chattels which by reason of any such crimes or offences at and prior to the date last mentioned aforesaid, have been forfeited to us.

And We do hereby further ordain, direct, declare and proclaim: That each of them the said Louis Riel and Ambroise Lépine are and shall be acquitted, pardoned, released and discharged from all and all manner, of treasons, treasonable acts, felonies, seditions, misdemeanors, crimes or offences of a political nature or against Us, Our Crown, Authority and Government, committed as hereinbefore mentioned with which they now stand charged or may be chargeable at this time as being dependent upon or connected with the part either of them, the said Louis Riel and Ambroise Lépine, may have respectively taken in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, prior to the second day of September, in the year one thousand eight hundred and seventy with regard to the matters hereinbefore recited; and that all proceedings in respect thereof shall cease and determine Upon this Express Condition, that each of them, the said Louis Riel and Ambroise Lépine, do and shall absent and keep himself absent from the Dominion of Canada for the period of five years from the date of this Our Royal Proclamation and abstain from the exercise and enjoyment of his political rights therein for and during the said term; And Provided that upon Breach of this Condition by the said Louis Riel or Ambroise Lépine this Our Royal Proclamation and Remission shall as to the said Louis Riel or Ambroise Lépine so committing breach thereof, be utterly null and void. CIRCULAR.

The Earl of Carnarvon to the Earl of Dufferin.

DOWNING STREET,
3rd March 1875.

SIR,—I have the honor to transmit to you for publication in the colony under your Government, a copy of a Treaty between Her Majesty and the Swiss Confederation for the mutual surrender of Fugitive Criminals, as well as a copy of the Order in Council of the 4th ultimo, for carrying into effect that Treaty which came into operation on the 1st instant.

I have, &c.,

[Signed], CARNARVON.

The Officer Administering
the Government of Canada.

AT the Court at *Osborne House, Isle of Wight*,
the 4th day of February, 1875.

PRESENT:

The QUEEN's Most Excellent Majesty in Council.

Whereas by an Act of Parliament made and passed in the Session of Parliament holden in the thirty-third and thirty-fourth years of the reign of Her present Majesty, intituled: "An Act for amending the law relating to the Extradition of Criminals," it was amongst other things enacted, that where an arrangement has been made with any foreign State, with respect to the surrender to such State of any fugitive Criminals, Her Majesty may, by Order in Council, direct that the said Act shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the thirty-first day of March last between Her Majesty and the Swiss Confederation, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation; And the Federal Council of the Swiss Confederation, Joseph Martin Knusel, Member of the Swiss Federal Council;

Who, after having communicated to each other, their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime committed in the territory of

the one Party, shall be found within the territory of the other Party under the circumstances and conditions stated in the present Treaty.

ARTICLE II.

The crimes for which the extradition is to be granted are the following:

1. Murder (including infanticide) and attempt to murder.
2. Manslaughter.
3. Counterfeiting or altering money, uttering or bringing into circulation counterfeit or altered money.
4. Forgery, or counterfeiting, or altering, or uttering what is forged, or counterfeited, or altered; comprehending the crimes designated in the Penal Codes of either State as counterfeiting or falsification of paper money, bank notes, or other securities, forgery, or other falsification of other public and private documents, likewise the uttering or bringing into circulation, or wilfully using such counterfeited, forged or falsified papers.
5. Embezzlement or larceny.
6. Obtaining money or goods by false pretences.
7. Crimes against bankruptcy law.
8. Fraud committed by a bailee, banker, agent, factor, trustee, or director, or member, or public officer of any Company made criminal by any law for the time being in force.
9. Rape.
10. Abduction of minors.
11. Child stealing or kidnapping.
12. False imprisonment.
13. Burglary, or housebreaking, [with criminal intent.
14. Arson.
15. Robbery with violence.
16. Threats by letter or otherwise with intent to extort.
17. Perjury or subornation of perjury.
18. Malicious injury to property, if the offence be indictable.

The extradition is also to take place for participation in any of the aforesaid crimes, as an accessory before or after the fact.

ARTICLE III.

No Swiss shall be delivered up by Switzerland to the Government of the United Kingdom; and no subject of the United Kingdom shall be delivered up by the Government thereof to Switzerland.

ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against or detained in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall, nevertheless, take place; the injured party retaining his right to prosecute his claims before the competent authority.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or of the

institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

ARTICLE VI.

If the individual claimed by one of the two Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul-General of Switzerland, who, for the purposes of this Treaty, is hereby recognized by Her Majesty as a Diplomatic Representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any police magistrate, justice of the peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings as would in the opinion of the officer issuing the warrant justify its issue, if the crime had been committed in that part of the dominions of the two Contracting Parties in which he exercises jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a police magistrate in London. Such requisition may be made by means of the post or by telegraph.

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the police magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XV.

The Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required. They reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present Treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinbefore mentioned, who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any Colony or foreign Possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVII.

The present Treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The Treaty shall be ratified, and the ratifications shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) J. M. KNUSEL.

And whereas a Protocol amending Article XVI of the aforesaid Treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty-eighth day of November, one thousand eight hundred and seventy-four which Protocol is in the following terms:—

The Undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Federal Council of the Swiss Confederation, having met in Conference, have taken into their consideration the following subject:—

They have directed their attention to the fact that the second paragraph of the XVIth Article of the Treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the Colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved to declare that the second paragraph of that Article beginning:

“The requisition for the arrest,” and concluding with, “and the laws of the land,” shall be null and void, in lieu thereof the following words shall be substituted:

“The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or to the Supreme Authority of such Colony or Possession through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the Colony or Possession in question.

“The Governor or Supreme Authority above-mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present Treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government.”

The other provisions of Article XVI remain in force as they have been agreed upon in the Treaty. This Protocol shall be regarded and acted upon as forming part of the Treaty in question.

In witness whereof the Undersigned have signed this Protocol, and have hereunto affixed their seals.

Done in duplicate at Berne, the twenty-eighth day of November, in the year of Grace, one thousand eight hundred and seventy-four.

The Plenipotentiary of Great Britain,

(L. S.) EDWIN CORBETT.

The Plenipotentiary of the Swiss Confederation,

(L. S.) J. M. KNUSEL.

And whereas the ratifications of the said Treaty and Protocol were exchanged at Berne on the thirty-first day of December last:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Act, doth order, and it is hereby ordered, that from and after the first day of March, one thousand eight hundred and seventy-five, the said Act shall apply in the case of the said Treaty and Protocol with the Swiss Confederation.

OTTAWA, 23rd April, 1875.

GENERAL ORDERS (7).

ACTIVE MILITIA.

REGULATIONS FOR THE ANNUAL DRILL OF 1875-76,
DOMINION OF CANADA.

1. Corps which have not completed the drill for 1874-75, may complete the same prior to the 30th June next, under provisions of the General Order (14) 3rd June, 1874, and pay will issue therefor,—but such corps are not authorized to perform the annual paid drills for 1875-76.

The annual drill for 1875-76 will be carried out, so far as the same may be practicable, in Brigade Camps of exercise, at which the Cavalry, Field Artillery and Infantry Corps within the Brigade Division, authorized to attend such camps will be concentrated, the Cavalry, and Infantry for twelve days and the Field Artillery for sixteen days drill and training.

In order to keep the expenditure for drill and training within the appropriation made by Parliament, and to permit as many as possible of the corps now on the strength of the active militia to perform drill, the nominal strength of each troop of cavalry, Garrison Battery of Artillery, Company of Rifles, Infantry and Engineers, for drill pay, is not to exceed two officers and 39 non-commissioned officers and men, with an addition for those in Battalion of 3, per company, for staff sergeants and bandsmen.

The officers, non-commissioned officers and men will be paid only for the days they are actually present in camp, as follows: The officers and non-commissioned officers the pay of their rank, the men sixty cents per diem; for horses of mounted officers, and for Troops of Cavalry and Field Batteries of Artillery, one dollar per diem; in addition to free rations for the officers, non-commissioned officers and men, and free forage for the horses.

The time actually and necessarily occupied going to camp in the first instance, and returning to their homes after completion of the annual drill, to be counted as part of the number of days in camp.

Only those Troops of Cavalry the Head Quarters of which are within 50 miles of the place fixed upon for holding a Brigade camp are to be permitted to join such camp, in any such case the Troop is to march to and from camp,—in all other cases Troops of Cavalry are to drill under the same regulations, relating to pay, &c., as provided for city corps or for isolated companies of Infantry, according to circumstances. Field Batteries of Artillery proceeding to camp, are to march going and returning.

Deputy Adjutants General to arrange the time most convenient for the camps in their respective districts, and notify the same to Head-Quarters.

The Brigade Staff Officers not on permanent pay, will be allowed one day's pay and allowances after the breaking up of camp, in order that they may on that day complete the work connected with their several duties in camp, and submit the accounts, reports and returns relating thereto.

Regimental officers who may be required to act temporarily in a higher regimental position than their regimental rank, will only receive the pay of their actual rank.

No mounted officer will receive allowances for more than one horse, actually used by him.

The pay for horses will cover any expense incurred for shoeing while at drill.

RATIONS.

3. The daily scale of ration for each officer, non-commissioned officer and man at Brigade camps of exercise will be as follows:—

1½ lb. of bread.
1 lb. of meat.
1 lb. of potatoes.
2 oz. of sugar.
½ oz. of coffee.
½ oz. of tea.
½ oz. of salt.
⅛ oz. of pepper.
2 oz. of cheese.
1 oz. pearl barley.

FORAGE.

10 lbs. oats, and
15 lbs. hay for each horse.

FUEL.

Fuel for cooking will be allowed: for officers' Mess, each officer not exceeding 1 ration; non-commissioned officers and men, not exceeding 1 ration for each 7 men per diem.

The ration of fuel wood will be one inch running measure; each cord of wood representing 96 rations.

Every Troop, Company or Corps attending Brigade Camps, will bring with them their own camp kettles, tins, or cooking utensils, and in consideration thereof a special allowance of \$6 per Troop or Company, and \$10 per Field Battery, which actually performs the drill in Camp will be allowed, and may be charged at the end of the Acquittance Rolls, on a certificate from the Commanding Officer at the end of the Roll, that they have been provided by the Troop, Company, or Corps.

SUPPLY REGULATIONS.

4. When the formation of a Camp of Exercise is authorized at any place under the above regulations the Deputy Adjutant General of the District within which such Brigade Camp may be formed will call for tenders from tradesmen in the locality by advertisement in some local newspaper, and by causing handbills to be posted prior to the date of assembly in camp, for supplies of food, fuel, wood, and forage required for issue during the continuance of the camp. Tenders for approval of the Minister of Militia and Defence, to be sent in on forms, with printed conditions thereon, supplied by the Department—and some known person residing in the locality of the proposed camp should be named in the advertisement and handbills, from whom those desirous of tendering for supplies may obtain the necessary blank forms to enable them to do so.

Previous to the Assembly of the corps in camp a supply officer will be appointed, who will be under the immediate orders of the officer commanding the camp, and whose duty will be to receive supplies from the several contractors, see that they are strictly in accordance with contract, and, when approved, to issue the same on ration returns, or requisitions to the several corps in camp entitled to receive them. It will also be his duty, immediately after the breaking up of camp to make up his accounts of receipts and issues, and certify the accounts of contractors in accordance therewith,—also to send through the Officer Commanding the Camp for the District Paymaster an abstract of receipts and issues, with the original Ration Returns and requisitions as vouchers for the accounts to be paid.

In order that these duties may be properly performed, the supply officer is not to be employed for mounted or any other duties.

As each corps will provide itself with cooked rations for the first day appointed for Brigade camp, the issue of rations in such camps will commence on the morning of the second day.

Rations will be drawn by the supply officer from the contractor on requisition; and by commanding officers of corps from the supply officer upon daily Ration Returns. The necessary printed forms will be supplied by the Department.

The commanding officer of any corps is allowed to draw rations only for the actual number of officers, non-commissioned officers, and men of his corps present in camp for the day such rations are required.

The officer commanding the camp will make requisition upon the supply officer, for such rations as may be required for the Brigade Staff doing duty in camp.

The daily supply of rations for battalions to be asked for and received from the supply officer in

bulk—the distribution to companies therein will be made by the battalion quarter-master.

The authorized form only to be used by troops, batteries and companies, and the Ration Returns, when received by the quarter-master from the several companies in battalion, will form the basis for the demand upon the supply officer for the rations in bulk required for the day for the battalion. The accuracy of this return, No. 176, must be checked by the daily Parade State, No. 164, of the corps or battalion and certified by the officer commanding the camp, and should any excess of rations be drawn by any corps, the officer commanding the camp will be held responsible that the value of the excess is made good by such corps.

On the breaking up of every camp, arrangements according to circumstances must be made by the Deputy-Adjutant General of the District for the care, preservation, and return of all equipments; tents must be dry before being packed, and the value of all damages and deficiencies must be deducted from the drill pay before the corps leave camp. Officers commanding corps will be careful to make this known to all under their command and will see it carried out.

No writing, printing or defacement of any kind upon any tent issued for use at any camp, is to be permitted.

Commanding Officers of corps are reminded that they are liable to be called upon to pay for any arms, articles of clothing or regimental equipment, which may be found deficient at the inspection next after the termination of the training.

TRANSPORT.

5. Local arrangements for transport of all corps proceeding to and from the Annual Camps of exercise by rail or steamboat, will be made by Deputy Adjutants General Commanding Military Districts. The transport of corps to be by those railway and steamboat lines whose tenders have been approved of at head quarters.

As Railway Companies agree to a reduced rate for the double journey, requisitions should be to cover the journey both ways, for all corps proceeding and returning by the same conveyance.

Officers and men proceeding from camp on leave of absence, are under no circumstances to be furnished with transport at the public expense.

All requisitions for transport to be signed by the Deputy Adjutant General of the District.

Accounts for transport in any district are to be sent in the first instance to the Deputy Adjutant General of the district for examination and certificate before transmission to head quarters for payment.

In cases where the same railway or steamboat company performs transport services in different Military Districts, the accounts for such transport are to be made separately for each district so as to facilitate examination. All transport is to be charged for at the rate per mile named in the contract, and a column is to be ruled in each account, wherein the number of miles travelled in each instance is to be clearly shewn.

When railway or water communication is not available for the whole journey, and corps are not marching by road to camps of exercise, an allowance in lieu of transport for such portion of the distance necessarily travelled over ordinary roads at the rate of six cents per mile for each officer, and three cents per mile for each non-commis.

sioned officer and man, whose corps or company head-quarters are distant more than three miles from the place of encampment, will be allowed proceeding to camp—the same rate to be allowed for the return journey, and the amount is to be added to the company pay lists and paid to the captain before leaving camp.

Officers commanding corps will require each man to provide himself before leaving home, with a sufficient quantity of cooked rations for the day proceeding to camp, and for which a sum of 25 cents will be allowed.

Troops of Cavalry and Field Batteries of Artillery marching to and from Brigade Camps which are distant more than 10 miles from the troop or Battery Head Quarters, will make their own arrangements for rations and forage while on the march, and compensation at the rate of five cents, per man, per mile, will be allowed therefor, for any distance necessarily travelled beyond such ten miles each way. Troops and Batteries receiving this allowance are not to draw rations or forage for the day they join or for the day they leave camp.

MEDICAL REGULATIONS.

6. The medical arrangements for every battalion and corps will be carried out regimentally. A portable medicine chest, with the requisite supply of medicine, &c., will be furnished by Government to every battalion of infantry, field battery of artillery, and regiment of cavalry; on the breaking up of camp these medicine chests will be returned into the district military store.

A medical inspection of every officer, non-commissioned officer and man will be made, if possible, before the man leaves the corps or company head quarters; when that is not possible, then the medical examination must be made immediately after the concentration of the corps or battalion, and a full report of each man will be made in a written return to the Commanding Officer.

This inspection is with a view of ascertaining, 1st. Whether the man is labouring under disease of any kind at the time, such as rheumatic affections; diseases of lungs or heart; or any of the viscera of the abdomen; or under any form of syphilitic disease; or is short-sighted; or has any disease or injuries of any of the joints; or badly shaped feet or overlapping toes which would prevent his marching; 2nd, of ascertaining if the man has any predisposition to any of the above diseases, or has recently suffered from any of them, or if he has any other disqualification which may render him unfit for service, or predispose him to become inefficient from exposure.

Such men, if any be found, are not to be permitted to go to or remain in camp, as well for their own sakes, as to prevent claims for compensation being made upon the public on account of illness on the part of men who are not fit for service.

The Medical Officer of each Corps or Battalion will make out a sick report every morning, and transmit a copy to the Commanding Officer of the battalion.

The Surgeon of each Battalion will keep an admission and discharge Book, of all cases taken into Hospital, according to Form B.

Every Surgeon will give a receipt for all articles of medical equipment which may be issued

to him for the use of his Corps or Battalion, for the care and proper expenditure of which he will be responsible; and on being relieved from duty he will return all medical stores, articles of equipment and medicine remaining unexpended into the District Stores, with a list of the materials which have been expended by him, on complying with which his receipt will be returned to him.

Such wine or spirituous liquor, as may be prescribed for use in cases of illness must, if procured, be paid for by the person requiring the same. The attention of medical officers of corps is specially called to paragraphs 138, 140, and 141 of the Orders and Regulations of the Active Militia.

No expense to be incurred by medical officers on account of Government without previous authority for such being obtained.

In any cases of serious illness or accident, the medical officer shall, in conjunction with the commanding officer of the corps, make such immediate arrangements as may be necessary, sending the Patient, if possible, at once to his home or the nearest Hospital; he will make a minute report to head quarters of all circumstances connected with the case.

The nature and cause of all accidents or injuries which occur to either men or horses while in camp, are to be fully investigated at the time by a board of officers, and a special report on each case sent to head quarters.

CITY CORPS.

7. In cases where local circumstances prevent city corps, excepting Field Batteries of Artillery, from going into Brigade camp with other corps in the same Brigade Division, such corps may be permitted to perform twelve days' drill at their local headquarters on different days, as may be most convenient, subject to the approval of the Deputy Adjutant General of the District. In all such cases, no allowances will be made for rations or forage, and the pay will be for officers, one dollar; and non-commissioned officers and men, fifty cents per diem.

ISOLATED CORPS.

8. In any Brigade Division where there is not more than one Battalion of Infantry, or where any Battalion is remote from the place appointed for the brigade camp, the drill of such corps is to be in camp at battalion headquarters. The pay of officers and non-commissioned officers will be the same as fixed for brigade camps. Rations will not be issued by the public, but twenty-five cents, per diem, per officer and man, and an allowance of thirty-five cents, per diem, in lieu of forage for each horse, will be allowed to enable the Commanding Officer to arrange for such.

In any military district where there are rural companies not in battalion, such companies may be attached where practicable to a battalion in camp for purposes of drill; but where such cannot be conveniently arranged on account of distance, or any other cause, they may by special permission previously applied for and obtained from Head Quarters be permitted to drill under such regulations as may be in that case ordered as regards pay, but neither rations, tents, nor blankets, nor any allowance therefor, will be issued by the public.

DRILL AND TARGET PRACTICE.

It is recommended that the routine of drills should be observed nearly as follows, but liable to variation according to weather or other exceptional causes, viz: 6 to 7.30 A.M. half an hour aiming drill, one hour squad and company drill, all company officers attending and superintended by Field officers.

10 to 12 A. M. squad and company drill only for the first three days, and afterwards battalion drill.

3 to 5.30 P. M. a proportion of company and battalion drill at the commanding officer's discretion, excepting the last four days when Brigade movements may be practised.

As it is found impossible to make satisfactory use of 40 rounds of rifle ammunition during the very limited number of days allowed for the training which embraces so many various duties, target practice will be limited to 15 rounds per man, and officers commanding corps and companies will be held responsible that each man fires that number of rounds at the target under the direction of the Camp Musketry Instructor.

FIELD BATTERIES OF ARTILLERY.

In addition to the usual Field movements the drivers are to be instructed in riding, driving, cleaning harness, &c., the gunners in gun drill, dismounting and mounting guns, righting guns which have been upset, changing wheels, removing disabled artillery, &c.

Commanding officers will see that drivers are provided with whips and spurs, and with straps for their trousers.

Three days at least at the conclusion of the ordinary drill to be set apart for gun practice.

100 rounds of blank and 80 rounds of service ammunition will be allowed to each Field Battery for exercise and practice.

GARRISON ARTILLERY.

Garrison Batteries of Artillery whose Head Quarters are within 50 miles of the Forts at Kingston, Toronto, St. Helens Island or Quebec, (Corps in Montreal excepted), are to be encamped and drilled at the nearest of those forts, respectively, the remaining Batteries to drill under the same regulations relating to pay, subsistence, &c., as apply to corps of Infantry.

20 rounds of blank and 40 rounds of practice ammunition will be allowed for practice by each Battery where suitable guns are available, the ammunition to be distributed as far as practicable as follows: Solid shot 32, common shell 2, shrapnel shell 4, case 1, grape 1,—total 40.

GENERAL REGULATIONS.

10. The Deputy Adjutant General in each district, will arrange for the requisite staff for brigade camps, selecting the officers so far as practicable from those in the brigade division, and recommend the same to headquarters for approval.

As the successful carrying out of the drill will, to a large extent, depend upon the action of the responsible staff officers, they will be held responsible that due care is taken to economize expenditure in their respective districts, and the best use made of the time allotted for drill.

In order that a full report may be made for Parliament on the drill and training for the fiscal year 1875-76, all drill for which payment will be made must be completed before the 1st day of December 1875, and the reports of Deputy Adjutants General of districts must be transmitted to headquarters not later than the 5th December following. Separate reports are to be made relating to corps which perform drill for 1874-75 under authority of paragraph 1

And no vessel shall take up or occupy any berth in the said harbour, unless such berth shall have been assigned to her by the Harbour Master.

Article 12.—The colors of every vessel arriving in the said harbour shall be kept flying until the report mentioned in the foregoing By-Laws, shall have been made and delivered, as therein provided; and until the Harbour Master shall have allotted a berth to such vessel.

Article 16.—No steam vessel, while within the said harbour above the Victoria pier, shall move at a rate exceeding half her usual speed.

Article 17.—No vessel shall anchor within the limits of the said harbour in such a place or position as to prevent a free and unobstructed passage for all other vessels to and fro in the

VESSELS LYING IN THE HARBOUR.

Article 18.—All vessels in the said harbour shall be under the control of the Harbour Master, so far as regards their position, mooring, fastening, removal, and the extent of accommodation Masters or persons in charge thereof may require from each other; and no person on board or in charge of any vessel in the said harbour, shall disregard or disobey the orders of the Harbour Master in such respects. And in the event of such refusal or disregard of the orders of the Harbour Master to remove any vessel, it shall be lawful for such Harbour Master to cast off or cut away the hawsers or other fastening of such vessel, or to cut away any ring or post to which such hawsers or other fastening may be attached; and in such event, in addition to the penalty hereinafter provided for, the Master of such vessel shall be bound to pay to the said Harbour Commissioners, the damage (if any) caused to the wharf or wharves, by the cutting away of such ring or post.

Article 19.—In the event of the resistance of any person or persons on board of any vessel to the orders of the Harbour Master to remove the same, under the powers conferred upon him by the last preceding section, whether such resistance be active or passive; it shall be lawful for the Harbour Master to take possession of such vessel, and to remove the same; and he shall have the power of employing a sufficient number of men for that purpose at the expense of the Master, owner, or person in charge of such vessel, to aid him in enforcing such removal; and shall have the right to moor, anchor, or make fast, such vessel at such other place as he shall see fit.

Article 20.—No raft, crib, raft bottom, or floating timber, shall be or remain attached or secured to any wharf, or to any part of the beach, in said harbour, without the express permission of the Harbour Master; and irrespective of the penalty hereafter provided for, the Harbour Master shall have the power, without any notice to any person whomsoever, to cut adrift any raft, crib, raft bottom, or timber, which shall be so attached or secured without his permission; and such raft, crib, raft bottom, or timber so cut adrift shall thereafter continue to be and remain at the proper risk of the owners thereof respectively. And no raft, crib, raft bottom or timber, shall, under any circumstances whatever, occupy a berth in the said harbour above the Victoria Pier, or be anchored in the stream within the limits of the said harbour.

Article 21.—No hawser or rope shall be run or fastened across any part of the harbour, excepting for the express purpose of hauling a vessel in or out, immediately, or for the purpose of hauling a vessel off the ground; in which cases the hawser or rope shall be slackened in order to give a free and uninterrupted passage to any other vessel that may require to pass.

Article 23.—The shore fastenings of every vessel within the harbour, shall be attached to the rings placed on the outer edges of the wharves,

Article 25.—No Master or other person in charge of, or on board of, any vessel within the said harbour, to which any other vessel shall be made fast by any rope, hawser, or chain, shall cut or cast off such rope, hawser or chain; or cause or permit the same to be cut or cast off, without giving ample and distinct notice of the intention so to do, to the Master or person in charge of the vessel so made fast.

Article 26.—Every steam vessel, at any of the wharves in the said harbour, or at any landing place within the limits of the same, shall provide a good and sufficient gangway from such steam vessel to such wharf or landing place; with ridge ropes on both sides, supported by wooden or iron stanchions, not less than three feet high; for the use of persons going and coming from on board such steam vessel; and on dark nights a light provided by such vessel, shall be placed on every such vessel near such gangway, so that such gangway may be seen clearly from the wharf, and from on board such vessel.

Article 27.—When two or more vessels are lying at the same wharf, one outside of another, a free and unencumbered passage over the decks of those nearest the wharf, shall be allowed to those lying outside of them, as well for loading or unloading such outside vessel or vessels, as for the purpose of ordinary communication with the above shore; provided such outside vessels have gangways of their own, extending to the wharf over the decks of the vessels nearest thereto.

Article 28.—All steam vessels, except those using coal for generating steam, shall, while within the limits of the said harbour, have wire caps fitted over their chimneys so as to prevent sparks issuing therefrom; the interstices of which caps shall not be more than one quarter of an inch square.

Article 29.—Any vessel aground within the said harbour shall shew three bright white lights over that side or end of such vessel, nearest which other vessels must approach in passing her.

Article 30.—There shall be a Watch, consisting of one or more grown persons, kept and maintained from sunset to sunrise on board of every vessel lying in said Harbour, and such Watch shall instantly give the alarm in the event of any danger, accident, disturbance, or fire on board of such vessels, or on board of any other vessel in the said Harbour, as soon as perceived; and shall at all hours and times during the said period, respond to the call, hail or enquiry of any officer of the Harbour Commissioners, or of any of the officers or men of the Water Police.—And in the absence of other sufficient evidence of the violation of this By-law, if no answer be made by the Watch on any vessel to such call, hail or enquiry, after three audible repetitions of the same, such vessel and the master or person

in charge thereof shall be conclusively held to have violated this By-law.

Article 31.—Every vessel lying in the said Harbour shall be supplied during the whole period between sunset and sunrise with not less than six buckets filled with water, which shall be placed and shall stand during the whole of the said period at some convenient place upon the deck of such vessel, ready for instant use in case of fire.

Article 32.—The Master, or person in charge of any vessel, lying alongside of any of the Wharves, or adjoining to any other vessel, shall cause her hatchways to be securely and completely covered with hatches or gratings, immediately after the work of loading or unloading, as the case may be, shall have been finished for the day; and shall cause the same to remain so covered until the time when the work shall recommence in the morning.

Article 33.—There shall be no fire or light of any kind used between sunset and sunrise on board of any vessel loaded with hay or straw, while within the said Harbour, and no steamer shall carry as freight, any hay or straw whatsoever, unless the same be pressed into bundles, which shall weigh not less than seven and a half pounds weight per cubic foot; and such bundles shall be kept completely and constantly covered with tarpaulin or oil-cloth.

Article 34.—No fires shall be used or suffered to remain alight, on board of any vessel in the said harbour, except in close cabooses of iron or other metal, or of brick or stone, when made on deck, or in stoves of similar materials when under deck; and when made on deck, such fires shall not be lighted before sunrise, and shall be extinguished at sunset; provided always, that fires necessary for generating steam may at any times be made on board of any steam vessel, with a competent person as a watch on board.

Article 35.—No lights shall be allowed, after the hour of ten of the clock, P.M., on board of any vessel lying in the said harbour, except only in the cabin thereof, and then only under the constant supervision of some person in attendance; but this By-law shall not be held to apply to vessels arriving or departing, or loading or unloading, after the said hour.

SALUT :—

PROCLAMATION.

T. FOURNIER, Procureur Général, Canada. } ATTENDU que certaines personnes mal conseillées, dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix, dans cette partie de nos possessions de l'Amérique du Nord, alors connues sous les noms de Terre de Rupert et de Territoire du Nord-Ouest, et formant maintenant la Province de Manitoba, dans notre Puissance du Canada, se sont opposées à Notre autorité, et contrairement à l'allégeance qu'elles Nous doivent, ont pris sur elles d'exercer les pouvoirs et l'autorité d'un gouvernement et d'exciter d'autres personnes à agir avec elles, se rendant par là coupables de haute trahison et d'autres actes séditeux contre Notre couronne et Notre dignité.

ET ATTENDU que, durant la période susdite un certain Louis Riel et un certain Ambroise Lépine (et d'autres personnes conjurées avec eux,) ont, sous prétexte de sentence de mort rendue par une prétendue cour martiale illégalement tenue, mis ou fait mettre à mort Notre loyal sujet, un certain Thomas Scott.

ET ATTENDU que des procédures ont été instituées contre le dit Louis Riel dans la cour de Notre Banc pour la province de Manitoba, sur une mise en accusation pour le meurtre du dit Thomas Scott et que jugement de mise hors la loi y a été rendu contre le dit Louis Riel, et est maintenant enregistré dans notre dite cour et que le dit Riel est actuellement hors la loi et criminel fugitif.

ET ATTENDU que des procédures ont été instituées, dans Notre cour susdite, contre le dit Ambroise Lépine, qui ayant été mis en accusation et convaincu du meurtre du dit Thomas Scott, a été condamné par Notre dite cour à être pendu par le cou jusqu'à ce que mort s'en suive, comme il appert par les archives de Notre dite cour.

ET ATTENDU qu'on Nous a imploré d'accorder au dit Ambroise Lépine Notre Royal pardon pour la dite offense et que nous avons bien voulu, par Nos lettres patentes Royales, en date du dix-neuvième jour de janvier, en la trente-huitième année de Notre règne, pardonner au dit Ambroise Lépine, et le libérer pour la dite félonie dont il était ainsi convaincu, à la condition expresse que le dit Ambroise Lépine demeurerait incarcéré dans la prison commune de Winnipeg, dans notre dite province de Manitoba, jusqu'au vingt-cinquième jour d'octobre, en l'année mil-huit cent soixante-seize, et qu'il perdrait et abandonnerait entièrement pour le terme de sa vie naturelle, ses droits politiques et le pouvoir de les exercer dans les limites de Notre Puissance du Canada.

ET ATTENDU que Nos dévoués et loyaux sujets, les Communes du Canada assemblées, ont, par leur humble adresse, demandé que, (sauf les réserves y faites,) Nous exercions Notre Royale clémence envers les délinquants accusés d'avoir commis les crimes ci-dessus mentionnés.

Et ATTENDU qu'étant bien sûre de la loyauté des habitants de la dite province de Manitoba et du ferme rétablissement de la paix, de l'ordre et du bon gouvernement dans la dite province, nous consentons à acquiescer à la demande de nos fidèles Communes du Canada et à exercer Notre prérogative Royale de clémence au sujet des dits crimes et offenses tels qu'ici mentionnés, commis antérieurement au second jour de septembre en l'année mil huit cent soixante-dix, étant la date à laquelle l'honorable Adams George Archibald assumait les fonctions de Lieutenant-Gouverneur de la province de Manitoba.

SACHEZ MAINTENANT que, de Notre volonté Royale et bon plaisir, Nous ordonnons, prescrivons, déclarons et proclamons, que (sauf et excepté Louis Riel, Ambroise Lépine et un certain W.D.O'Donoghue,) toutes personnes et parties quelconques sont et seront pleinement acquittées et exonérées de toutes trahisons et actes séditions, félonies, délits, crimes ou offenses de nature politique ou contre Nous, Notre couronne, autorité et gouvernement, commis dans cette partie de la Terre de Rupert et du Territoire du Nord-Ouest, aujourd'hui la province de Manitoba, antérieurement au deuxième jour de septembre mil huit cent soixante-dix, dont ils sont maintenant ou peuvent être accusés comme ayant (sauf les exceptions susdites,) pris part respectivement dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix, et antérieurement au deuxième jour de septembre en la dite année mil huit cent soixante-dix, au sujet des faits ci-dessus énumérés et que toutes poursuites à ce sujet (sauf les exceptions mentionnées,) cessent et sont terminées.

Et Nous remettons en outre, par les présentes, (sauf les exceptions susmentionnées,) toutes terres confisquées, biens et effets qui, pour des crimes ou offenses, et antérieurement à la date mentionnée en dernier lieu, ont été confisquées par Nous.

Et, par les présentes, nous ordonnons, prescrivons, déclarons et proclamons en outre que chacun d'eux, les dits Louis Riel et Ambroise Lépine sont et seront pleinement acquittés et relâchés pour toutes sortes de trahisons, actes séditions, délits, crimes ou offenses de nature politique ou contre Nous, Notre couronne, autorité et gouvernement commis, comme il est dit ci-dessus, et dont ils sont ou peuvent être actuellement accusés pour la part qu'aucun d'eux, les dits Louis Riel et Ambroise Lépine, a pu y prendre respectivement dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix antérieurement au second jour de septembre en l'année mil huit cent soixante-dix, au sujet des faits ci-dessus mentionnés, et que toutes procédures à ce sujet cessent et se terminent à la condition expresse que chacun d'eux, les dits Louis Riel et Ambroise Lépine, seront et se tiendront absents de Notre Puissance du Canada pour la période de cinq ans, à partir de la date de Notre présente Proclamation Royale et s'abstiendront de l'exercice et de la jouissance de leurs droits politiques durant la dite période, pourvu que sur infraction à cette condition par les dits Louis Riel ou Ambroise Lépine, Notre présente Proclamation Royale et pardon seront, du moment que les dits Louis Riel et Ambroise Lépine commettront cette infraction, nuls et de nul effet.

Et, en outre, nous ordonnons, prescrivons, déclarons et proclamons, qu'au reçu de la signification, par le dit Ambroise Lépine, dument attestée à notre Secrétaire d'Etat du bon vouloir du dit Ambroise Lépine de remplir la condition à lui par les présentes imposée, Nos lettres patentes, portant la date du dix neuvième jour de janvier mil huit cent soixante-quinze, ci-dessus mentionnées, sont appelées et déclarées de ce moment, entièrement nulles, et de nul effet, et notre dit Secrétaire d'Etat pour le Canada devra immédiatement ordonner et prescrire que le dit Ambroise Lépine soit élargi de la prison commune de Winnipeg, la période de cinq ans ci-dessus mentionnée, devant commencer, en ce cas, vingt-quatre heures, après son élargissement de la dite prison commune.

De ce que dessus nos fœux sujets et tous autres que les présentes verront ou qu'icelles pourront concerner sont requis de prendre connaissance et de se conduire en conséquence.

EN FOI DE QUOI, nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada.

CIRCULAIRE.

Le Comte de Carnarvon au Comte de Dufferin.

DOWNING STREET,

Le 3 mars, 1875.

MONSIEUR, — J'ai l'honneur de vous transmettre, afin que vous le fassiez publier dans la colonie où vous administrez, copie d'un traité passé entre Sa Majesté et la Confédération suisse, pour l'extradition mutuelle des criminels fugitifs, ainsi qu'une copie de l'ordre en Conseil pour mettre ce traité qui est en vigueur depuis le 1er courant.

J'ai l'honneur d'être,
Monsieur,

Votre très humble et obéissant serviteur,

CARNARVON.

A l'administrateur
du gouvernement du Canada,

A la Cour, Osborne House, Ile de Wight,
le 4 février, 1875.

PRESENT :

Sa Très-Excellente Majesté la REINE en Conseil.

ATTENDU que par un acte du Parlement fait et passé à la trente-troisième et trente-quatrième années du règne de Sa Majesté, intitulé : "Acte

pour amender la loi relative à l'extradition des criminels," il est, entre autre choses, décrété que dans les cas où un arrangement aura été fait avec une puissance étrangère pour l'extradition de criminels fugitifs, Sa Majesté pourra, par ordre en Conseil, ordonner, que le dit acte s'applique pour cette puissance étrangère ; et que Sa Majesté pourra par cet ordre ou tout ordre subséquent limiter l'opération de tout ordre en conseil et la restreindre aux criminels fugitifs qui sont, ou soupçonnés être, dans une partie des possessions de Sa Majesté spécifiées dans l'ordre en conseil, et soumettre cette opération aux conditions et exceptions qu'il sera jugé convenable :

Et attendu qu'un traité a été conclu, le dix-neuvième jour de juin dernier, entre Sa Majesté et la Confédération suisse pour l'extradition mutuelle des criminels fugitifs, lequel traité est dans les termes suivants :

Sa Majesté du Royaume-Uni de la Grande-Bretagne et d'Irlande et la Confédération suisse, ayant jugé convenable, en vue de la meilleure administration de la justice et pour prévenir le crime dans les deux pays, de décider que les personnes accusées ou convaincues des crimes ci-dessous énumérés, et qui ont échappé à la justice, doivent, dans certains cas, être réciproquement extradités, ont nommé comme plénipotentiaires, pour conclure un traité à cet effet : —

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Monsieur Alfred Guthrie Bonar son envoyé extraordinaire et ministre plénipotentiaire près de la Confédération Suisse ;

Et le conseil fédéral de la Confédération Suisse Joseph Martin Knüsel, membre du Conseil fédéral Suisse ;

Qui, s'étant mutuellement communiqué leurs pleins pouvoirs, et les ayant trouvés en due forme, ont convenu et conclu les articles suivantes. —

ARTICLE I.

Les Hautes Parties Contractantes s'engagent à se livrer réciproquement toute personne qui étant accusée ou convaincue d'aucuns des crimes ci-après mentionnés, commis dans la juridiction de la Puissance qui fait la demande, sera trouvée sur le territoire de l'autre puissance, dans les circonstances et aux conditions spécifiées dans le présent Traité.

ARTICLE II.

Les crimes qui entraîneront l'extradition sont les suivants : —

- (1.) Meurtre (y compris l'infanticide,) ou tentative de meurtre.
- (2.) Meurtre sans préméditation.
- (3.) Contrefaçon d'argent ou émission d'argent contrefait.
- (4.) Faux, contrefaçon, altération ou émission d'effets faux ou contrefaits, comprenant les crimes désignés dans le code pénal de chaque état sous le nom de contrefaçon ou falsification de papier monnaie, billets de banque ou autres valeurs, contrefaçon ou falsification d'autres documents publics ou privés ; et émission ou mise en circulation ou usage volontaire de ces papiers faux, contrefaits ou altérés.
- (5.) Abus de confiance ou larcin.
- (6.) Obtenir de l'argent ou des marchandises sous de faux prétextes.
- (7.) Crimes contre la loi de banqueroute.
- (8.) Fraude commise par un dépositaire, banquier, agent, facteur, syndic, ou directeur, ou membre ou officier public de toute compagnie, quand cette fraude est reconnue criminelle par une loi alors en vigueur.
- (9.) Viol.
- (10.) Enlèvement de mineur.
- (11.) Vol ou enlèvement d'enfant.
- (12.) Emprisonnement sous de faux prétextes.
- (13.) Vol avec effraction pendant la nuit ou bris de maison avec intention criminelle.
- (14.) Tentative d'incendie.
- (15.) Vol avec violence.
- (16.) Menaces par lettre ou autrement, avec intention d'extorquer.

(17.) Parjure ou subornation en vue d'induire au parjure.

(18.) Dégâts malicieusement faits à la propriété, si l'offense entraîne mise en accusation.

L'extradition aura lieu aussi pour la participation dans aucun des crimes sus-mentionnés, comme complice avant ou après le fait.

ARTICLE III.

Aucun citoyen suisse ne sera livré par la Suisse au gouvernement du Royaume-Uni; et aucun sujet du Royaume-Uni ne sera livré par ce dernier gouvernement au gouvernement suisse.

ARTICLE IV.

L'extradition n'aura pas lieu si la personne réclamée par le gouvernement du Royaume-Uni ou la personne réclamée par le gouvernement Suisse a été déjà jugée, acquittée ou punie ou est encore en jugement dans la Suisse ou dans le Royaume-Uni, respectivement pour le crime qui fait le sujet de la demande d'extradition.

Si la personne réclamée par le gouvernement du Royaume-Uni, ou si la personne réclamée par le gouvernement Suisse est mise en accusation ou a été condamnée pour aucun autre crime dans un des Cantons Suisses ou dans le Royaume-Uni, respectivement, son extradition peut être différée jusqu'à ce qu'elle ait été libérée après que la loi aura subi sa pleine exécution.

Dans le cas où cet individu serait poursuivi ou détenu dans le pays où il a cherché refuge pour obligations contractées envers des particuliers, l'extradition aura lieu néanmoins, — la partie lésée conservant le droit de faire valoir ses réclamations devant l'autorité compétente.

ARTICLE V.

L'extradition n'aura pas lieu si, subséquemment à la commission du crime, ou l'institution de la poursuite, ou la condamnation, il y a eu exemption de peine par prescription, en vertu des lois de l'Etat dont il s'agit.

ARTICLE V.

Si l'individu réclamé par l'une des deux parties contractantes, en vertu du présent traité, est aussi réclamé par un ou plusieurs autres pouvoirs, pour des crimes commis sur leurs territoires respectifs, il sera livré à l'Etat dont la demande est la plus ancienne en date; à moins qu'un autre arrangement soit fait entre les gouvernements qui l'ont réclamé, soit à cause de la gravité des crimes commis, soit pour aucune autre raison.

ARTICLE VII.

Un criminel fugitif ne sera pas livré si l'offense pour laquelle son extradition est demandée est d'une nature politique, ou s'il peut prouver que la demande de son extradition est faite en vue de la punir pour une affaire politique.

ARTICLE VIII.

Une personne livrée ne pourra en aucun cas être détenue en prison ou jugée dans l'Etat auquel elle a été livrée pour aucun autre crime que celui qui forme le sujet de l'extradition.

Cette stipulation ne s'appliquera pas aux crimes commis après l'extradition.

ARTICLE IX.

Toute demande d'extradition devra être faite par voie diplomatique, savoir, en Suisse, par le

ministre Britannique s'adressant au président de la Confédération et, dans le Royaume-Uni, par le Consul-Général de Suisse s'adressant au Secrétaire d'Etat du département des Affaires Etrangères, le dit Consul-Général étant, en vertu du présent traité, reconnu par Sa Majesté représentant diplomatique de la Suisse.

La demande d'extradition devra être accompagnée d'un mandat d'arrestation émis par une autorité compétente de l'Etat qui demande l'extradition, et de toutes les preuves qui justifieraient l'arrestation de l'accusé dans la localité où le crime a été commis.

Si la réquisition a trait à une personne déjà condamnée, elle devra être accompagnée de la sentence par la cour compétente dans l'Etat qui fait la demande d'extradition.

Une demande d'extradition ne peut pas être basée sur des condamnations par *contumace*.

ARTICLE X.

Un criminel fugitif pourra, néanmoins, être appréhendé en vertu d'un mandat émis par le magistrat de police, un juge de paix, ou autre autorité compétente, dans l'un ou l'autre pays, sur telle information ou plainte, ou preuve, ou après telles procédures qui justifient l'émission d'un mandat dans l'opinion de la personne qui l'émet comme si le crime eût été commis dans cette partie des possessions des deux parties contractantes dans laquelle cette personne exerce juridiction; pourvu, toutefois, que, dans le Royaume-Uni, l'accusé sera envoyé, aussitôt que possible, devant un magistrat de police à Londres. Cette réquisition pourra être faite par la poste ou par le télégraphe.

L'accusé pourra, néanmoins, être libéré si, dans un temps raisonnable que, relativement aux circonstances, le magistrat de police pourra fixer, la réquisition n'a pas été faite conformément aux stipulations contenues dans l'article IX.

ARTICLE XI.

L'extradition n'aura pas lieu avant quinze jours après l'arrestation, et, alors, si les preuves produites suffisent, dans l'Etat où le criminel a été trouvé soit pour mettre le prisonnier en jugement, dans le cas où le crime a été commis sur le territoire du dit Etat, soit pour établir que le prisonnier est identiquement la personne réclamée par l'Etat qui fait la réquisition.

ARTICLE XII.

Dans les interrogatoires qui auront lieu en vertu des stipulations précédentes, les autorités de l'Etat auquel la demande est faite devront admettre comme entièrement valides les dépositions sous serment ou les déclarations de témoins faites dans l'autre Etat, ou des copies des dépositions, et les mandats et sentences y émis et prononcées, pourvu que les documents soient signés ou certifiés par un juge, magistrat ou officier de cet Etat, et authentiqués sous serment par quelque témoin, ou portant le sceau officiel du Secrétaire d'Etat anglais ou du Chancelier de la Confédération Suisse.

ARTICLE XIII.

Si des preuves suffisantes pour justifier l'extradition ne sont pas produites dans la période de deux mois après l'arrestation du fugitif, il sera mis en liberté.

ARTICLE XIV.

Tous les articles saisis, en la possession de la personne livrée, à l'époque de son appréhension, devront si les autorités de l'Etat auquel est faite la demande d'extradition le jugent convenable, être remis lors de l'extradition, et cette livraison ne s'appliquera pas seulement aux articles volés mais à toutes choses qui pourront servir de preuve du crime.

ARTICLE XV.

Les Parties Contractantes renoncent à toute réclamation pour le remboursement des frais encourus par elles dans l'arrestation et l'entretien de la personne qui doit être livrée, et pour son transport aux frontières de l'Etat auquel il est réclamé. Chacun des Etats convient de payer sa part des frais.

ARTICLE XVI.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté.

La demande d'arrestation et d'extradition d'un criminel fugitif qui a cherché refuge dans l'une de ces colonies ou possessions étrangères sera faite par le consul-général de Suisse à Londres ou Secrétaire d'Etat au département des Affaires Etrangères, qui procédera conformément aux dispositions du présent traité et aux lois du pays.

Sa Majesté Britannique pourra néanmoins faire des arrangements spéciaux dans les colonies britanniques et possessions britanniques à l'étranger, pour l'extradition des individus qui auront commis en Suisse l'un quelconque des crimes ci-dessus mentionnés et qui auront cherché refuge dans ces colonies étrangères, en se basant autant que possible, sur les dispositions du présent traité.

La demande d'extradition d'un criminel fugitif d'une colonie ou possession étrangère de Sa Majesté Britannique devra être conforme aux règles établies dans les articles précédents du présent traité.

ARTICLE XVII.

Le présent traité deviendra en vigueur dix jours après sa publication, conformément aux formes prescrites par les lois des Hautes Parties Contractantes. Le traité pourra être abrogé par l'une ou l'autre des Hautes Parties Contractantes, mais il restera en vigueur le mois après avis de son abrogation.

Le traité sera ratifié et les ratifications seront échangées à Berne, aussitôt que possible.

En foi de quoi, les plénipotentiaires respectifs ont signé le dit traité et y ont apposé leur sceau.

Fait à Berne, le trente-unième jour de mars, en l'année de Notre Seigneur mil-huit-cent-soixante-et-quatorze.

(L. S.) A. G. G. BONAR.
(L. S.) J. M. KNUSEL.

Et attendu qu'un protocole amendant l'article XVI du traité ci-dessus a été signé par les plénipotentiaires de Sa Majesté et de la Confédération Suisse le vingt-huitième jour de novem-

bre, mil-huit-cent-soixante-et-quatorze, lequel protocole est dans les termes suivants:—

Les soussignés plénipotentiaires de Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande et du conseil fédéral Suisse, s'étant réunis en conférence, ont pris en considération le sujet suivant:—

Ils ont observé que le second paragraphe du sixième article du traité qui stipule que la demande d'arrestation d'un criminel fugitif qui a cherché refuge dans l'une des colonies ou possessions étrangères de Sa Majesté Britannique sera faite par le consul-général de Suisse au secrétaire d'Etat au département des Affaires Etrangères, n'est pas conforme à la loi anglaise, et ils ont, en conséquence, résolu que le second paragraphe de cet article commençant par ces mots:

“La demande d'arrestation”, et se terminant par ces mots “et aux lois du pays”, sera nul et de nul effet et que les mots suivants lui seront substitués:—

“La demande d'extradition d'un criminel fugitif qui a cherché refuge dans l'une de ces colonies ou possessions étrangères sera faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par le consul Suisse, et dans le cas où il n'y aurait pas de consul Suisse, par l'agent consulaire d'un autre Etat chargé pour l'occasion de représenter les intérêts de la Suisse dans cette colonie ou possession.”

“Le gouverneur ou l'autorité supérieure susmentionnée décideront de ces demandes aussi conformément que possible aux dispositions du présent traité. Toutefois elles pourront ou accorder l'extradition ou en référer à leur gouvernement.”

Les autres dispositions de l'article XVI demeurent en force et ont été consenties avec le traité.

Le présent protocole sera considéré et appliqué comme formant partie du traité en question.

En foi de quoi, les soussignés ont signé le présent protocole et y ont apposé leurs sceaux.

Fait en double, à Berne, le vingt-huitième jour de novembre; en l'an de grâce, mil huit cent soixante-quatorze.

Le plénipotentiaire de la Grande-Bretagne,

(L. S.) EDWIN CORBETT.

Le plénipotentiaire de la Confédération Suisse,

(L. S.) J. M. KNUSEL.

Et attendu que les ratifications du dit traité ont été échangées à Berne le trente-unième jour de décembre dernier:

A CES CAUSES, Sa Majesté, par et de l'avis de son Conseil Privé, et en vertu de l'autorité de l'acte mentionné ci-dessus; ordonne et il est, par le présent, ordonné que le et à partir du premier jour de mars, mil huit cent soixante-quinze, le dit acte s'appliquera au dit traité avec la Confédération Suisse.

To all to whom these presents shall come, or whom the same may in any wise concern—GREETING :

A PROCLAMATION.

T. FOURNIER, Attorney General, Canada. } WHEREAS certain misguided persons did, in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, in that part of Our Dominions, in North America, then known as Rupert's Land, and the North Western Territory, and now forming the Province of Manitoba, in Our Dominion of Canada, oppose Our authority, and contrary to their allegiance to Us, did assume to exercise the powers and authorities of a Government and did incite other persons to act in conjunction with them, being thereby guilty of high treason, and other treasonable acts, against Our Crown and Dignity ;

And whereas during the period aforesaid one Louis Riel and one Ambroise Lépine (and other persons leagued with them) did under pretext of sentence of a pretended Court martial, unlawfully held put or caused to be put to death our loyal subject one Thomas Scott;

And whereas such proceedings were had against the said Louis Riel in the Court of our Bench for the

Province of Manitoba on an indictment for murder of the said Thomas Scott, that judgment of outlawry was passed therein against the said Louis Riel and is now of record in our said Court; and the said Louis Riel is now outlawed and a fugitive from justice;

And whereas such proceedings were had in our Court aforesaid against the said Ambroise Lépine on an indictment for the murder of the said Thomas Scott, that being convicted thereof it was adjudged by our said Court that the said Ambroise Lépine should be hanged by the neck until he should be dead, as appears of record in our said Court;

And whereas having been implored to grant unto the said Ambroise Lépine Our Royal Pardon in respect of the said offence, we were pleased by Our Royal Letters Patent dated on the nineteenth day of January, in the thirty-eighth year of Our Reign, to pardon and release the said Ambroise Lépine in respect of the said Felony whereof he stood so convicted, upon the express condition that the said Ambroise Lépine should remain confined in the common jail at Winnipeg in the said Province of Manitoba, until the Twenty-fifth day of October, in the year one thousand eight hundred and seventy-six, and that he should forfeit and surrender and wholly abandon for and during the term of his natural life, his political rights and the exercise of the same within Our Dominion of Canada;

And whereas Our Dutiful and Loyal Subjects the Commons of Canada assembled have by their humble address in effect prayed that we should (with the exceptions therein made) exercise Our Royal Clemency in behalf of the offenders charged with commission of the crimes and offences hereinbefore and hereinafter mentioned;

And whereas being well assured of the Loyalty of the inhabitants of the said Province of Manitoba and of the firm establishment of peace, order and good government therein, We are willing to accede to the prayer of Our faithful Commons of Canada, and to exercise Our Royal Prerogative of Mercy in respect of the said crimes and offences as hereinafter mentioned committed prior to the second day of September in the year one thousand eight hundred and seventy, being the date upon which the Honorable Adams George Archibald assumed the functions of Lieutenant-Governor of the Province of Manitoba;

And We do hereby further (save and except as aforesaid) remit all forfeitures of lands, goods and chattels which by reason of any such crimes or offences at and prior to the date last mentioned aforesaid, have been forfeited to us.

And We do hereby further ordain, direct, declare and proclaim: That each of them the said Louis Riel and Ambroise Lépine are and shall be acquitted, pardoned, released and discharged from all and all manner, of treasons, treasonable acts, felonies, seditions, misdemeanors, crimes or offences of a political nature or against Us, Our Crown, Authority and Government, committed as hereinbefore mentioned with which they now stand charged or may be chargeable at this time as being dependent upon or connected with the part either of them, the said Louis Riel and Ambroise Lépine, may have respectively taken in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, prior to the second day of September, in the year one thousand eight hundred and seventy with regard to the matters hereinbefore recited; and that all proceedings in respect thereof shall cease and determine Upon this Express Condition, that each of them, the said Louis Riel and Ambroise Lépine, do and shall absent and keep himself absent from the Dominion of Canada for the period of five years from the date of this Our Royal Proclamation and abstain from the exercise and enjoyment of his political rights therein for and during the said term; And Provided that upon Breach of this Condition by the said Louis Riel or Ambroise Lépine this Our Royal Proclamation and Remission shall as to the said Louis Riel or Ambroise Lépine so committing breach thereof, be utterly null and void. And We do further ordain, direct, declare and proclaim that upon receipt of signification by the said Ambroise Lépine duly attested to our Secretary of State of the willingness of the said Ambroise Lépine to abide by and to perform the condition herein imposed upon him, Our Letters Patent, bearing date the nineteenth day of January, one thousand eight hundred and seventy-five, hereinbefore mentioned, shall be and are hereby superseded and declared to be thenceforth utterly void and of no effect, And our said Secretary of State for Canada shall thereupon order and direct the release of the said Ambroise Lépine from the Common Jail at Winnipeg aforesaid, the commencement of the period of five years hereinbefore mentioned being hereby extended in such case for a period of twenty-four hours after his release from the said Common Jail.

SIR,—I have the honor to transmit to you for publication in the colony under your Government, a copy of a Treaty between Her Majesty and the Swiss Confederation for the mutual surrender of Fugitive Criminals, as well as a copy of the Order in Council of the 4th ultimo, for carrying into effect that Treaty which came into operation on the 1st instant.

[Signed], CARNARVON.

The Officer Administering
the Government of Canada.

AT the Court at *Osborne House, Isle of Wight.*
the 4th day of February, 1875.

PRESENT:

The QUEEN's Most Excellent Majesty in Council.

Whereas by an Act of Parliament made and passed in the Session of Parliament holden in the thirty-third and thirty-fourth years of the reign of Her present Majesty, intituled: "An Act for amending the law relating to the Extradition of Criminals," it was amongst other things enacted, that where an arrangement has been made with any foreign State, with respect to the surrender to such State of any fugitive Criminals, Her Majesty may, by Order in Council, direct that the said Act shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the thirty-first day of March last between Her Majesty and the Swiss Confederation, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland; Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation;

And the Federal Council of the Swiss Confederation, Joseph Martin Knusel, Member of the Swiss Federal Council;

Who, after having communicated to each other, their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime committed in the territory of

the one Party, shall be found within the territory of the other Party under the circumstances and conditions stated in the present Treaty.

ARTICLE II.

The crimes for which the extradition is to be granted are the following :

1. Murder (including infanticide) and attempt to murder.
2. Manslaughter.
3. Counterfeiting or altering money, uttering or bringing into circulation counterfeit or altered money.
4. Forgery, or counterfeiting, or altering, or uttering what is forged, or counterfeited, or altered ; comprehending the crimes designated in the Penal Codes of either State as counterfeiting or falsification of paper money, bank notes, or other securities, forgery, or other falsification of other public and private documents, likewise the uttering or bringing into circulation, or wilfully using such counterfeited, forged or falsified papers.
5. Embezzlement or larceny.
6. Obtaining money or goods by false pretences.
7. Crimes against bankruptcy law.
8. Fraud committed by a bailee, banker, agent, factor, trustee, or director, or member, or public officer of any Company made criminal by any law for the time being in force.
9. Rape.
10. Abduction of minors.
11. Child stealing or kidnapping.
12. False imprisonment.
13. Burglary, or housebreaking, with criminal intent.
14. Arson.
15. Robbery with violence.
16. Threats by letter or otherwise with intent to extort.
17. Perjury or subornation of perjury.
18. Malicious injury to property, if the offence be indictable.

The extradition is also to take place for participation in any of the aforesaid crimes, as an accessory before or after the fact.

ARTICLE III.

No Swiss shall be delivered up by Switzerland to the Government of the United Kingdom ; and no subject of the United Kingdom shall be delivered up by the Government thereof to Switzerland.

ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against or detained in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall nevertheless, take place ; the injured party retaining his right to prosecute his claims before the competent authority.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or of the

institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

ARTICLE VI.

If the individual claimed by one of the two Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date ; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul General of Switzerland, who, for the purposes of this Treaty, is hereby recognized by Her Majesty as a Diplomatic Representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any police magistrate, justice of the peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings as would in the opinion of the officer issuing the warrant justify its issue, if the crime had been committed in that part of the dominions of the two Contracting Parties in which he exercises jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a police magistrate in London. Such requisition may be made by means of the post or by telegraph.

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the police magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of state applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everyth ng that may serve as a proof of the crime.

ARTICLE XV.

The Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required; they reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present Treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinbefore mentioned, who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any Colony or foreign Possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVII.

The present Treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The Treaty shall be ratified, and the ratifications shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) A. G. G. BONAR.
(L.S.) J. M. KNUSEL.

And whereas a Protocol amending Article XVI of the aforesaid Treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty eighth day of November, one thousand eight hundred and seventy four which Protocol is in the following terms:—

The Undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Federal Council of the Swiss Confederation, having met in Conference, have taken into their consideration the following subject:—

They have directed their attention to the fact that the second paragraph of the XVth Article of the Treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the Colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved to declare that the second paragraph of that Article beginning:

“The requisition for the arrest,” and concluding with, “and the laws of the land,” shall be null and void, and in lieu thereof the following words shall be substituted:

“The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or to the Supreme Authority of such Colony or Possession through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the Colony or Possession in question.

“The Governor or Supreme Authority above-mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present Treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government.”

The other provisions of Article XVI remain in force as they have been agreed upon in the Treaty.

This Protocol shall be regarded and acted upon as forming part of the Treaty in question.

In witness whereof the Undersigned have signed this Protocol, and have hereunto affixed their seals.

Done in duplicate at Berne, the twenty-eighth day of November, in the year of Grace, one thousand eight hundred and seventy-four.

The Plenipotentiary of Great Britain,

(L. S.) EDWIN CORBETT.

The Plenipotentiary of the Swiss Confederation,

(L. S.) J. M. KNUSEL.

And whereas the ratifications of the said Treaty and Protocol were exchanged at Berne on the thirty-first day of December last:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Act, doth order, and it is hereby ordered, that from and after the first day of March, one thousand eight hundred and seventy-five, the said Act shall apply in the case of the said Treaty and Protocol with the Swiss Confederation.

PROCLAMATION.

T. FOURNIER, Procureur Général, Canada. } **ATTENDU** que certaines personnes mal conseillées, dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix, dans cette partie de nos possessions de l'Amérique du Nord, alors connues sous les noms de Terre de Rupert et de Territoire du Nord-Ouest, et formant maintenant la Province de Manitoba, dans notre Puissance du Canada, se sont opposées à Notre autorité, et contrairement à l'allégeance qu'elles Nous doivent, ont pris sur elles d'exercer les pouvoirs et l'autorité d'un gouvernement et d'exciter d'autres personnes à agir avec elles, se rendant par là coupables de haute trahison et d'autres actes séditeux contre Notre couronne et Notre dignité.

ET ATTENDU que, durant la période susdite un certain Louis Riel et un certain Ambroise Lépine (et d'autres personnes conjurées avec eux,) ont, sous prétexte de sentence de mort rendue par une prétendue cour martiale illégalement tenue, mis ou fait mettre à mort Notre loyal sujet, un certain Thomas Scott.

ET ATTENDU que des procédures ont été instituées contre le dit Louis Riel dans la cour de Notre Banc pour la province de Manitoba, sur une mise en accusation pour le meurtre du dit Thomas Scott et que jugement de mise hors la loi y a été rendu contre le dit Louis Riel, et est maintenant enregistré dans notre dite cour et que le dit Riel est actuellement hors la loi et criminel fugitif.

ET ATTENDU que des procédures ont été instituées, dans Notre cour susdite, contre le dit Ambroise Lépine, qui ayant été mis en accusation et convaincu du meurtre du dit Thomas Scott, a été condamné par Notre dite cour à être pendu par le cou jusqu'à ce que mort s'en suive, comme il appert par les archives de Notre dite cour.

ET ATTENDU qu'on Nous a imploré d'accorder au dit Ambroise Lépine Notre Royal pardon pour la dite offense et que nous avons bien voulu, par Nos lettres patentes Royales, en date du dix-neuvième jour de janvier, en la trente-huitième année de Notre règne, pardonner au dit Ambroise Lépine, et le libérer pour la dite félonie dont il était ainsi convaincu, à la condition expresse que le dit Ambroise Lépine demeurerait incarcéré dans la prison commune de Winnipeg, dans notre dite province de Manitoba, jusqu'au vingt-cinquième jour d'octobre, en l'année mil-huit cent soixante-seize, et qu'il perdrait et abandonnerait entièrement pour le terme de sa vie naturelle, ses droits politiques et le pouvoir de les exercer dans les limites de Notre Puissance du Canada.

ET ATTENDU que Nos dévoués et loyaux sujets, les Communes du Canada assemblées, ont, par leur humble adresse, demandé que, (sauf les réserves y faites,) Nous exerçons Notre Royale clémence envers les délinquants accusés d'avoir commis les crimes ci-dessus mentionnés.

ET ATTENDU qu'étant bien sûr de la loyauté des habitants de la dite province de Manitoba et du ferme rétablissement de la paix, de l'ordre et du bon gouvernement dans la dite province, nous consentons à acquiescer à la demande de nos fidèles Communes du Canada et à exercer Notre prérogative Royale de clémence au sujet des dits crimes et offenses tels qu'ici mentionnés, commis antérieurement au second jour de septembre en l'année mil huit cent soixante-dix, étant la date à laquelle l'honorable Adams George Archibald assumait les fonctions de Lieutenant-Gouverneur de la province de Manitoba.

SACHEZ MAINTENANT que, de Notre volonté Royale et bon plaisir, Nous ordonnons, prescrivons, déclarons et proclamons, que (sauf et excepté Louis Riel, Ambroise Lépine et un certain W.D.O'Donoghue,) toutes personnes et parties quelconques sont et seront pleinement acquittées et exonérées de toutes trahisons et actes séditeux, félonies, délits, crimes ou offenses de nature politique ou contre Nous, Notre couronne, autorité et gouvernement, commis dans cette partie de la Terre de Rupert et du Territoire du Nord-Ouest, aujourd'hui la province de Manitoba, antérieurement au deuxième jour de septembre mil huit cent soixante-dix, dont ils sont maintenant ou peuvent être accusés comme ayant (sauf les exceptions susdites,) pris part respectivement dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix, et antérieurement au deuxième jour de septembre en la dite année mil huit cent soixante-dix, au sujet des faits ci-dessus énumérés et que toutes poursuites à ce sujet (sauf les exceptions mentionnées,) cessent et sont terminées.

Et Nous remettons en outre, par les présentes, (sauf les exceptions susmentionnées,) toutes terres confisquées, biens et effets qui, pour des crimes ou offenses, et antérieurement à la date mentionnée en dernier lieu, ont été confisquées par Nous.

Et, par les présentes, nous ordonnons, prescrivons, déclarons et proclamons en outre que chacun d'eux, les dits Louis Riel et Ambroise Lépine sont et seront pleinement acquittés et relâchés pour toutes sortes de trahisons, actes séditeux, délits, crimes ou offenses de nature politique ou contre Nous, Notre couronne, autorité et gouvernement commis, comme il est dit ci-dessus, et dont ils sont ou peuvent être actuellement accusés pour la part qu'aucun d'eux, les dits Louis Riel et Ambroise Lépine, a pu y prendre respectivement dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix antérieurement au second jour de septembre en l'année mil huit cent soixante-dix, au sujet des faits ci-dessus mentionnés, et que toutes procédures à ce sujet cessent et se terminent à la condition expresse que chacun d'eux, les dits Louis Riel et Ambroise Lépine, seront et se tiendront absents de Notre Puissance du Canada pour la période de cinq ans, à partir de la date de Notre présente Proclamation Royale et s'abstiendront de l'exercice et de la jouissance de leurs droits politiques durant la dite période, pourvu que sur infraction à cette condition par les dits Louis Riel ou Ambroise Lépine, Notre présente Proclamation Royale et pardon seront, du moment que les dits Louis Riel et Ambroise Lépine commettront cette infraction, nuls et de nul effet.

Et, en outre, nous ordonnons, prescrivons, déclarons et proclamons, qu'au reçu de la signification, par le dit Ambroise Lépine, dument attestée à notre Secrétaire d'Etat du bon vouloir du dit Ambroise Lépine de remplir la condition à lui par les présentes imposée, Nos lettres patentes, portant la date du dix-neuvième jour de janvier mil huit cent soixante-quinze, ci-dessus mentionnées, sont appelées et déclarées de ce moment, entièrement nulles, et de nul effet, et notre dit Secrétaire d'Etat pour le Canada devra immédiatement ordonner et prescrire que le dit Ambroise Lépine soit élargi de la prison commune de Winnipeg, la période de cinq ans ci-dessus mentionnée, devant commencer, en ce cas, vingt-quatre heures, après son élargissement de la dite prison commune.

De ce que dessus nos fœux sujets et tous autres que les présentes verront ou qu'icelles pourront concerner sont requis de prendre connaissance et de se conduire en conséquence.

EN FOI DE QUOI, nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada.

TÉMOIN Notre Très-Fidèle et Bien-Aimé Cousin et Conseiller le Très-Honorable Sir FREDERIC TEMPLE, Comte de Dufferin, Vicomte et Baron Clandeboye, de Clandeboye, dans le Comté Down, dans la Pairie du Royaume-Uni, Baron Dufferin et Clandeboye de Ballyleidy et Killeleagh, dans le Comté Down, dans la Pairie d'Irlande, et Baronnet, Chevalier de Notre Très-Illustre Ordre de St. Patrice et Chevalier Commandeur de Notre Très-Honorable Ordre du Bain, Gouverneur Général du Canada, et Vice-Amiral d'icelui.

CIRCULAIRE.

Le Comte de Carnarvon au Comte de Dufferin.

DOWNING STREET,

Le 3 mars, 1875.

MONSIEUR,—J'ai l'honneur de vous transmettre, afin que vous le fassiez publier dans la colonie où vous administrez, copie d'un traité passé entre Sa Majesté et la Confédération suisse, pour l'extradition mutuelle des criminels fugitifs, ainsi qu'une copie de l'ordre en Conseil pour mettre ce traité qui est en vigueur depuis le 1er courant.

J'ai l'honneur d'être,
Monsieur,

Votre très humble et obéissant serviteur,

CARNARVON.

A l'administrateur
du gouvernement du Canada,

A la Cour, Osborne House, Ile de Wight,
le 4 février, 1875.

PRESENT :

Sa Très-Excellente Majesté la REINE en Conseil.

ATTENDU que par un acte du Parlement fait et passé à la trente-troisième et trente-quatrième année du règne de Sa Majesté, intitulé : "Acte

pour amender la loi relative à l'extradition des criminels," il est, entre autre choses, décrété que dans les cas où un arrangement aura été fait avec une puissance étrangère pour l'extradition de criminels fugitifs Sa Majesté pourra, par ordre en Conseil, ordonner, que le dit acte s'applique pour cette puissance étrangère; et que Sa Majesté pourra par cet ordre ou tout ordre subséquent limiter l'opération de tout ordre en conseil et la restreindre aux criminels fugitifs qui sont, ou soupçonnés être, dans une partie des possessions de Sa Majesté spécifiées dans l'ordre en conseil, et soumettre cette opération aux conditions et exceptions qu'il sera jugé convenable :

Et attendu qu'un traité a été conclu, le dix-neuvième jour de juin dernier, entre Sa Majesté et la Confédération suisse pour l'extradition mutuelle des criminels fugitifs, lequel traité est dans les termes suivants :

Sa Majesté du Royaume-Uni de la Grande-Bretagne et d'Irlande et la Confédération suisse, ayant jugé convenable, en vue de la meilleure administration de la justice et pour prévenir le crime dans les deux pays, de décider que les personnes accusées ou convaincues des crimes ci-dessous énumérés, et qui ont échappé à la justice, devraient, dans certains cas, être réciproquement extradés, ont nommé comme plénipotentiaires, pour conclure un traité à cet effet :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Monsieur Alfred Guthrie Bonar, son envoyé extraordinaire et ministre plénipotentiaire près de la Confédération Suisse;

Et le conseil fédéral de la Confédération Suisse, Monsieur Martin Knusel, membre du Conseil fédéral suisse;

Qui, s'étant mutuellement communiqué leurs pleins pouvoirs, et les ayant trouvés en due forme, ont convenu et conclu les articles suivantes :—

ARTICLE I.

Les Hautes Parties Contractantes s'engagent à se vover réciproquement toute personne qui étant accusée ou convaincue d'aucuns des crimes ci-après mentionnés, commis dans la juridiction de la Puissance qui fait la demande, sera trouvée sur le territoire de l'autre puissance, dans les circonstances et aux conditions spécifiées dans le présent traité.

ARTICLE II.

Les crimes qui entraîneront l'extradition sont les suivants :—

(1.) Meurtre (y compris l'infanticide,) ou tentative de meurtre.

(2.) Meurtre sans préméditation.

(3.) Contrefaçon d'argent ou émission d'argent contrefait.

(4.) Faux, contrefaçon, altération ou émission d'effets faux ou contrefaits, comprenant les crimes désignés dans le code pénal de chaque état sous le nom de contrefaçon ou falsification de papier monnaie, billets de banque ou autres valeurs, contrefaçon ou falsification d'autres documents publics ou privés; et émission ou mise en circulation ou usage volontaire de ces papiers faux, contrefaits ou altérés.

(5.) Abus de confiance ou larcin.

(6.) Obtenir de l'argent ou des marchandises sous de faux prétextes.

(7.) Crimes contre la loi de banqueroute.

(8.) Fraude commise par un dépositaire, banquier, agent, facteur, syndic ou directeur, ou membre ou officier public de toute compagnie, quand cette fraude est reconnue criminelle par une loi alors en vigueur.

(9.) Viol.

(10.) Enlèvement de mineur.

(11.) Vol ou enlèvement d'enfant.

(12.) Emprisonnement sous de faux prétextes.

(13.) Vol avec effraction pendant la nuit ou bris de maison avec intention criminelle.

(14.) Tentative d'incendie.

(15.) Vol avec violence.

(16.) Menaces par lettre ou autrement, avec intention d'extorquer.

(17.) Parjure ou subornation en vue d'induire au parjure.

(18.) Dégâts malicieusement faits à la propriété, si l'offense entraîne mise en accusation.

L'extradition aura lieu aussi pour la participation dans aucun des crimes sus mentionnés, comme complice avant ou après le fait.

ARTICLE III.

Aucun citoyen suisse ne sera livré par la Suisse au gouvernement du Royaume-Uni; et aucun sujet du Royaume-Uni ne sera livré par ce dernier gouvernement au gouvernement suisse.

ARTICLE IV.

L'extradition n'aura pas lieu si la personne réclamée par le gouvernement du Royaume-Uni ou la personne réclamée par le gouvernement Suisse a été déjà jugée, acquittée ou punie ou est encore en jugement dans la Suisse ou dans le Royaume-Uni, respectivement pour le crime qui fait le sujet de la demande d'extradition.

Si la personne réclamée par le gouvernement du Royaume-Uni, ou si la personne réclamée par le gouvernement Suisse est mise en accusation ou a été condamnée pour aucun autre crime dans un des Cantons Suisses ou dans le Royaume-Uni, respectivement, son extradition peut être différée jusqu'à ce qu'elle ait été libérée après que la loi aura subi sa pleine exécution.

Dans le cas où cet individu serait poursuivi ou détenu dans le pays où il a cherché refuge pour obligations contractées envers des particuliers, l'extradition aura lieu néanmoins, la partie lésée conservant le droit de faire valoir ses réclamations devant l'autorité compétente.

ARTICLE V.

L'extradition n'aura pas lieu si, subséquemment à la commission du crime, ou l'institution de la poursuite, ou la condamnation, il y a eu exemption de peine par prescription, en vertu des lois de l'Etat dont il s'agit.

ARTICLE V.

Si l'individu réclamé par l'une des deux parties contractantes, en vertu du présent traité, est aussi réclamé par un ou plusieurs autres pouvoirs, pour des crimes commis sur leurs territoires respectifs, il sera livré à l'Etat dont la demande est la plus ancienne en date; à moins qu'un autre arrangement soit fait entre les gouvernements qui l'ont réclamé, soit à cause de la gravité des crimes commis, soit pour aucune autre raison.

ARTICLE VII.

Un criminel fugitif ne sera pas livré si l'offense pour laquelle son extradition est demandée est d'une nature politique, ou s'il peut prouver que la demande de son extradition est faite en vue de la punir pour une affaire politique.

ARTICLE VIII.

Une personne livrée ne pourra en aucun cas être détenue en prison ou jugée dans l'Etat auquel elle a été livrée pour aucun autre crime que celui qui forme le sujet de l'extradition.

Cette stipulation ne s'appliquera pas aux crimes commis après l'extradition.

ARTICLE IX.

Toute demande d'extradition devra être faite par voie diplomatique, savoir, en Suisse, par le

ministre Britannique s'adressant au président de la Confédération et, dans le Royaume-Uni, par le Consul-Général de Suisse s'adressant au Secrétaire d'Etat du département des Affaires Etrangères, le dit Consul-Général étant, en vertu du présent traité, reconnu par Sa Majesté représentant diplomatique de la Suisse.

La demande d'extradition devra être accompagnée d'un mandat d'arrestation émis par une autorité compétente de l'Etat qui demande l'extradition, et de toutes les preuves qui justifieraient l'arrestation de l'accusé dans la localité où le crime a été commis.

Si la réquisition a trait à une personne déjà condamnée, elle devra être accompagnée de la sentence par la cour compétente dans l'Etat qui fait la demande d'extradition.

Une demande d'extradition ne peut pas être basée sur des condamnations par *contumace*.

ARTICLE X.

Un criminel fugitif pourra, néanmoins, être appréhendé en vertu d'un mandat émis par le magistrat de police, un juge de paix, ou autre autorité compétente, dans l'un ou l'autre pays, sur telle information ou plainte, ou preuve, ou après telles procédures qui justifient l'émission d'un mandat dans l'opinion de la personne qui l'émet comme si le crime eût été commis dans cette partie des possessions des deux parties contractantes dans laquelle cette personne exerce juridiction; pourvu, toutefois, que, dans le Royaume-Uni, l'accusé sera envoyé, aussitôt que possible, devant un magistrat de police à Londres. Cette réquisition pourra être faite par la poste ou par le télégraphe.

L'accusé pourra, néanmoins, être libéré si, dans un temps raisonnable que, relativement aux circonstances, le magistrat de police pourra fixer, la réquisition n'a pas été faite conformément aux stipulations contenues dans l'article IX.

ARTICLE XI.

L'extradition n'aura pas lieu avant quinze jours après l'arrestation, et, alors, si les preuves produites suffisent, dans l'Etat où le criminel a été trouvé soit pour mettre le prisonnier en jugement, dans le cas où le crime a été commis sur le territoire du dit Etat, soit pour établir que le prisonnier est identiquement la personne réclamée par l'Etat qui fait la réquisition.

ARTICLE XII.

Dans les interrogatoires qui auront lieu en vertu des stipulations précédentes, les autorités de l'Etat auquel la demande est faite devront admettre comme entièrement valides les dépositions sous serment ou les déclarations de témoins faites dans l'autre Etat, ou des copies des dépositions, et les mandats et sentences y émis et prononcées, pourvu que les documents soient signés ou certifiés par un juge, magistrat ou officier de cet Etat, et authentiqués sous serment par quelque témoin, ou portant le sceau officiel du Secrétaire d'Etat anglais ou du Chancelier de la Confédération Suisse.

ARTICLE XIII.

Si des preuves suffisantes pour justifier l'extradition ne sont pas produites dans la période de deux mois après l'arrestation du fugitif, il sera mis en liberté.

ARTICLE XIV.

Tous les articles saisis, en la possession de la personne livrée, à l'époque de son appréhension, devront si les autorités de l'Etat auquel est faite la demande d'extradition le jugent convenable, être remis lors de l'extradition, et cette livraison ne s'appliquera pas seulement aux articles volés mais à toutes choses qui pourront servir de preuve du crime.

ARTICLE XV.

Les Parties Contractantes renoncent à toute réclamation pour le remboursement des frais encourus par elles dans l'arrestation et l'entretien de la personne qui doit être livrée, et pour son transport aux frontières de l'Etat auquel il est réclamé. Chacun des Etats convient de payer sa part des frais.

ARTICLE XVI.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté.

La demande d'arrestation et d'extradition d'un criminel fugitif qui a cherché refuge dans l'une de ces colonies ou possessions étrangères sera faite par le consul-général de Suisse à Londres ou Secrétaire d'Etat au département des Affaires Etrangères, qui procédera conformément aux dispositions du présent traité et aux lois du pays.

Sa Majesté Britannique pourra néanmoins faire des arrangements spéciaux dans les colonies britanniques et possessions britanniques à l'étranger, pour l'extradition des individus qui auront commis en Suisse l'un quelconque des crimes ci-dessus mentionnés et qui auront cherché refuge dans ces colonies étrangères, en se basant autant que possible, sur les dispositions du présent traité.

La demande d'extradition d'un criminel fugitif d'une colonie ou possession étrangère de Sa Majesté Britannique devra être conforme aux règles établies dans les articles précédents du présent traité.

ARTICLE XVII.

Le présent traité deviendra en vigueur dix jours après sa publication, conformément aux formes prescrites par les lois des Hautes Parties Contractantes. Le traité pourra être abrogé par l'une ou l'autre des Hautes Parties Contractantes, mais il restera en vigueur le mois après avis de son abrogation.

Le traité sera ratifié et les ratifications seront échangées à Berne, aussitôt que possible.

En foi de quoi, les plénipotentiaires respectifs ont signé le dit traité et y ont apposé leur sceau.

Fait à Berne, le trente-unième jour de mars, en l'année de Notre Seigneur mil-huit-cent-soixante-et-quatorze.

(L. S.) A. G. G. BONAR.
(L. S.) J. M. KNUSEL.

Et attendu qu'un protocole amendant l'article XVI du traité ci-dessus a été signé par les plénipotentiaires de Sa Majesté et de la Confédération Suisse le vingt-huitième jour de novem-

bre, mil-huit-cent-soixante-et-quatorze, lequel protocole est dans les termes suivants :—

Les soussignés plénipotentiaires de Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande et du conseil fédéral Suisse, s'étant réunis en conférence, ont pris en considération le sujet suivant :—

Ils ont observé que le second paragraphe du sixième article du traité qui stipule que la demande d'arrestation d'un criminel fugitif qui a cherché refuge dans l'une des colonies ou possessions étrangères de Sa Majesté Britannique sera faite par le consul-général de Suisse au secrétaire d'Etat au département des Affaires Etrangères, n'est pas conforme à la loi anglaise, et ils ont, en conséquence, résolu que le second paragraphe de cet article commençant par ces mots :

“ La demande d'arrestation ”, et se terminant par ces mots “ et aux lois du pays ”, sera nul et de nul effet et que les mots suivants lui seront substitués :—

“ La demande d'extradition d'un criminel fugitif qui a cherché refuge dans l'une de ces colonies ou possessions étrangères sera faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par le consul Suisse, et dans le cas où il n'y aurait pas de consul Suisse, par l'agent consulaire d'un autre Etat chargé pour l'occasion de représenter les intérêts de la Suisse dans cette colonie ou possession.”

“ Le gouverneur ou l'autorité supérieure susmentionnée décideront de ces demandes aussi conformément que possible aux dispositions du présent traité. Toutefois elles pourront ou accorder l'extradition ou en référer à leur gouvernement.”

Les autres dispositions de l'article XVI demeurent en force et ont été consenties avec le traité.

Le présent protocole sera considéré et appliqué comme formant partie du traité en question.

En foi de quoi, les soussignés ont signé le présent protocole et y ont apposé leurs sceaux.

Fait en double, à Berne, le vingt huitième jour de novembre, en l'an de grâce, mil huit cent soixante-quatorze.

Le plénipotentiaire de la Grande-Bretagne,

(L. S.) EDWIN CORBETT.

Le plénipotentiaire de la Confédération Suisse,

(L. S.) J. M. KNUSEL.

Et attendu que les ratifications du dit traité ont été échangées à Berne le trente-unième jour de décembre dernier :

A CES CAUSES, Sa Majesté, par et de l'avis de son Conseil Privé, et en vertu de l'autorité de l'acte mentionné ci-dessus, ordonne et il est, par le présent, ordonné que le et à partir du premier jour de mars, mil huit cent soixante-quinze, le dit acte s'appliquera au dit traité avec la Confédération Suisse.

ORDRES GÉNÉRAUX DE MILICE.

QUARTIERS GÉNÉRAUX.

OTTAWA, 23 Avril 1875.

ORDRES GÉNÉRAUX (7).

MILICE ACTIVE.

RÈGLEMENTS POUR LES EXERCICES ANNUELS DE 1875-76. PUISSANCE DU CANADA.

1. Les corps de milice qui n'ont pas complété leurs exercices annuels pour l'année 1874-75 pouront le faire d'ici au 30 juin prochain, en vertu des dispositions de l'ordre général (14) du 3 juin 1874, et seront payés en conséquence ;—mais ces corps de milice ne sont pas autorisés à faire les exercices soldés pour l'année 1875-76.

Les exercices annuels pour l'année 1875-76 se feront, autant que cela sera praticable, en camps de brigade : la cavalerie, les corps d'artillerie de campagne et d'infanterie qui se trouvent dans la division de brigade et autorisés à joindre ces camps d'exercice, y seront concentrés ; la cavalerie et l'infanterie, pour douze jours, et l'artillerie de campagne, pour seize jours d'exercice et d'instruction.

Afin de régler les dépenses pour les exercices et l'instruction sur les crédits accordés par le Parlement, et de permettre à autant de corps que possible parmi ceux qui composent maintenant l'effectif de la milice active, de faire les exercices, la force nominale de chaque troupe de cavalerie, de chaque batterie d'artillerie de garnison, de chaque compagnie de carabiniers, d'infanterie et du génie, pour exercice soldé, ne devra pas être de plus de deux officiers et 39 sous-officiers et soldats, avec un nombre additionnel, pour les corps constitués en bataillon, de trois hommes par compagnie devant agir comme sergents d'état-major ou du corps de musique.

Les officiers, sous-officiers et soldats seront payés comme ci-après, spécifié pour les jours seulement qu'ils auront été réellement présents au camp, savoir ;—Les officiers et sous-officiers recevront la solde de leur grade, et les hommes, soixante cents par jour ; et il sera alloué une piastre par jour pour les chevaux nécessaires aux officiers à cheval, aux troupes de cavalerie ; et aux batteries d'artillerie de campagne. Les rations pour les officiers, les sous-officiers et soldats, et le fourrage pour les chevaux seront fournis gratis.

Le temps justement nécessaire pour se rendre au camp, et en revenir après les exercices annuels, fera partie du nombre de jours passés dans le camp.

Les troupes de cavalerie seules, dont les Quartiers Généraux ne sont pas éloignés de plus de 50 milles du lieu fixé pour l'établissement du camp de brigade, auront la permission de joindre ce camp et chaque troupe devra marcher aller et revenir sur tout le parcours qui la sépare du camp.—Toutes les autres troupes de cavalerie feront leurs exercices d'après les règlements en ce qui regarde la solde, etc., qui ont été faits pour les corps de milice de ville ou pour les compagnies d'infanterie qui sont isolées, suivant les circonstances. Les batteries d'artillerie de campagne marcheront aussi aller et revenir sur le parcours à faire pour assister au campement.

Les Députés-Adjudants-Généraux choisiront l'époque qui sera la plus convenable pour la formation des camps dans leur district respectif et en donneront notice aux Quartiers-Généraux.

Les officiers d'Etat-Major de la Brigade qui ne perçoivent pas de paie permanente, recevront, après la levée du camp, la solde et l'allocation d'un jour de plus, afin qu'ils puissent compléter dans ce jour l'ouvrage qu'ils auront à faire relativement à leurs devoirs dans les camps, tels que comptes et rapports à être soumis.

Les officiers de régiment qui seront appelés à agir temporairement, dans une position plus élevée que celle de leur grade régimentaire, recevront seulement la solde de leur grade actuel.

Aucun officier à cheval ne pourra recevoir d'allocation pour plus d'un cheval, réellement employé par lui.

L'allocation pour les chevaux devra couvrir toute dépense encourue pour ferrage pendant le temps des exercices.

RATIONS.

3. Les rations journalières pour chaque officier, sous-officier et soldat aux camps de brigade, seront fournies d'après l'échelle suivante :—

1½	livre de pain,
1	" de viande.
1	" de pommes de terre,

½	" de café,
½	" de thé,

15 livres de foin pour chaque cheval.

BOIS DE CHAUFFAGE.

Le bois de chauffage sera fourni comme suit : pour l'ordinaire des officiers, pas plus qu'une ration par chaque officier, et pour les sous-officiers et soldats, pas plus aussi qu'une ration pour chaque 7 hommes par jour.

Une ration de bois de chauffage est un ponce de longueur sur la mesure courante de la corde ; une corde de bois représentant 96 rations.

Chaque troupe, compagnie ou corps qui assistera aux camps de brigade, apportera avec lui ses marmites, sa ferblanterie ou ustensiles de cuisine, et pour ces articles il sera accordé une allocation de \$6 pour chaque troupe ou compagnie et de \$10 pour chaque batterie de campagne, qui aura réellement fait l'exercice en campement ; cette somme pourra être portée à la fin du Rôle de reçus avec certificat de l'officier commandant, au bas du rôle, que ces articles ont été fournis par la troupe, la compagnie ou le corps.

RÈGLEMENTS POUR LES APPROVISIONNEMENTS.

4. Dès que la formation d'un camp d'exercice aura été autorisée à un endroit quelconque, en vertu des règlements ci-dessus, le Député-Adjudant-Général du district où doit se former ce camp de brigade, demandera des soumissions de la part des marchands de la localité, par avis inséré dans un des papiers-nouvelles du lieu, et en faisant poser des affiches, avant la date du rassemblement dans le camp, pour l'approvisionnement des vivres, du bois de chauffage et du fourrage, nécessaires pour tout le temps du campement. Les soumissions pour l'approbation du Ministre de la Milice et de la Défense, devront être envoyées sur des formules, avec les conditions y imprimées, telles que fournies par le Département,—l'avis et les affiches devront comporter le nom d'une personne bien connue dans la localité où doit être établi le camp, afin que ceux qui désirent faire des soumissions, puissent s'adresser à cette personne pour se procurer les blancs ou formules dont ils auront besoin.

Avant le rassemblement des corps dans le camp, il sera nommé un officier des vivres, qui sera sous les ordres immédiats de l'officier commandant le camp, et qui sera chargé de recevoir les approvisionnements des différents contracteurs, de voir à ce que les effets soient strictement conformes à ceux mentionnés dans le contrat, et lorsqu'il les aura approuvés, de les délivrer, sur des retours de rations ou requisitions, aux divers corps dans le camp qui ont droit de les recevoir. Immédiatement après la levée du camp, il devra préparer ses comptes pour tout ce qu'il aura reçu et délivré, et certifiera les comptes des contracteurs en conséquence ;—Il devra aussi envoyer par l'entremise de l'officier commandant le camp pour le payeur du district, un extrait des effets reçus et délivrés, avec l'original des retours de rations ou requisitions comme pièces justificatives pour le paiement des comptes.

Afin que ces devoirs puissent être convenablement remplis, l'officier des vivres ne devra

pas être appelé à remplir les fonctions d'un officier à cheval ou autres devoirs que ceux qui le regardent.

Comme chaque corps de milice devra se pourvoir de rations cuites pour le premier jour désigné pour le rassemblement en camp de brigade, la première livraison de rations commencera le matin du second jour du campement.

Les rations seront reçues du contracteur par l'officier des vivres, et sur requisition; les officiers qui commandent des corps de milice recevront les rations de ce dernier sur des requisitions quotidiennes. Les blancs ou formules nécessaires à cet effet seront fournis par le Département.

L'officier commandant d'aucun corps n'aura pas droit de se faire donner plus de rations que ce qu'il lui en faudra pour l'espace d'une journée pour ses officiers, sous-officiers et soldats présents alors dans le camp.

L'officier commandant le camp enverra à l'officier des vivres sa requisition pour les rations nécessaires à l'Etat-Major de la Brigade faisant le service dans le camp.

La quantité des rations journalières pour les bataillons se demandera en gros, et sera reçue de même de l'officier des vivres: la distribution aux compagnies se fera par le quartier-maître du bataillon.

Les troupes, les batteries, et les compagnies ne devront se servir que des formules ou blancs autorisés, et les retours de rations fournis au quartier-maître par les diverses compagnies en bataillon, serviront de base pour la demande à faire à l'officier des vivres, pour les rations en gros nécessaires au bataillon pendant la journée. L'exactitude de ce retour No. 176 doit être vérifié sur l'état de parade du jour No. 164, du corps ou bataillon et certifié par l'officier commandant du camp; et si un corps se fait donner plus de rations qu'il ne lui en faut, l'officier commandant du camp sera tenu responsable de voir à ce que ce surplus de ration soit remboursé par ce corps.

A la levée de chaque camp, le Député-Adjudant-Général du District fera des arrangements, suivant les circonstances, pour le soin, la conservation et le retour de tous les équipements; les tentes avant d'être empaquetées devront être sèches, et la valeur de tout dommage ou de tout effet manquant devra être déduite de la solde due à chaque corps pour ses exercices, et cela avant la levée du camp. Les officiers commandants auront soin de faire connaître la chose à tous ceux qui sont sous leurs ordres et de voir à son exécution.

Il est défendu d'écrire et de peindre sur les tentes fournies pour l'usage des corps de milice pendant le campement ou de les détériorer en quoi que ce soit.

Les officiers qui commandent des corps devront se rappeler qu'ils sont responsables des armes, des habillements ou de tout équipement qui pourraient manquer lors de l'inspection qui suivra la clôture des exercices, et qu'ils peuvent être appelés à payer pour autant.

TRANSPORT.

5. Les arrangements locaux pour le transport des corps de milice par chemins de fer ou bateaux-à-vapeur, soit pour se rendre aux camps d'exercices annuels, soit pour en revenir, se feront par les députés-adjudants-généraux qui commandent les districts militaires. Le transport des corps de milice devra se faire sur les lignes des com-

pagnies de chemins de fer ou de bateaux-à-vapeur dont les soumissions pour ce service auront été approuvées aux Quartiers-Généraux.

Comme les compagnies de chemins de fer font une réduction à ceux qui prennent des billets de retour, les requisitions devront comprendre l'aller et le retour pour tous les corps allant et revenant par la même voie.

Le transport des officiers et des hommes qui, étant en congé, voyageront pour leur propre compte, ne devra sous aucun prétexte être aux frais du gouvernement.

Toutes les requisitions pour transport devront être signées par le Député Adjudant-Général du district.

Les comptes pour transport dans aucun district devront en premier lieu être envoyés au Député-Adjudant-Général du district pour être examinés et certifiés par lui avant leur transmission aux Quartiers-Généraux pour être acquittés.

Lorsqu'une compagnie de chemin de fer ou de bateaux-à-vapeur transportera les troupes de différents districts militaires, le compte pour ce transport devra être fait séparément pour chaque district militaire afin d'en rendre plus aisé l'examen.

Tout transport devra être porté dans le compte à tant par mille, au taux spécifié dans le contrat, et le compte devra comporter une colonne où sera mentionné clairement le nombre de milles parcourus dans chaque cas.

Lorsque tout le voyage ne peut pas se faire par chemin de fer ou par eau et que la partie de chemin à faire pour se rendre au camp est plus de trois milles, il sera alloué pour le transport, six cents pour chaque officier et trois cents pour chaque sous-officier et soldat par mille nécessairement parcouru pour se rendre au camp et en revenir, ce montant devra être ajouté sur le bordereau de la compagnie et payé au capitaine avant de laisser le camp.

Les officiers commandants devront exiger que chaque homme se munisse avant son départ d'une quantité de rations cuites, suffisante pour le jour employé à se rendre au camp; pour cela il sera alloué une somme de 25 cents.

Les troupes de cavalerie et les batteries d'artillerie de campagne qui auront une marche de plus de 10 milles à faire pour se rendre au camp à compter des quartiers-généraux de la troupe ou de la batterie, feront elles mêmes leurs propres arrangements en ce qui regarde les rations et le fourrage nécessaires pendant la marche; pour cela une compensation de cinq cents par mille sera allouée à chaque homme pour toute distance à parcourir au delà des 10 milles. Les troupes et les batteries qui recevront cette compensation ne devront pas recevoir de ration ou de fourrage pour la journée qu'elles mettront à se rendre au camp non plus que pour celle où elles laisseront le camp.

RÈGLEMENTS MÉDICAUX.

6. Les arrangements médicaux pour chaque bataillon et corps de milice seront réglés régimentairement. Une pharmacie portative contenant les médecines nécessaires, etc., sera fournie par le gouvernement à chaque bataillon d'infanterie, batterie d'artillerie de campagne et à chaque régiment de cavalerie. A la levée du camp, ces pharmacies portatives seront remises dans le magasin du district militaire.

Autant que possible, les officiers, sous-officiers et soldats seront soumis à une inspection médicale avant de laisser les quartiers-généraux de leur corps ou compagnie ; lorsque cette inspection n'aura pu se faire avant le départ, alors elle devra avoir lieu dès que le corps ou le bataillon aura été concentré ; et il sera fait à l'officier-commandant un rapport complet et écrit de chaque homme.

Cette inspection est exigée en vue de s'assurer, 1o. Si l'homme souffre dans le temps de quelque maladie, tel que rhumatisme, maladie des poumons ou du cœur, de quelques viscères de l'abdomen, ou autres sortes de maladie syphilitique ; s'il a la vue courte ; s'il a quelque jointure affectée ; s'il a les pieds formés de manière à le gêner dans sa marche ; 2o. Si l'homme a quelque prédisposition à quelque une des maladies ci-dessus, ou en a récemment souffert, enfin s'il y a chez lui quelque chose qui le rende impropre au service militaire.

S'il se trouve des hommes qui soient affectés tel que ci-dessus, on ne devra pas leur permettre d'aller au camp, non plus d'y demeurer, tant pour leur propre bien que pour prévenir toute réclamation de compensation pour cause de maladie, par des personnes qui ne sont aucunement propres au service militaire.

L'officier de santé de chaque corps ou bataillon, fera tous les matins un rapport de santé dont il transmettra une copie à l'officier commandant du bataillon.

Le chirurgien de chaque bataillon gardera un registre des admissions et des déchargés de tous ceux envoyés à l'hôpital, d'après la formule B.

Chaque chirurgien donnera un reçu pour tous les articles médicaux qui lui seront délivrés pour l'usage de son corps de milice, et sera responsable de l'emploi de ces articles. Lorsqu'il sera relevé de son office, il remettra dans les magasins du district toutes les médecines et les effets s'y rattachant qui n'auront pas été dépensés, fera une liste de ce qu'il aura dépensé, et pour ce, son reçu lui sera remis.

Le vin ou toute autre boisson spiritueuse qui pourra être prescrite, en cas de maladie, devra être payée par la personne qui s'en servira. Les officiers voudront bien porter une attention toute spéciale aux paragraphes 138, 140 et 141 des Ordres et Règlements pour la milice active.

Les officiers de santé ne devront faire, pour le compte du gouvernement, aucune dépense sans en avoir auparavant obtenu la permission.

Dans les cas de maladie ou d'accident sérieux, l'officier de santé, conjointement avec l'officier commandant du corps de milice, prendront tous les arrangements immédiats qui pourront être nécessaires, enverront immédiatement le patient chez lui si c'est possible ou au plus proche hôpital, et l'officier de santé fera sans délai un rapport minutieux de toutes les circonstances ayant trait au cas, et l'adressera aux Quartiers-Généraux.

En ce qui regarde les accidents ou blessures qui pourraient survenir aux hommes ou aux chevaux, pendant qu'ils seront dans le camp, un bureau d'officiers en devra rechercher dans le temps la nature et la cause et en faire un rapport spécial pour être envoyé aux Quartiers-Généraux.

CORPS DE MILICE DES VILLES.

7. Dans les cas où des circonstances locales empêcheraient des corps de milice d'une ville, à

l'exception des batteries d'artillerie de campagne, de se rendre au camp de brigade avec les autres de la même division de brigade, ces corps de milice pourront avoir la permission de faire les douze jours d'exercice à leurs quartiers-généraux, en différents temps, suivant qu'il leur sera plus convenable, avec l'approbation du Député-Adjudant-Général du district. Dans tous ces cas, il ne sera fait aucune allocation pour rations ou fourrage ; et la solde sera, pour les officiers, une piastre par jour, et pour les sous-officiers et soldats, cinquante cents par jour.

CORPS DE MILICE ISOLÉS.

8. Dans toute division de brigade où il n'y a pas plus d'un bataillon d'infanterie, ou lorsqu'un bataillon est éloigné du lieu désigné pour le camp de brigade, les exercices pour ces corps se feront en campement aux quartiers-généraux du bataillon. La solde des officiers, des sous-officiers et des soldats sera la même que celle fixée pour les camps de brigade. Les rations ne seront pas fournies par le public, mais il sera accordé vingt-cinq cents pour chaque officier et soldat, et trente-cinq cents par jour, au lieu de fourrage pour chaque cheval, afin que le commandant, avec cette allocation puisse faire les arrangements nécessaires.

Dans tout district militaire où il y a des compagnies rurales qui ne sont pas en bataillon ces compagnies pourront être attachées, si c'est possible, à un bataillon dans le camp, pour les fins d'exercice ; mais lorsque cela ne peut se faire convenablement à cause de la distance ou autre raison elles pourront, après avoir demandé aux Quartiers-Généraux une permission spéciale et l'avoir obtenue, faire les exercices à leurs quartiers-généraux, sujettes aux règlements qui pourront être faits dans ces cas en ce qui regarde la solde ; mais il ne leur sera accordé par le public ni rations, ni tentes, ni couvertes ni aucune allocation.

EXERCICE ET PRATIQUE DU TIR A LA CIBLE.

La routine que l'on recommande à suivre dans les exercices devra être comme suit ou à peu près, sujette aux variations apportées par le temps ou autres causes exceptionnelles, savoir : de 6 à 7.30 A. M., une demi-heure d'instruction pour le tir, une heure d'exercice d'escouade et de compagnie ; à ces exercices qui seront sous la surveillance des officiers supérieurs, tous les officiers devront être présents.

De 10 à 12 A. M., exercice d'escouade et de compagnie pendant les trois premiers jours seulement, et ensuite exercice de bataillon.

De 3 à 5.30 P. M., consacré, partie à l'exercice de compagnie et partie à l'exercice de bataillon à la discrétion de l'officier commandant, à l'exception des quatre derniers jours où l'on pratiquera les mouvements de brigade.

Comme il a été trouvé impossible de pouvoir faire usage d'une manière satisfaisante de 40 cartouches à balle durant le nombre limité de jours que durent les exercices qui embrassent un si grand nombre de devoirs à remplir, le nombre de cartouches à balle à être dépensées par chaque homme à la pratique du tir à la cible sera de 15, et les officiers commandants de corps ou de compagnie seront tenus responsables de voir à ce que chaque homme dépense ce nombre au tir, lequel sera sous la direction de l'instructeur de mousqueterie du camp.

BATTILLES D'ARTILLERIE DE CAMPAGNE.

En sus des mouvements en campagne, les conducteurs devront recevoir des instructions sur l'équitation, la manière de conduire les chevaux, de nettoyer les harnais, etc.; les canonniers devront apprendre l'exercice du canon, à démonter et monter les canons, à relever des canons qui ont été renversés, à changer les roues, à enlever des pièces d'artillerie mises hors de service, etc.

Les officiers-commandants verront à ce que les conducteurs soient pourvus de fouets, d'éperons et de sous-pieds.

Avant la fin des exercices ordinaires il devra être consacré au moins trois jours pour la pratique du tir au canon.

Il sera alloué à chaque batterie de campagne pour l'exercice et la pratique du tir 100 cartouches à poudre seulement et 80. cartouches à boulet.

ARTILLERIE DE GARNISON.

Les batteries d'artillerie de garnison dont les quartiers-généraux sont en deça de 50 milles des ports de Kingston, Toronto, Ste. Hélène ou de Québec (les corps qui sont dans la cité de Montréal exceptés) devront respectivement camper et s'exercer au fort le plus voisin; le reste des autres batteries en ce qui concerne la solde, la subsistance, etc., feront leurs exercices d'après les règlements, qui s'appliquent aux corps d'infanterie.

Il sera alloué 20 cartouches à poudre et 40 cartouches à boulet, pour la pratique du tir, à chaque batterie ayant à sa disposition des canons convenables. Ces munitions seront distribuées autant qu'il sera faisable, comme suit: Boulets pleins, 32; bombes ordinaires, 2; obus à balles, 4; bombes à mitraille (*case*), 1; sachet de mitraille (*grape*) 1.—Total 40.

RÈGLEMENTS GÉNÉRAUX.

10. Le Député-Adjudant-Général de chaque district pourvoira à l'état-major nécessaire pour les camps de brigade, choisissant les officiers autant qu'il lui sera possible, parmi ceux de la division de brigade, et soumettra son choix aux Quartiers-Généraux pour être approuvé.

Comme le succès des exercices dépendra en grande partie de l'action des officiers d'état-major responsables, ceux-ci seront tenus de voir à ce qu'il y ait économie dans les dépenses à faire dans leurs districts respectifs, et à ce qu'il soit fait le meilleur usage possible du temps alloué pour les exercices.

Afin qu'un rapport complet sur les exercices et les instructions militaires pour l'année fiscale de 1875-76 puisse être présenté au Parlement, tous les exercices pour lequel il est accordé paiement, devront être terminés avant le 1er décembre 1875, et les rapports des Députés-Adjudants Généraux des districts devront être envoyés aux quartiers-généraux pas plus tard que le 5 du même mois. Les rapports relatifs aux corps qui auront complété leurs exercices pour l'année 1874-75, en vertu des dispositions du premier paragraphe, devront être faits séparément.

tains quais situés du côté nord du dit fleuve dans le Havre de Québec appartenant à la dite Compagnie des Vapeurs Transatlantiques de Montréal, et ayant ensemble un front de quinze cent soixante-et-treize pieds, mesure anglaise ou environ, et bornés d'un côté, à l'est, par la rue Smith, et de l'autre côté, à l'ouest, par une propriété maintenant occupée par John Giblin, seront et les mêmes sont par le présent respectivement et exclusivement appropriés à l'usage des vapeurs et autres vaisseaux appartenant à ou employés par la dite Compagnie de Vapeurs Transatlantiques de Montréal, et que tout maître ou autre personne ayant la charge d'aucun vapeur ou autre vaisseau (autre qu'un vapeur ou autre vaisseau appartenant ou employé par la dite Compagnie) qui fera accorder tel vapeur ou autre vaisseau le long d'aucune partie des fronts sur le fleuve Saint-Laurent des dits quais, sans une permission par écrit et signée par le Maître du Havre, encourra et paiera une amende n'excédant pas dix louis courant pour chaque et toute contravention au présent règlement.

WHEREAS certain misguided persons did, in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, in that part of Our Dominions, in North America, then known as Rupert's Land, and the North Western Territory, and now forming the Province of Manitoba, in Our Dominion of Canada, oppose Our authority, and contrary to their allegiance to Us, did assume to exercise the powers and authorities of a Government and did incite other persons to act in conjunction with them, being thereby guilty of high treason, and other treasonable acts, against Our Crown and Dignity;

And whereas during the period aforesaid one Louis Riel and one Ambroise Lépine (and other persons leagued with them) did under pretext of sentence of a pretended Court martial, unlawfully held put or caused to be put to death our loyal subject one Thomas Scott;

And whereas such proceedings were had against the said Louis Riel in the Court of our Bench for the

Province of Manitoba on an indictment for murder of the said Thomas Scott, that judgment of outlawry was passed therein against the said Louis Riel and is now of record in our said Court; and the said Louis Riel is now outlawed and a fugitive from justice;

And whereas such proceedings were had in our Court aforesaid against the said Ambroise Lépine on an indictment for the murder of the said Thomas Scott, that being convicted thereof it was adjudged by our said Court that the said Ambroise Lépine should be hanged by the neck until he should be dead, as appears of record in our said Court;

And whereas having been implored to grant unto the said Ambroise Lépine Our Royal Pardon in respect of the said offence, we were pleased by Our Royal Letters Patent dated on the nineteenth day of January, in the thirty-eighth year of Our Reign, to pardon and release the said Ambroise Lépine in respect of the said Felony whereof he stood so convicted, upon the express condition that the said Ambroise Lépine should remain confined in the common jail at Winnipeg in the said Province of Manitoba, until the Twenty-fifth day of October, in the year one thousand eight hundred and seventy-six, and that he should forfeit and surrender and wholly abandon for and during the term of his natural life, his political rights and the exercise of the same within Our Dominion of Canada;

And whereas Our Dutiful and Loyal Subjects the Commons of Canada assembled have by their humble address in effect prayed that we should (with the exceptions therein made) exercise Our Royal Clemency in behalf of the offender charged with commission of the crimes and offences hereinbefore and hereinafter mentioned;

And whereas being well assured of the Loyalty of the inhabitants of the said Province of Manitoba and of the firm establishment of peace, order and good government therein, We are willing to accede to the prayer of Our faithful Commons of Canada, and to exercise Our Royal Prerogative of Mercy in respect of the said crimes and offences as hereinafter mentioned committed prior to the second day of September in the year one thousand eight hundred and seventy, being the date upon which the Honorable Adams George Archibald assumed the functions of Lieutenant Governor of the Province of Manitoba;

O'Donoghue) all persons and parties what oever are and shall be acquitted, pardoned, released and discharged from all and all manner of treasons, treasonable acts, felonies, seditions, misdemeanors, crimes or offences of a political nature or against us, Our Crown, Authority and Government committed in that part of Rupert's Land and the North Western Territory now the Province of Manitoba, prior to the second day of September in the year one thousand eight hundred and seventy, with which they now stand charged or may be chargeable at this time as being dependent upon or connected with the part such persons (save and except as aforesaid) may have respectively taken in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, prior to the second day of September in the said year one thousand eight hundred and seventy with regard to the matters herein before recited; and that all proceedings in respect thereof shall (save and except as aforesaid) cease and determine,

And We do hereby further (save and except as aforesaid) remit all forfeitures of lands, goods and chattels which by reason of any such crimes or offences at and prior to the date last mentioned aforesaid, have been forfeited to us.

And We do hereby further ordain, direct, declare and proclaim: That each of them the said Louis Riel and Ambroise Lépine are and shall be acquitted, pardoned, released and discharged from all and all manner, of treasons, treasonable acts, felonies, seditions, misdemeanors, crimes or offences of a political nature or against Us, Our Crown, Authority and Government, committed as hereinbefore mentioned with which they now stand charged or may be chargeable at this time as being dependent upon or connected with the part either of them, the said Louis Riel and Ambroise Lépine, may have respectively taken in the years one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, prior to the second day of September, in the year one thousand eight hundred and seventy with regard to the matters hereinbefore recited; and that all proceedings in respect thereof shall cease and determine Upon this Express Condition, that each of them, the said Louis Riel and Ambroise Lépine, do and shall absent and keep himself absent from the Dominion of Canada for the period of five years from the date of this Our Royal Proclamation and abstain from the exercise and enjoyment of his political rights therein for and during the said term; And Provided that upon Breach of this Condition by the said Louis Riel or Ambroise Lépine this Our Royal Proclamation and Remission shall as to the said Louis Riel or Ambroise Lépine so committing breach thereof, be utterly null and void. And We do further ordain, direct, declare and proclaim that upon receipt of signification by the said Ambroise Lépine duly attested to our Secretary of State of the willingness of the said Ambroise Lépine to abide by and to perform the condition herein imposed upon him, Our Letters Patent, bearing date the nineteenth day of January, one thousand eight hundred and seventy-five, hereinbefore mentioned, shall be and are hereby superseded and declared to be thenceforth utterly void and of no effect, And our said Secretary of State for Canada shall thereupon order and direct the release of the said Ambroise Lépine from the Common Jail at Winnipeg aforesaid, the commencement of the period of five years hereinbefore mentioned being hereby extended in such case for a period of twenty-four hours after his release from the said Common Jail.

Of all which Our loving subjects and all others to whom these presents may come, or whom the same may in any wise concern, are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. WITNESS, Our Right Trusty and Well Beloved Cousin and Councillor the Right Honorable Sir FREDERIC TEMPLE, Earl of Dufferin, Viscount and Baron Clandeboye of Clandeboye, in the County Down, in the Peerage of the United Kingdom, Baron Dufferin and Clandeboye of Ballyleidy and Killeleagh, in the County Down, in the Peerage of Ireland, and a Baronet, Knight of Our Most Illustrious Order of Saint Patrick and Knight Commander of Our Most Honorable Order of the Bath, Governor-General of Canada, and Vice Admiral of the same:

SALUT:—

PROCLAMATION.

T. FOURNIER, Procureur Général, Canada. } ATTENDU que certaines personnes mal conseillées, dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix, dans cette partie de nos possessions de l'Amérique du Nord, alors connues sous les noms de Terre de Rupert et de Territoire du Nord-Ouest, et formant maintenant la Province de Manitoba, dans notre Puissance du Canada, se sont opposées à Notre autorité, et contrairement à l'allégeance qu'elles Nous doivent, ont pris sur elles d'exercer les pouvoirs et l'autorité d'un gouvernement et d'exciter d'autres personnes à agir avec elles, se rendant par là coupables de haute trahison et d'autres actes séditieux contre Notre couronne et Notre dignité.

ET ATTENDU que, durant la période susdite un certain Louis Riel et un certain Ambroise Lépine (et d'autres personnes conjurées avec eux,) ont, sous prétexte de sentence de mort rendue par une prétendue cour martiale illégalement tenue, mis ou fait mettre à mort Notre loyal sujet, un certain Thomas Scott.

ET ATTENDU que des procédures ont été instituées contre le dit Louis Riel dans la cour de Notre Banc pour la province de Manitoba, sur une mise en accusation pour le meurtre du dit Thomas Scott et que jugement de mise hors la loi y a été rendu contre le dit Louis Riel, et est maintenant enregistré dans notre dite cour et que le dit Riel est actuellement hors la loi et criminel fugitif.

ET ATTENDU que des procédures ont été instituées, dans Notre cour susdite, contre le dit Ambroise Lépine, qui ayant été mis en accusation et convaincu du meurtre du dit Thomas Scott, a été condamné par Notre dite cour à être pendu par le cou jusqu'à ce que mort s'en suive, comme il appert par les archives de Notre dite cour.

ET ATTENDU qu'on Nous a imploré d'accorder au dit Ambroise Lépine Notre Royal pardon pour la dite offense et que nous avons bien voulu, par Nos lettres patentes Royales, en date du dix-neuvième jour de janvier, en la trente-huitième année de Notre règne, pardonner au dit Ambroise Lépine, et le libérer pour la dite félonie dont il était ainsi convaincu, à la condition expresse que le dit Ambroise Lépine demeurerait incarcéré dans la prison commune de Winnipeg, dans notre dite province de Manitoba, jusqu'au vingt-cinquième jour d'octobre, en l'année mil-huit cent soixante-seize, et qu'il perdrait et abandonnerait entièrement pour le terme de sa vie naturelle, ses droits politiques et le pouvoir de sa vie exercer dans les limites de Notre Puissance du Canada.

ET ATTENDU que Nos dévoués et loyaux sujets, les Communes du Canada assemblées, ont, par leur humble adresse, demandé que, (sauf les réserves y faites,) Nous exercions Notre Royale clémence envers les délinquants accusés d'avoir commis les crimes ci-dessus mentionnés.

ET ATTENDU qu'étant bien sûr de la loyauté des habitants de la dite province de Manitoba et du ferme rétablissement de la paix, de l'ordre et du bon gouvernement dans la dite province, nous consentons à acquiescer à la demande de nos fidèles Communes du Canada et à exercer Notre prérogative Royale de clémence au sujet des dits crimes et offenses tels qu'ici mentionnés, commis antérieurement au second jour de septembre en l'année mil huit cent soixante-dix, étant la date à laquelle l'honorable Adams George Archibald assumait les fonctions de Lieutenant-Gouverneur de la province de Manitoba.

SACHEZ MAINTENANT que, de Notre volonté Royale et bon plaisir, Nous ordonnons, prescrivons, déclarons et proclamons, que (sauf et excepté Louis Riel, Ambroise Lépine et un certain W.D.O'Donoghue,) toutes personnes et parties quelconques sont et seront pleinement acquittées et exonérées de toutes trahisons et actes séditieux, félonies, délits, crimes ou offenses de nature politique ou contre Nous, Notre couronne, autorité et gouvernement, commis dans cette partie de la Terre de Rupert et du Territoire du Nord-Ouest, aujourd'hui la province de Manitoba, antérieurement au deuxième jour de septembre mil huit cent soixante-dix, dont ils sont maintenant ou peuvent être accusés comme ayant (sauf les exceptions susdites,) pris part respectivement dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix, et antérieurement au deuxième jour de septembre en la dite année mil huit cent soixante-dix, au sujet des faits ci-dessus énumérés et que toutes poursuites à ce sujet (sauf les exceptions mentionnées,) cessent et sont terminées.

Et Nous remettons en outre, par les présentes, (sauf les exceptions susmentionnées,) toutes terres confisquées, biens et effets qui, pour des crimes ou offenses, et antérieurement à la date mentionnée en dernier lieu, ont été confisquées par Nous.

Et, par les présentes, nous ordonnons, prescrivons, déclarons et proclamons en outre que chacun d'eux, les dits Louis Riel et Ambroise Lépine sont et seront pleinement acquittés et relâchés pour toutes sortes de trahisons, actes séditieux, délits, crimes ou offenses de nature politique ou contre Nous, Notre couronne, autorité et gouvernement commis, comme il est dit ci-dessus, et dont ils sont ou peuvent être actuellement accusés pour la part qu'aucun d'eux, les dits Louis Riel et Ambroise Lépine, a pu y prendre respectivement dans les années mil huit cent soixante-neuf et mil huit cent soixante-dix antérieurement au second jour de septembre en l'année mil huit cent soixante-dix, au sujet des faits ci-dessus mentionnés, et que toutes procédures à ce sujet cessent et se terminent à la condition expresse que chacun d'eux, les dits Louis Riel et Ambroise Lépine, seront et se tiendront absents de Notre Puissance du Canada pour la période de cinq ans, à partir de la date de Notre présente Proclamation Royale et s'abstiendront de l'exercice et de la jouissance de leurs droits politiques durant la dite période, pourvu que sur infraction à cette condition par les dits Louis Riel ou Ambroise Lépine, Notre présente Proclamation Royale et pardon seront, du moment que les dits Louis Riel et Ambroise Lépine commettront cette infraction, nuls et de nul effet.

Et, en outre, nous ordonnons, prescrivons, déclarons et proclamons, qu'au reçu de la signification, par le dit Ambroise Lépine, dument attestée à notre Secrétaire d'Etat du bon vouloir du dit Ambroise Lépine de remplir la condition à lui par les présentes imposée, Nos lettres patentes, portant la date du dix-neuvième jour de janvier mil huit cent soixante-quinze, ci-dessus mentionnées, sont rappelées et déclarées de ce moment, entièrement nulles, et de nul effet, et notre dit Secrétaire d'Etat pour le Canada devra immédiatement ordonner et prescrire que le dit Ambroise Lépine soit élargi de la prison commune de Winnipeg, la période de cinq ans ci-dessus mentionnée, devant commencer en ce cas, vingt-quatre heures, après son élargissement de la dite prison commune.

De ce que dessus nos fœux sujets et tous autres que les présentes verront ou qu'icelles pourront concerner sont requis de prendre connaissance et de se conduire en conséquence.

EN FOI DE QUOI, nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada.

TÉMOIN Notre Très-Fidèle et Bien-Aimé Cousin et Conseiller le Très-Honorable Sir FREDERICK TEMPLE, Comte de Dufferin, Vicomte et Baron Clandeboye, de Clandeboye, dans le Comté Down, dans la Pairie du Royaume-Uni, Baron Dufferin et Clandeboye de Ballyleidy et Killeleagh, dans le Comté Down, dans la Pairie d'Irlande, et Baronnet, Chevalier de Notre Très-Illustre Ordre de St. Patrice et Chevalier Commandeur de Notre Très-Honorable Ordre du Bain, Gouverneur-Général du Canada, et Vice-Amiral d'icelui.

A Notre Hôtel du Gouvernement, en NOTRE CITÉ D'OTTAWA, ce VINGT-TROISIÈME jour d'AVRIL, dans l'année de Notre Seigneur mil huit cent soixante-quinze, et de Notre Règne la trente-huitième.

Par Ordre,

ORDRES EN CONSEIL.

HOTEL DU GOUVERNEMENT, OTTAWA.

Ottawa, Vendredi, le 7 mai 1875.

PRESENT:

SON EXCELLENCE LE GOUVERNEUR-GENERAL
EN CONSEIL.

ATTENDU qu'il est prescrit par la 58ième section de l'Acte 31 Victoria, chap. 6, intitulé: "Acte concernant les douanes" que "L'importateur de tout bétail ou de cochons pourra les abattre, préparer et emballer en entrepôt" en se conformant aux règles et restrictions que le gouverneur en conseil pourra faire de temps à autre à ce sujet.

Et attendu qu'il a été jugé à propos de mettre à effet la dite section 58 en ce qui concerne l'importation de porcs et de modifier les règlements à cet effet adoptés par ordre en conseil en date du 22 mai, 1868:

Il a plu à Son Excellence ordonner, sur la recommandation de l'honorable ministre des Douanes, et en vertu des dispositions de l'acte cité, que le dit ordre en conseil du 22 mai, 1868, et les règlements qu'il établit soient et sont, par le présent révoqués et que les règlements suivants y soient substitués, savoir:—

1. En important des porcs pour les abattre, l'importateur devra faire, d'après les formes prescrites, une entrée en entrepôt indiquant le nombre et la valeur des animaux et aussi la quantité de lard, cotés de lard, (*bacon*), jambons et saindoux que le nombre indiqué d'animaux produira lorsque l'on aura fait l'abattage et la préparation, à raison de 113 lbs pesant pour chaque porc vivant ainsi importé, et le montant des droits auxquels ces produits sont ou pourront être sujets, en vertu du tarif alors en vigueur pour la viande de cette espèce. Le dit importateur devra alors souscrire une obligation à la Reine pour le double du montant de ces droits, la condition de cette obligation devant être que si dans la période d'une année, ces dits produits du porc ainsi converti en lard, cotés de lard, jambons et saindoux sont exportés, ou sur paiement des droits garantis par la dite obligation, alors la dite obligation deviendra nulle et non avenue, mais autrement demeurera en pleine vigueur.

2. A leur entrée dans l'entrepôt, les porcs seront regardés comme viande et il ne sera pas loisible d'en faire sortir aucun vivant de l'entrepôt; et aucune partie des produits de ces porcs ne pourra non plus être enlevée de l'entrepôt, pour aucune considération, sans un permis du percepteur, ou du préposé des douanes, comme dans le cas de toutes autres marchandises en entrepôt.

3. Les porcs importés en carcasses pour être préparés et emballés en entrepôt seront entrés en entrepôt en la manière ordinaire et déposés dans la partie de l'entrepôt spécialement destinée à la préparation et à l'emballage. Le poids de ces carcasses sera dûment constaté par le préposé des douanes, et l'importateur devra souscrire des obligations à la Reine pour le double du montant des droits exigibles sur ces produits en vertu du tarif alors en vigueur, étant maintenue la condition prescrite par le paragraphe précédent pour le cas où ces produits seraient exportés, ou les droits payés dans une période de deux ans après la date de l'entrée.

4. L'abattoir, le saloir et la chambre d'emballage et tout cellier, magasin, et autres appartements compris dans le dit entrepôt, devront être accessibles à toute heure entre le lever et le coucher du soleil au percepteur ou à l'inspecteur des douanes, ou à tout officier des douanes chargé par le percepteur ou l'inspecteur de faire l'inspection.

5. Les produits du porc importés vivants et mis à l'entrepôt pour être abattus, à raison, comme il est dit plus haut de 113 lbs. pour chaque animal, et la viande de porc importée en carcasse, au poids constaté lors de l'entrée seront sujets, tant qu'ils seront en entrepôt à tous les changements dans le tarif des droits, et lorsqu'ils ne seront pas importés en entrepôt, mais pour consommation locale, ils paieront le droit en vigueur à la date de l'entrée.

W. A. HIMSWORTH,

EN CONSEIL.

SUR la recommandation de l'honorable Ministre de la Marine et des Pêcheries, et en vertu des dispositions de l'acte passé en la 36^{ème} année du Règne de Sa Majesté, intitulé : "Acte concernant le pilotage," Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, a bien voulu ordonner et il est par le présent ordonné qu'il est formé, pour le port de Richibouctou, dans le comté de Kent et la province du Nouveau-Brunswick, une circonscription de pilotage dont les limites s'étendront de la Pointe Escuminac, au nord, au Cap Cassey, au sud, et jusqu'à la Pointe Nord, Ile du Prince-Edouard, à l'est.

Le et après le 1^{er} mai prochain, les éditeurs de revues et journaux, en Canada en produisant aux maîtres de poste où ces journaux sont déposés pour affranchissement, un permis du maître-général des postes à cet effet, pourront payer l'affranchissement sur les revues et journaux adressés comme il est dit dans le titre ci-dessus, à raison d'un centime de piastre pour chaque livre ou fraction de livre pesant.

2 Ces revues et journaux devront porter sur l'adresse, comme preuve de l'affranchissement, les mots "*Affranchis par l'éditeur*," afin de les distinguer de ceux dont l'affranchissement est soumis aux règlements ordinaires.

3. Les revues et journaux ainsi affranchis seront remis aux personnes auxquelles ils sont adressés sans autres frais de poste pour le Canada.

4. Des instructions spéciales seront envoyées aux maîtres de poste des endroits du Canada où il se publie des revues et journaux, et aux bureaux desquels le port sus-mentionné devra, par conséquent, être perçu.

5. Le 1^{er} octobre prochain, l'affranchissement des journaux expédiés du bureau de publication, en Canada, sera obligatoire dans tous les cas, en vertu de la nouvelle loi qui sera mise en vigueur à cette date, mais jusqu'alors l'affranchissement par les éditeurs sera facultatif; et lorsque les journaux canadiens expédiés par le bureau de publication ne seront pas affranchis, le port ordinaire de 5 centimes de piastre par trimestre pour un journal hebdomadaire et le même montant, en proportion, pour un journal publié plus souvent, seront perçus comme à l'ordinaire, des abonnés à la livraison du journal, jusqu'au 1^{er} octobre, 1875.

Revue et journaux à destination des Etats-Unis.

Le et après le 1^{er} mai prochain, les frais de port, pour les revues et journaux imprimés et publiés en Canada, au moins une fois par mois à un bureau de publication ou une agence de publicité bien connu, et adressés de ce bureau ou de cette agence à des "Abonnés ou vendeurs de journaux aux Etats-Unis," sera d'un centime de piastre par livre ou fraction de livre pesant, et le port devra être payé en argent, au bureau où ces journaux ou revues seront mis à la poste.

Pour les revues et journaux occasionnels mis à la poste en Canada, et à destination des Etats-Unis, le tarif sera d'un centime de piastre par quatre onces ou fraction de quatre onces, et le port devra être payé à l'avance en timbres poste.

Les revues et journaux mis à la poste en Canada, à destination des Etats-Unis, et qui pèsent moins d'une once chacun, peuvent être envoyés séparément, moyennant un demi-centime de piastres chacun, et ce port devra être payé à l'avance en timbres poste.

REGULATIONS.

ARTICLE I.

The Wharfinger shall, according to his discretion, assign to each vessel, steamer or barge the berth it shall occupy, giving precedence when practicable to a vessel or barge with cargo, over a vessel or barge taking in cargo, and shall have power to change such berth from time to time as he may see fit ; and such assignment of a berth may be made by verbal notice to the Master or person in charge of such vessel or barge, either on each trip or for the whole business season, and no vessel or barge shall take up or occupy any berth in the said Basin or the approaches, unless such berth shall have been assigned to her by the Wharfinger, provided always that the Wharfinger assigns a berth within twelve hours after her arrival ; but if the wharves are full, such vessel shall lie where indicated until a berth has been assigned by the Wharfinger.

ARTICLE II.

All vessels or barges in the said Canal Basin and its approaches shall be under the control of the Wharfinger, so far as regards their position, mooring, fastening, removal and extent of accommodation, the Masters or persons in charge thereof may require from each other, and no person on board or in charge of any vessel or barge in said Basins shall disregard or disobey the orders of the Wharfinger in such respect ; and in the event of such refusal or disregard of the orders of the Wharfinger, it shall be lawful for such Wharfinger to cast off or cut away the hawsers or other fastenings of such vessels or barges, or cut away any ring or post to which such hawsers or other fastenings may be attached ; and in such event, in addition to the penalty hereinafter provided for, the Master or person in charge of each vessel shall be bound to pay to the Department of Public Works of Canada the damage (if any) caused to the wharf by the cutting away of such ring or post ; and the Wharfinger shall have power to hold any vessel disobeying his orders and causing damage, until such damages be paid.

ARTICLE III.

In the event of the resistance of any person or persons on board of any vessel to the orders of the Wharfinger to remove the same under the powers

conferred upon him by the last preceding Section, whether such resistance be active or passive, it shall be lawful for the Wharfinger to take possession of such vessel or barge, and to remove the same, and he shall have the power of employing a sufficient number of men for that purpose, at the expense of the Master, owner or person in charge of such vessel, to aid him in forcing such removal, and have the right to move anchor, or make fast such vessel at such place as he shall see fit.

HOTEL DU GOUVERNEMENT, OTTAWA,

Ottawa, le 14^e jour de mai, 1875.

PRÉSENT.

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL
EN CONSEIL.

Sur la recommandation de l'Honorable Ministre des Travaux Publics, et en vertu des 65^{ème} et 66^{ème} sections de l'Acte passé en la session du parlement du Canada tenue en la 31^{ème} année du règne de Sa Majesté et intitulé: "Acte concernant les travaux publics du Canada," Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, a bien voulu ordonner et il est, par le présent ordonné que, pour le bon usage, l'entretien convenable et la protection des quais qui entourent le bassin du canal Rideau et de leurs abords, dans la cité d'Ottawa, les règlements qui suivent soient adoptés et établis et que ces règlements s'appliquent à cette partie du canal située entre et comprenant la première écluse et le pont connu sous le nom de "Pont de la rue Main"

RÈGLEMENTS.

ARTICLE I.

Le maître de quai devra, à sa discrétion, assigner à chaque navire, vapeur ou barge, le mouillage qu'il devra occuper, en donnant la préférence, lorsque la chose sera possible, au navire ou à la barge portant cargaison, sur le navire ou la barge en chargement, et il pourra changer ce mouillage de temps à autre, selon qu'il le jugera convenable; et la désignation d'un mouillage pourra être faite verbalement au patron ou à la personne ayant charge du navire ou de la barge, soit à chaque voyage, soit pour toute la saison des affaires, et aucun navire ou barge ne devra prendre ou occuper un mouillage dans le dit bassin ou ses abords, à moins que le mouillage ne lui ait été assigné par le maître du quai, pourvu toujours que le maître de quai lui assigne un mouillage dans l'espace de douze heures après son arrivée; mais si les quais sont encombrés, ce navire devra rester là où le maître de quai l'indiquera en attendant qu'il trouve un mouillage.

ARTICLE II.

Tous les navires ou barges, dans le dit bassin du canal et ses abords, seront sous le contrôle du maître de quai en ce qui regarde leur position, l'amarrage, leurs mouvements et l'espace que les patrons ou personnes en charge pourront requérir les uns des autres, et aucune personne à bord ou en charge du dit navire, ne devra refuser ou négliger d'obéir aux ordres du maître de quai à cet égard; et dans le cas de refus ou de négligence d'obéir à ses ordres, il sera loisible au maître de quai de couper les aussières ou autres amarres de ces navires ou barges, ou de couper tout anneau ou poteau auquel les aussières ou autres amarres pourraient être attachées, et en pareil cas, outre l'amende ci-après imposée, le patron ou la personne en charge de ce navire devra payer au département des travaux publics du Canada les dégâts. (s'il y en a) causés au quai par le fait qu'il a fallu couper le dit anneau ou poteau; et le maître de quai aura pouvoir de retenir le navire objet de la désobéissance à ses ordres ou cause des dégâts, jusqu'à ce que les dommages aient été payés.

ARTICLE III.

Dans le cas de résistance d'une personne ou de personnes, se trouvant à bord d'un navire, aux ordres du maître de quai de déplacer le dit navire en vertu des pouvoirs à lui conférés par la section immédiatement précédente, que cette résistance soit active ou passive, il sera loisible au maître de quai de prendre possession de ce navire, ou barge, et de le ou la déplacer, et d'employer un nombre suffisant d'hommes, aux frais du patron, propriétaire ou personne en charge du dit navire, pour l'aider à opérer ce déplacement, et il aura le droit de lever l'ancre, ou d'amarrer le dit navire à tel endroit qu'il jugera convenable.

ARTICLE IV.

Aucun radeau, cage, flotte ou bois flotté, ne devra rester amarré ou assujéti à aucun quai, dans le dit bassin ou ses abords, sans la permission expresse du maître de quai, et à part l'amende ci-après indiquée, le maître de quai aura pouvoir de détacher et envoyer à la dérive tout radeau, cage, flotte ou bois flotté, ou de louer des remorqueurs pour les enlever, ou il pourra les faire enlever autrement quand ils seront ainsi amarrés ou assujétis sans sa permission; et ce radeau, cage, bois flotté, ainsi envoyé à la dérive ou déplacé par un remorqueur demeureront aux risques de leurs propriétaires respectifs, et chaque propriétaire sera responsable des frais de remorquage et de déplacement, en aucune autre manière, de ce radeau, cage, ou bois flotté; et aucun radeau ne devra entrer dans la Tranchée Profonde (Deep

Out) sans la permission préalable du maître de quai ; aucun navire ou barge ne devra mouiller dans les limites du dit bassin ou de ses abords, dans un endroit ou une position propre à entraver l'accès libre de tous autres navires ou barges qui se trouvent dans le dit bassin à l'un quelconque des quais du dit bassin.

ARTICLE V.

Les propriétaires de lots faisant face au dit bassin auront les premiers le privilège de charger ou décharger des navires ou barges vis-à-vis leurs lots respectifs, mais le maître de quai pourra, s'il le juge convenable, permettre à tout autre navire ou barge de décharger même sur des quais qui font face à des lots privés.

ARTICLE VI.

Les radeaux ou *cages*, flottes, barges ou navires chargés de bois de corde, planches, bois de construction, liens, briques, poteaux de cèdre, pierre ou autre fret, ne pourront rester aux mouillages qui leur seront assignés, à moins que le déchargement ne soit commencé immédiatement, avec diligence et continué d'une manière non interrompue, et lorsqu'il s'agira de décharger du bois de corde le long du quai, on devra en décharger au moins vingt-cinq cordes par jour ; et tous bois de corde, de construction, liens, poteaux, briques, pierre ou autre fret devront être charroyés en dehors des terrains du canal à moins que le maître de quai n'ait donné permission spéciale de les décharger sur les terrains du canal.

ARTICLE VII.

Les navires ou barges arrivant dans le bassin du canal ou ses abords auront, pour décharger :—Deux jours ouvrables pour une cargaison de cinquante ou de moins de cinquante tonneaux ; un jour pour toute cargaison excédant cent tonneaux. Pour le bois de corde, on devra décharger au moins vingt-cinq cordes par jour.

POUR CHARGER :—Un jour ouvrable pour cinquante tonneaux ou moins et deux jours ouvrables pour cinquante tonneaux et moins de cent ; un jour ouvrable par cinquante tonneaux d'une cargaison excédant cent tonneaux ; pourvu toujours que les navires ou barges qui seront chargés ou déchargés dans un temps moindre, ou dont le chargement ou le déchargement auront été interrompus pour une cause quelconque, ne pourront retenir leur mouillage si le maître de quai juge convenable d'ordonner leur déplacement ; et pourvu aussique sur demande à cet effet, le maître de quai aura pouvoir, s'il le juge convenable, de prolonger ce temps. Et chaque jour ouvrable se composera de dix heures.

ARTICLE VIII.

Aucunes marchandises, charbon, bois de corde, ou autre fret quelconque, déchargés d'un navire, barge ou radeau et placés sur un quai ou sur des terrains du canal, ne devront y rester plus de vingt-quatre heures, les dimanches non-compris, avant que les propriétaires, patrons ou personnes en charge ne commencent à les enlever de ces quais et terrains aux termes de l'Article septième, et une amende égale à celle qui est indiquée plus loin sera encourue pour chaque durée de vingt-quatre heures de jour ouvrable durant lesquels ces marchandises seront laissées sur ces quais ou terrains du canal.

ARTICLE IX.

Aucunes marchandises déposées sur les quais ou les terrains du canal pour chargement sur un navire ou barge, ne devront demeurer sur ces quais ou terrains plus de vingt-quatre heures, sans une permission spéciale du maître de quai, et une amende

égale à celle ci-après indiquée sera encourue pour chaque durée de vingt-quatre heures de jour ouvrable pendant laquelle elles resteront sur ces quais ou terrains avant chargement.

ARTICLE X.

Aucunes marchandises ne seront placées sur les quais dans le dit bassin, ni sur les terrains du canal, de manière à obstruer le passage qui y conduit, à peine de l'amende établie pour l'infraction de tout règlement ; et dans le cas où elles y seraient placées, elles seront enlevées immédiatement par le propriétaire ou la personne qui en aura la garde, sur les ordres du maître de quai à cet égard, sujet à une autre amende semblable.

ARTICLE XI.

Dans le cas d'infraction commise à l'encontre de quelqu'un des trois derniers règlements ci-dessus, ou d'aucune disposition de ces règlements, il sera loisible au maître de quai d'enlever ou de faire enlever toutes marchandises, charbon, bois, et bois de service ou tout autre objet qui restera sur le quai ou les terrains du canal plus longtemps qu'il n'est permis en vertu des trois derniers règlements ou de quelqu'un de ces règlements, et tel enlèvement se fera aux frais et dépens du propriétaire ou consignataire de ces effets, ou du patron ou de la personne en charge du navire ou barque d'où ils sont débarqués ou déchargés, à la discrétion du Ministre des Travaux Publics, et ces frais et dépens et tous autres frais et dépens additionnels et raisonnables encourus à leur égard pour leur garde et protection, et toutes les pénalités encourues à leur égard donneront un droit de retention sur ces objets, qui ne seront remis ni livrés à qui que ce soit, à moins que tels frais, dépens et amendes ne soient payés ; et nonobstant tel enlèvement ces objets continueront à demeurer aux risques et périls de leurs propriétaires ; et si les frais et dépens encourus, ainsi que toutes les amendes dues à leur égard ne sont pas payés, et si ces objets sont enlevés par leurs propriétaires ou leurs représentants, dans les trente jours qui suivront tel enlèvement, ces objets pourront être vendus publiquement à l'encan au bénéfice de qui il appartiendra, et le Ministre des Travaux Publics ne sera pas responsable à l'égard de ces objets du montant net que telle vente aurait dû rapporter, déduction faite de tels frais, dépens et amendes.

ARTICLE XII.

Personne n'aura le droit de tailler ou couper aucun bois de construction ni de faire aucun ouvrage de réparation sur quelqu'un de ces quais ou terrains du canal à moins d'avoir obtenu au préalable la permission du maître de quai à cet égard, et de faire ces ouvrages aux endroits qu'il aura indiqués.

ARTICLE XIII.

Il ne sera pas permis de jeter d'aucun navire, barge, radeau, ni du haut des quais aucune espèce de décombres ni aucun autre objet quelconque dans les eaux du bassin du canal ; et personne ne devra placer, déposer ou charrier d'immondices, d'incombres, neige, glace ni aucune autre chose sur ces quais.

ARTICLE XIV.

Le maître de quai aura le pouvoir, avec l'ordre du contrôleur, d'accorder, louer ou donner à loyer tout endroit ou terrain vacant dans le voisinage du bassin du canal pour y empiler du bois de corde, bois de construction, etc., sujet au paiement de telle somme et pour telle période ou périodes de temps que le ministre des Travaux Publics pourra de temps à autre déterminer.

ARTICLE XIX.

Le propriétaire ou la personne en charge de marchandises, bois de construction ou autres effets déposés pour chargement sur des quais ou ailleurs sur le dit bassin, ou ses abords, au sujet desquelles marchandises, bois de construction ou effets il y aura eu violation, infraction ou mépris de l'un quelconque des règlements ci-dessus ou d'aucune partie de ces règlements seront sujets à une amende de cinq piastres.

HOTEL DU GOUVERNEMENT, OTTAWA.

Ottawa, Vendredi, le 7 mai 1875.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GENERAL
EN CONSEIL.

ATENDU qu'il est prescrit par la 58ième section de l'Acte 31 Victoria, chap. 6, intitulé : "Acte concernant les douanes" que "L'importateur de tout bétail ou de cochons pourra les abattre, préparer et emballer en entrepôt" en se conformant aux règles et restrictions que le gouverneur en conseil pourra faire de temps à autre à ce sujet.

Et attendu qu'il a été jugé à propos de mettre à effet la dite section 58 en ce qui concerne l'importation de porcs et de modifier les règlements à cet effet adoptés par ordre en conseil en date du 22 mai, 1868 :

Il a plu à Son Excellence ordonner, sur la recommandation de l'honorable ministre des Douanes, et en vertu des dispositions de l'acte cité, que le dit ordre en conseil du 22 mai, 1868, et les règlements qu'il établit soient et sont, par le présent révoqués et que les règlements suivants y soient substitués, savoir :—

1. En important des porcs pour les abattre, l'importateur devra faire, d'après les formes prescrites, une entrée en entrepôt indiquant le nombre et la valeur des animaux et aussi la quantité de lard, cotés de lard, (bacon), jambons et saindoux que le nombre indiqué d'animaux produira lorsque l'on aura fait l'abattage et la préparation, à raison de 113 lbs pesant pour chaque porc vivant ainsi importé, et le montant des droits auxquels ces produits sont ou pourront être sujets, en vertu du tarif alors en vigueur pour la viande de cette espèce. Le dit importateur devra alors souscrire une obligation à la Reine pour le double du mon-

tant de ces droits, la condition de cette obligation devant être que si dans la période d'une année, ces dits produits du porc ainsi converti en lard, cotés de lard, jambons et saindoux sont exportés, ou sur paiement des droits garantis par la dite obligation, alors la dite obligation deviendra nulle et non avenue, mais autrement demeurera en pleine vigueur.

2. A leur entrée dans l'entrepôt, les porcs seront regardés comme viande et il ne sera pas loisible d'en faire sortir aucun vivant de l'entrepôt; et aucune partie des produits de ces porcs ne pourra non plus être enlevée de l'entrepôt, pour aucune considération, sans un permis du percepteur, ou du préposé des douanes, comme dans le cas de toutes autres marchandises en entrepôt.

3. Les porcs importés en carcasses pour être préparés et emballés en entrepôt seront entrés en entrepôt en la manière ordinaire et déposés dans la partie de l'entrepôt spécialement destinée à la préparation et à l'emballage. Le poids de ces carcasses sera dûment constaté par le préposé des douanes, et l'importateur devra souscrire des obligations à la Reine pour le double du montant des droits exigibles sur ces produits en vertu du tarif alors en vigueur, étant maintenue la condition prescrite par le paragraphe précédent pour le cas où ces produits seraient exportés, ou les droits payés dans une période de deux ans après la date de l'entrée.

4. L'abattoir, le saloir et la chambre d'emballage et tout cellier, magasin, et autres appartements compris dans le dit entrepôt, devront être accessibles à toute heure entre le lever et le coucher du soleil au percepteur ou à l'inspecteur des douanes, ou à tout officier des douanes chargé par le percepteur ou l'inspecteur de faire l'inspection.

5. Les produits du porc importés vivants et mis à l'entrepôt pour être abattus, à raison, comme il est dit plus haut de 113 lbs. pour chaque animal, et la viande de porc importée en carcasse, au poids constaté lors de l'entrée seront sujets, tant qu'ils seront en entrepôt à tous les changements dans le tarif des droits, et lorsqu'ils ne seront pas importés en entrepôt, mais pour consommation locale, ils paieront le droit en vigueur à la date de l'entrée.

AVIS DU GOUVERNEMENT.

RÈGLES ET RÈGLEMENTS

Etablis par le bureau des inspecteurs de bateaux à vapeur pour la gouverne des mécaniciens de Vapeurs, en vertu des dispositions l'Acte 31 Vict., chap. 65, intitulé: "*Acte concernant l'inspection des bateaux à vapeur et la plus grande sécurité des passagers*," tel qu'amendé par la 1ère section de l'Acte 31 Vict., chap. 53, intitulé: "*Acte pour amender les actes concernant l'inspection des bateaux à vapeur*."

RÈGLE I.

Dans tous les cas, les mécaniciens, en arrêtant la machine, devront ouvrir la soupape de sûreté de façon à maintenir la vapeur dans la chaudière au-dessous de la limite fixée par le certificat de l'inspecteur, comme le prescrit la loi, ouvrir le fourneau et fermer les registres, et quand, à la suite d'un accident ou toute autre cause, l'eau de la chaudière est descendue au-dessous du point de sûreté, éteindre le feu immédiatement.

RÈGLE II.

Les mécaniciens devront entretenir en parfait état les pompes, les boyaux (*hose*) et leurs jonctions,

afin qu'ils soient toujours prêts en cas de besoin, et lorsque ces appareils ne pourront plus servir, par suite de leur long usage ou pour d'autre cause, les mécaniciens devront faire rapport de l'état dans lequel sont les dits appareils, à l'inspecteur qui a inspecté le vapeur en dernier lieu.

RÈGLE III.

Les mécaniciens, lorsqu'un vapeur est mené à ses quartiers d'hiver, ou quand ils le quittent finalement, devront faire rapport au propriétaire et à l'inspecteur de la division la plus voisine de tous défauts qui existent dans la chaudière ou la machine ou des dommages qu'elles ont subi, et qui pourraient compromettre la sûreté des passagers. Ils feront aussi rapport à l'inspecteur de la division dans laquelle le vapeur aborde de tout accident qui aura pu arriver à la chaudière ou à la machine, et dans le cas d'omission à faire ce rapport, la licence du mécanicien coupable de cette omission sera annulée.

RÈGLE IV.

Le mécanicien-en-chef d'un vapeur est tenue responsable par le bureau des inspecteurs du soin et du bon entretien des chaudières et machines dont il a charge. Dans aucun cas il ne devra donc s'absenter du vapeur quand il fait ses voyages réguliers à moins qu'il ne se fasse remplacer, durant son absence, par une personne compétente.

RÈGLE V.

Les mécaniciens, à leur entrée en charge sur un vapeur, et au moins une fois par année, dans la suite, devront s'assurer, par un examen minutieux, que les fiches, contrefiches et chevilles de la chaudière sont en bon état et à même de soutenir la tension à laquelle elles peuvent être exposées; ils devront aussi s'assurer que les soupapes de sûreté sont en bon état et peuvent suffire dans les cas mentionnés dans la Règle I.

RÈGLE VI.

Les mécaniciens porteurs de certificats temporaires nécessitant plus tard une licence devront se présenter devant le bureau aussitôt que possible après l'expiration de la période fixée par leur certificat temporaire, afin d'obtenir un certificat annuel, et un certificat temporaire ne se a pas renouvelé à moins que le candidat n'explique, par de bonnes raisons, pourquoi il ne se présente pas devant le bureau comme il en est requis.

RÈGLE VII.

Les mécaniciens afficheront leurs certificats dans la chambre des machines, ainsi qu'une copie de ces règles.

Les inspecteurs de vapeurs sont par le présent, requis de veiller à ce que les règles et règlements qui précèdent soient strictement observés.

SALLE DU CONSEIL PRIVÉ.

OTTAWA, le 14 mai 1875.

Je certifie, par les présentes, que les règles et règlements qui précèdent, établis par le bureau des inspecteurs de vapeurs, ont été soumis à Son Excellence le Gouverneur-Général en Conseil et approuvés à la date du 5 mai courant.

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL
EN CONSEIL.

SUR la recommandation de l'Honorable Ministre des Travaux Publics, et en vertu des 65ème et 66ème sections de l'Acte passé en la session du parlement du Canada tenue en la 31ème année du règne de Sa Majesté et intitulé : "Acte concernant les travaux publics du Canada," Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, a bien voulu ordonner et il est, par le présent ordonné que, pour le bon usage, l'entretien convenable et la protection des quais qui entourent le bassin du canal Rideau et de leurs abords, dans la cité d'Ottawa, les règlements qui suivent soient adoptés et établis et que ces règlements s'appliqueront à cette partie du canal située entre et comprenant la première écluse et le pont connu sous le nom de "Pont de la rue Maria"

RÈGLEMENTS.

ARTICLE I.

Le maître de quai devra, à sa discrétion, assigner à chaque navire, vapeur ou barge, le mouillage qu'il devra occuper, en donnant la préférence, lorsque la chose sera possible, au navire ou à la barge portant cargaison, sur le navire ou la barge en chargement, et il pourra changer ce mouillage de temps à autre, selon qu'il le jugera convenable; et la désignation d'un mouillage pourra être faite verbalement au patron ou à la personne ayant charge du navire ou de la barge, soit à chaque voyage, soit pour toute la saison des affaires, et aucun navire ou barge ne devra prendre ou occuper un mouillage dans le dit bassin ou ses abords, à moins que le mouillage ne lui ait été assigné par le maître du quai, pourvu toujours que le maître de quai lui assigne un mouillage dans l'espace de douze heures après son arrivée; mais si les quais sont encombrés, ce navire devra rester là où le maître de quai l'indiquera en attendant qu'il trouve un mouillage.

ARTICLE II.

Tous les navires ou barges, dans le dit bassin du canal et ses abords, seront sous le contrôle du maître de quai en ce qui regarde leur position, l'amarrage, leurs mouvements et l'espace que les patrons ou personnes en charge pourront requérir les uns des autres, et aucune personne à bord ou en charge du dit navire, ne devra refuser ou négliger d'obéir aux ordres du maître de quai à cet égard; et dans le cas de refus ou de négligence d'obéir à ses ordres, il sera loisible au maître de quai de couper les aussières ou autres amarres de ces navires ou barges, ou de couper tout anneau ou poteau auquel les aussières ou autres amarres pourraient

être attachées, et en pareil cas, outre l'amende ci-après imposée, le patron ou la personne en charge de ce navire devra payer au département des travaux publics du Canada les dégâts, (s'il y en a.) causés au quai par le fait qu'il a fallu couper le dit anneau ou poteau; et le maître de quai aura pouvoir de retenir le navire objet de la désobéissance à ses ordres ou cause des dégâts, jusqu'à ce que les dommages aient été payés.

ARTICLE III.

Dans le cas de résistance d'une personne ou de personnes, se trouvant à bord d'un navire, aux ordres du maître de quai de déplacer le dit navire en vertu des pouvoirs à lui conférés par la section immédiatement précédente, que cette résistance soit active ou passive, il sera loisible au maître de quai de prendre possession de ce navire, ou barge, et de le ou la déplacer, et d'employer un nombre suffisant d'hommes, aux frais du patron, propriétaire ou personne en charge du dit navire, pour l'aider à opérer ce déplacement, et il aura le droit de lever l'ancre, ou d'amarrer le dit navire à tel endroit qu'il jugera convenable.

ARTICLE IV.

Aucun radeau, *cage*, flotte ou bois flotté, ne devra rester amarré ou assujéti à aucun quai, dans le dit bassin ou ses abords, sans la permission expresse du maître de quai, et à part l'amende ci-après indiquée, le maître de quai aura pouvoir de détacher et envoyer à la dérive tout radeau, *cage*, flotte ou bois flotté, ou de louer des remorqueurs pour les enlever, ou il pourra les faire enlever autrement quand ils seront ainsi amarrés ou assujettis sans sa permission; et ce radeau, *cage*, bois flotté, ainsi envoyé à la dérive ou déplacé par un remorqueur demeureront aux risques de leurs propriétaires respectifs, et chaque propriétaire sera responsable des frais de remorquage et de déplacement, en aucune autre manière, de ce radeau, *cage*, ou bois flotté; et aucun radeau ne devra entrer dans la Tranchée Profonde (*Deep Cut*) sans la permission préalable du maître de quai; aucun navire ou barge ne devra mouiller dans les limites du dit bassin ou de ses abords, dans un endroit ou une position propre à entraver l'accès libre de tous autres navires ou barges qui se trouvent dans le dit bassin à l'un quelconque des quais du dit bassin.

ARTICLE V.

Les propriétaires de lots faisant face au dit bassin auront les premiers le privilège de charger ou décharger des navires ou barges vis-à-vis leurs lots respectifs, mais le maître de quai pourra, s'il le juge convenable, permettre à tout autre navire ou barge de décharger même sur des quais qui font face à des lots privés.

ARTICLE VI.

Les radeaux ou *cages*, flottes, barges ou navires chargés de bois de corde, planches, bois de construction, liens, briques, poteaux de cèdre, pierre ou autre fret, ne pourront rester aux mouillages qui leur seront assignés, à moins que le déchargement ne soit commencé immédiatement, avec diligence et continué d'une manière non interrompue, et lorsqu'il s'agira de décharger du bois de corde le long du quai, on devra en décharger au moins vingt-cinq cordes par jour; et tous bois de corde, de construction, liens, poteaux, briques, pierre ou autre fret devront être charroyés en dehors des terrains du canal à moins que le maître de quai n'ait donné permission spéciale de les décharger sur les terrains du canal.

ARTICLE VII.

Les navires ou barges arrivant dans le bassin du canal ou ses abords auront, pour décharger:—Deux

jours ouvrables pour une cargaison de cinquante ou de moins de cinquante tonneaux; un jour pour toute cargaison excédant cent tonneaux. Pour le bois de corde, on devra décharger au moins vingt cinq cordes par jour.

POUR CHARGER:—Un jour ouvrable pour cinquante tonneaux ou moins et deux jours ouvrables pour cinquante tonneaux et moins de cent; un jour ouvrable par cinquante tonneaux d'une cargaison excédant cent tonneaux; pourvu toujours que les navires ou barges qui seront chargés ou déchargés dans un temps moindre, ou dont le chargement ou le déchargement auront été interrompus pour une cause quelconque, ne pourront retenir leur mouillage si le maître de quai juge convenable d'en donner leur déplacement; et pourvu aussique sur demande à cet effet, le maître de quai aura pouvoir, s'il le juge convenable, de prolonger ce temps. Et chaque jour ouvrable se comptera de dix heures.

ARTICLE VIII.

Aucunes marchandises, charbon, bois de corde, ou autre fret quelconque, déchargés d'un navire, barge ou radeau et placés sur un quai ou sur des terrains du canal, ne devront y rester plus de vingt quatre heures, les dimanches non-compris, avant que les propriétaires, patrons ou personnes en charge ne commencent à les enlever de ces quais et terrains aux termes de l'Article septième, et une amende égale à celle qui est indiquée plus loin sera encourue pour chaque durée de vingt quatre heures de jour ouvrable durant lesquels ces marchandises seront laissées sur ces quais ou terrains du canal.

ARTICLE IX.

Aucunes marchandises déposées sur les quais ou les terrains du canal pour chargement sur un navire ou barge, ne devront demeurer sur ces quais ou terrains plus de vingt-quatre heures, sans une permission spéciale du maître de quai, et une amende égale à celle ci-après indiquée sera encourue pour chaque durée de vingt-quatre heures de jour ouvrable pendant laquelle elles restent sur ces quais ou terrains avant chargement.

ARTICLE X.

Aucunes marchandises ne seront placées sur les quais dans le dit bassin, ni sur les terrains du canal, de manière à obstruer le passage qui y conduit, à peine de l'amende établie pour l'infraction de tout règlement; et dans le cas où elles y seraient placées, elles seront enlevées immédiatement par le propriétaire ou la personne qui en aura la garde, sur les ordres du maître de quai à cet égard, sujet à une autre amende semblable.

ARTICLE XI.

Dans le cas d'infraction commise à l'encontre de quelqu'un des trois derniers règlements ci-dessus, ou d'aucune disposition de ces règlements, il sera loisible au maître de quai d'enlever ou de faire enlever toute marchandise, charbon, bois, et bois de service ou tout autre objet qui restera sur le quai ou les terrains du canal plus longtemps qu'il n'est permis en vertu des trois derniers règlements ou de quelqu'un de ces règlements, et tel enlèvement se fera aux frais et dépens du propriétaire ou consignataire de ces effets, ou du patron ou de la personne en charge du navire ou barque d'où ils sont débarqués ou déchargés, à la discrétion du Ministre des Travaux Publics, et ces frais et dépens et tous autres frais et dépens additionnels et raisonnables encourus à leur égard pour leur garde et protection, et toutes les pénalités encourues à leur égard donneront un droit de retention sur ces objets, qui ne seront remis ni livrés à qui que ce soit, à moins que tels frais, dépens et amendes ne soient payés; et nonobstant tel enlèvement ces objets continueront à demeurer

aux risques et périls de leurs propriétaires; et si les frais et dépens encourus, ainsi que toutes les amendes dues à leur égard ne sont pas payés, et si ces objets sont enlevés par leurs propriétaires ou leurs représentants, dans les trente jours qui suivront tel enlèvement, ces objets pourront être vendus publiquement à l'encan au bénéfice de qui il appartiendra, et le Ministre des Travaux Publics ne sera pas responsable à l'égard de ces objets du montant net que telle vente aurait dû rapporter, déduction faite de tels frais, dépens et amendes.

ARTICLE XII.

Personne n'aura le droit de tailler ou couper aucun bois de construction ni de faire aucun ouvrage de réparation sur quel qu'un de ces quais ou terrains du canal à moins d'avoir obtenu au préalable la permission du maître de quai à cet égard, et de faire ces ouvrages aux endroits qu'il aura indiqués.

ARTICLE XIII.

Il ne sera pas permis de jeter d'aucun navire, barge, radeau, ni du haut des quais aucune espèce de décombres ni aucun autre objet quelconque dans les eaux du bassin du canal; et personne ne devra placer, déposer ou charrier d'immondices, d'incombres, neige, glace ni aucune autre chose sur ces quais.

ARTICLE XIV.

Le maître de quai aura le pouvoir, avec l'ordre du contrôleur, d'accorder, louer ou donner à loyer tout endroit ou terrain vacant dans le voisinage du bassin du canal pour y empiler du bois de corde, bois de construction, etc., sujet au paiement de telle somme et pour telle période ou périodes de temps que le ministre des Travaux Publics pourra de temps à autre déterminer.

Amendes et Pénalités et leur recouvrement.

ARTICLE XIX.

Le propriétaire ou la personne en charge de marchandises, bois de construction ou autres effets déposés pour chargement sur des quais ou ailleurs sur le

HOTEL DU GOUVERNEMENT, OTTAWA.

Ottawa, Vendredi, le 7 mai 1875.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR-GENERAL
EN CONSEIL.

ATTENDU qu'il est prescrit par la 58ième section de l'Acte 31 Vict., chap. 6, intitulé: "Acte concernant les douanes" que "L'importateur de tout bétail ou de cochons pourra les abattre, préparer et emballer en entrepôt" en se conformant aux règles et restrictions que le gouverneur en conseil pourra faire de temps à autre à ce sujet.

Et attendu qu'il a été jugé à propos de mettre à effet la dite section 58 en ce qui concerne l'importation de porcs et de modifier les règlements à cet effet adoptés par ordre en conseil en date du 22 mai, 1868:

Il a plu à Son Excellence ordonner, sur la recommandation de l'honorable ministre des Douanes, et en vertu des dispositions de l'acte cité, que le dit ordre en conseil du 22 mai, 1868, et les règlements qu'il établit soient et sont, par le présent révoqués et que les règlements suivants y soient substitués, savoir:—

1. En important des porcs pour les abattre, l'importateur devra faire, d'après les formes prescrites, une entrée en entrepôt indiquant le nombre et la valeur des animaux et aussi la quantité de lard cotés de lard, (*bacon*), jambons et saindoux que le nombre indiqué d'animaux produira lorsque l'on aura fait l'abattage et la préparation, à raison de 113 lbs pesant pour chaque porc vivant ainsi importé, et le montant des droits auxquels ces produits sont ou pourront être sujets, en vertu du tarif alors en vigueur pour la viande de cette espèce. Le dit importateur devra alors souscrire une obligation à la Reine pour le double du montant de ces droits, la condition de cette obligation devant être que si dans la période d'une année, ces dits produits du porc ainsi converti en lard cotés de lard, jambons et saindoux sont exportés, ou sur paiement des droits garantis par la dite obligation, alors la dite obligation deviendra nulle et non avenue, mais autrement demeurera en pleine vigueur.

2. A leur entrée dans l'entrepôt, les porcs seront regardés comme viande et il ne sera pas loisible d'en faire sortir aucun vivant de l'entrepôt; et aucune partie des produits de ces porcs ne pourra non plus être enlevée de l'entrepôt, pour aucune considération, sans un permis du percepteur, ou du préposé des douanes, comme dans le cas de toutes autres marchandises en entrepôt.

3. Les porcs importés en carcasses pour être préparés et emballés en entrepôt seront entrés en entrepôt en la manière ordinaire et déposés dans la partie de l'entrepôt spécialement destinée à la préparation et à l'emballage. Le poids de ces carcasses sera dûment constaté par le préposé des douanes, et l'importateur devra souscrire des obligations à la Reine pour le double du montant des droits exigibles sur ces produits en vertu du tarif alors en vigueur, étant maintenue la condition prescrite par le paragraphe précédent pour le cas où ces produits seraient exportés, ou les droits payés dans une période de deux ans après la date de l'entrée.

4. L'abattoir, le saloir et la chambre d'emballage et tout cellier, magasin, et autres appartements compris dans le dit entrepôt, devront être accessibles à toute heure entre le lever et le coucher du soleil au percepteur ou à l'inspecteur des douanes, ou à tout officier des douanes chargé par le percepteur ou l'inspecteur de faire l'inspection.

5. Les produits du porc importés vivants et mis à l'entrepôt pour être abattus, à raison, comme il est dit plus haut de 113 lbs. pour chaque animal, et la viande de porc importée en carcasse, au poids constaté lors de l'entrée seront sujets; tant qu'ils seront en entrepôt à tous les changements dans le tarif des droits, et lorsqu'ils ne seront pas importés en entrepôt, mais pour consommation locale, ils paieront le droit en vigueur à la date de l'entrée.

Greffier du Conseil Privé.

AVIS DU GOUVERNEMENT.

RÈGLES ET RÈGLEMENTS

Etablis par le bureau des inspecteurs de bateaux à vapeur pour la gouverne des mécaniciens de Vapeurs, en vertu des dispositions l'Acte 31 Vict., chap. 65, intitulé: "Acte concernant l'inspection des bateaux à vapeur et la plus grande sécurité de passages," tel qu'amendé par la 1ère section de l'Acte 31 Vict., chap. 53, intitulé: "Acte pour amender les actes concernant l'inspection des bateaux à vapeur."

RÈGLE I.

Dans tous les cas, les mécaniciens, en arrêtant la machine, devront ouvrir la soupape de sûreté de façon à maintenir la vapeur dans la chaudière au-dessous de la limite fixée par le certificat de l'inspecteur, comme le prescrit la loi, ouvrir le fourneau et fermer les registres, et quand, à la suite d'un accident ou toute autre cause, l'eau de la chaudière est descendue au-dessous du point de sûreté, éteindre le feu immédiatement.

RÈGLE II.

Les mécaniciens devront entretenir en parfait état les pompes, les boyaux (*hose*) et leurs jonctions,

afin qu'ils soient toujours prêts en cas de besoin et que lors ces appareils ne pourront plus servir, par suite de leur long usage ou pour d'autre cause, les mécaniciens devront faire rapport de l'état dans lequel sont les dits appareils, à l'inspecteur qui a inspecté le vapeur en dernier lieu.

RÈGLE III.

Les mécaniciens, lorsqu'un vapeur est mené à ses quartiers d'hiver, ou quand ils le quittent finalement, devront faire rapport au propriétaire et à l'inspecteur de la division la plus voisine de tous défauts qui existent dans la chaudière ou la machine ou des dommages qu'elles ont subi, et qui pourraient compromettre la sûreté des passagers. Ils feront aussi rapport à l'inspecteur de la division dans laquelle le vapeur aborde de tout accident qui aura pu arriver à la chaudière ou à la machine, et dans le cas d'omission à faire ce rapport, la licence du mécanicien coupable de cette omission sera annulée.

RÈGLE IV.

Le mécanicien-en chef d'un vapeur est tenue responsable par le bureau des inspecteurs du soin et du bon entretien des chaudières et machines dont il a charge. Dans aucun cas il ne devra donc s'absenter du vapeur quand il fait ses voyages réguliers à moins qu'il ne se fasse remplacer, durant son absence, par une personne compétente.

RÈGLE V.

Les mécaniciens, à leur entrée en charge sur un vapeur, et au moins une fois par année, dans la suite, devront s'assurer, par un examen minutieux, que les fiches, contrefiches et chevilles de la chaudière sont en bon état et à même de soutenir la tension à laquelle elles peuvent être exposées; ils devront aussi s'assurer que les soupapes de sûreté sont en bon état et peuvent suffire dans les cas mentionnés dans la Règle I.

RÈGLE VI.

Les mécaniciens porteurs de certificats temporaires nécessitant plus tard une licence devront se présenter devant le bureau aussitôt que possible

après l'expiration de la période fixée par leur certificat temporaire, afin d'obtenir un certificat annuel, et un certificat temporaire ne sera pas renouvelé à moins que le candidat n'explique, par de bonnes raisons, pourquoi il ne se présente pas devant le bureau comme il en est requis.

REGLE VII.

Les mécaniciens afficheront leurs certificats dans la chambre des machines, ainsi qu'une copie de ces règles.

Les inspecteurs de vapeurs sont par le présent, requis de veiller à ce que les règles et règlements qui précèdent soient strictement observés.

SALLE DU CONSEIL PRIVÉ.

OTTAWA, le 14 mai 1875.

Je certifie, par les présentes, que les règles et règlements qui précèdent, établis par le bureau des inspecteurs de vapeurs, ont été soumis à son Excellence le Gouverneur-Général en Conseil et approuvés à la date du 5 mai courant.

EDOUARD J. LANGEVIN,
Under-Secretary of State.

Department of the Secretary of State, }
Ottawa, May 28, 1875. }

(GENERAL NATURE—No. 40.)

An Act supplementary to the Acts in relation to immigration.

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That in determining whether the immigration of any subject of China, Japan, or any Oriental country, to the United States, is free and voluntary, as provided by section ten thousand one hundred and sixty-two of the Revised Code, title "Immigration," it shall be the duty of the Consul-General or Consul of the United States residing at the port from which it is proposed to convey such subjects, in any vessels enrolled or licensed in the United States, or any port within the same, before delivering to the masters of any such vessels the permit or certificate provided for in such section, to ascertain whether such immigrant has entered into a contract or agreement for a term of service within the United States, for lewd and immoral purposes; and if there be such contract or agreement, the said Consul-General or Consul shall not deliver the required permit or certificate.

Sec. 2.—That if any citizen of the United States or other person amenable to the laws of the United States, shall take or cause to be taken or transported to or from the United States any subject of China, Japan, or any Oriental country, without their free and voluntary consent, for the purpose of holding them to a term of service, such citizen or other person shall be liable to be indicted therefor and, on conviction of such offence, shall be punished by a fine not exceeding two thousand dollars and be imprisoned not exceeding one year; and all contracts and agreements for a term of service of such persons in the United States, whether made in advance or in pursuance of such illegal importation, and whether such importation shall have been in American or other vessels, are hereby declared void.

Sec. 3.—That the importation into the United States of women for the purposes of prostitution is hereby forbidden; and all contracts and agreements in relation thereto, made in advance or in pursuance of such illegal importation and purposes are hereby declared void; and whoever shall knowingly and wilfully import or cause any importation of women into the United States for the purposes of prostitution, or shall knowingly or wilfully hold or attempt to hold any woman to such purposes, in pursuance of such illegal importation and contract or agreement, shall be deemed guilty of a felony, and, on conviction thereof, shall be imprisoned not exceeding five years and pay a fine not exceeding five thousand dollars.

Sec. 4.—That if any person shall knowingly and wilfully contract or attempt to contract, in advance or in pursuance of such illegal importation, to supply to another the labour of any cooly or other person brought into the United States in violation of section two thousand one hundred and fifty-eight of the Revised Statutes, or of any other section of the laws prohibiting the cooly-trade or of this Act, such person shall be deemed guilty of a felony, and, upon conviction thereof in any United States court shall be fined in a sum not exceeding five hundred dollars and imprisoned for a term not exceeding one year.

Every vessel arriving in the United States may be inspected under the direction of the collector of the port at which it arrives, if he shall have reason to believe that any such obnoxious persons are on board; and the officer making such inspection shall certify the result thereof to the master or other person in charge of such vessel, designating in such certificate the person or persons, if any there be, ascertained by him to be of either of the classes whose importation is hereby forbidden. When such inspection is required by the collector as aforesaid, it shall be unlawful, without his permission, for any alien to leave any such vessel arriving in the United States from a foreign country until the inspection shall have been had and the result certified as herein provided; and at no time thereafter shall any alien certified to by the inspecting officer as being of either of the classes whose immigration is forbidden by this section, be allowed to land in the United States, except in obedience to a judicial process issued pursuant to law. If any person shall feel aggrieved by the certificate of such inspecting officer stating him or her to be within either of the classes whose immigration is forbidden by this section, and shall apply for release or other remedy to any proper court or judge, then it shall be the duty of the collector at said port of entry to detain said vessel until a hearing and determination of the matter are had, to the end that if the said inspector shall be found to be in accordance with this section and sustained, the obnoxious person or persons shall be returned on board of said vessel, and shall not thereafter be permitted to land, unless the master, owner, or consignee of the vessel shall give bond and security, to be approved by the court or judge hearing the cause, in the sum of five hundred dollars for each such person permitted to land, conditioned for the return of such person, within six months from the date thereof, to the country whence his or her emigration shall have taken place, or unless the vessel bringing such obnoxious person or persons shall be forfeited, in which event the proceeds of such forfeiture shall be paid over to the collector of the port of arrival, and applied by him, as far as necessary, to the return of such person or persons to his or her own country within the said period of six months. And for all violations of this act, the vessel, by the acts, omissions, or connivance of the owners, master, or other custodian, or the consignees of which the same are committed, shall be liable to forfeiture, and may be proceeded against as in cases of frauds against the revenue laws, for which forfeiture is prescribed by existing law.

HOTEL DU GOUVERNEMENT, OTTAWA,

Ottawa, le 14ème jour de mai, 1875.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL
EN CONSEIL.

SUR la recommandation de l'Honorable Ministre des Travaux Publics, et en vertu des 65ème et 66ème sections de l'Acte passé en la session du parlement du Canada tenue en la 31ème année du règne de Sa Majesté et intitulé : "Acte concernant les travaux publics du Canada," Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, a bien voulu ordonner et il est, par le présent ordonné que, pour le bon usage, l'entretien convenable et la protection des quais qui entourent le bassin du canal Rideau et de leurs abords, dans la cité d'Ottawa, les règlements qui suivent soient adoptés et établis et que ces règlements s'appliqueront à cette partie du canal située entre et comprenant la première écluse et le pont connu sous le nom de "Pont de la rue Maria."

R È G L E M E N T S .

ARTICLE I.

Le maître de quai devra, à sa discrétion, assigner à chaque navire, vapeur ou barge, le mouillage qu'il devra occuper, en donnant la précedence, lorsque la chose sera possible, au navire ou à la barge portant cargaison, sur le navire ou la barge en chargement, et il pourra changer ce mouillage de temps à autre, selon qu'il le jugera convenable; et la désignation d'un mouillage pourra être faite verbalement au patron ou à la personne ayant charge du navire ou de la barge, soit à chaque voyage, soit pour toute la saison des affaires, et aucun navire ou barge ne devra prendre ou occuper un mouillage dans le dit bassin ou ses abords, à moins que le mouillage ne lui ait été assigné par le maître du quai, pourvu toujours que le maître de quai lui assigne un mouillage dans l'espace de douze heures après son arrivée; mais si les quais sont encombrés, ce navire devra rester là où le maître de quai l'indiquera en attendant qu'il trouve un mouillage.

ARTICLE II.

Tous les navires ou barges, dans le dit bassin du canal et ses abords, seront sous le contrôle du maître de quai en ce qui regarde leur position, l'amarrage, leurs mouvements et l'espace que les patrons ou personnes en charge pourront requérir les uns des autres, et aucune personne à bord ou en charge du dit navire, ne devra refuser ou négliger d'obéir aux ordres du maître de quai à cet égard; et dans le cas de refus ou de négligence d'obéir à ses ordres, il sera loisible au maître de quai de couper les aussières ou autres amarres de ces navires ou barges, ou de couper tout anneau ou poteau auquel les aussières ou autres amarres pourraient

être attachées, et en pareil cas, outre l'amende ci-après imposée, le patron ou la personne en charge de ce navire devra payer au département des travaux publics du Canada les dégâts, (s'il y en a,) causés au quai par le fait qu'il a fallu couper le dit anneau ou poteau; et le maître de quai aura pouvoir de retenir le navire objet de la désobéissance à ses ordres ou cause des dégâts, jusqu'à ce que les dommages aient été payés.

ARTICLE III.

Dans le cas de résistance d'une personne ou de personnes, se trouvant à bord d'un navire, aux ordres du maître de quai de déplacer le dit navire en vertu des pouvoirs à lui conférés par la section immédiatement précédente, que cette résistance soit active ou passive, il sera loisible au maître de quai de prendre possession de ce navire, ou barge, et de le ou la déplacer, et d'employer un nombre suffisant d'hommes, aux frais du patron, propriétaire ou personne en charge du dit navire, pour l'aider à opérer ce déplacement, et il aura le droit de lever l'ancre, ou d'amarrer le dit navire à tel endroit qu'il jugera convenable.

ARTICLE IV.

Aucun radeau, cage, flotte ou bois flotté, ne devra rester amarré ou assujéti à aucun quai, dans le dit bassin ou ses abords, sans la permission expresse du maître de quai, et à part l'amende ci-après indiquée, le maître de quai aura pouvoir de détacher et envoyer à la dérive tout radeau, cage, flotte ou bois flotté, ou de louer des remorqueurs pour les enlever, ou il pourra les faire enlever autrement quand ils seront ainsi amarrés ou assujettis sans sa permission; et ce radeau, cage, bois flotté, ainsi envoyé à la dérive ou déplacé par un remorqueur demeureront aux risques de leurs propriétaires respectifs, et chaque propriétaire sera responsable des frais de remorquage et de déplacement, en aucune autre manière, de ce radeau, cage, ou bois flotté; et aucun radeau ne devra entrer dans la Tranchée Profonde (*Deep Cut*) sans la permission préalable du maître de quai; aucun navire ou barge ne devra mouiller dans les limites du dit bassin ou de ses abords, dans un endroit ou une position propre à entraver l'accès libre de tous autres navires ou barges qui se trouvent dans le dit bassin à l'un quelconque des quais du dit bassin.

ARTICLE V.

Les propriétaires de lots faisant face au dit bassin auront les premiers le privilège de charger ou décharger des navires ou barges vis-à-vis leurs lots respectifs, mais le maître de quai pourra, s'il le juge convenable, permettre à tout autre navire ou barge de décharger même sur des quais qui font face à des lots privés.

ARTICLE VI.

Les radeaux ou cages, flottes, barges ou navires chargés de bois de corde, planches, bois de construction, liens, briques, poteaux de cèdre, pierre ou autre fret, ne pourront rester aux mouillages qui leur seront assignés, à moins que le déchargement ne soit commencé immédiatement, avec diligence et continué d'une manière non interrompue, et lorsqu'il s'agira de décharger du bois de corde le long du quai, on devra en décharger au moins vingt-cinq cordes par jour; et tous bois de corde, de construction, liens, briques, pierre ou autre fret devront être charroyés en dehors des terrains du canal à moins que le maître de quai n'ait donné permission spéciale de les décharger sur les terrains du canal.

ARTICLE VII.

Les navires ou barges arrivant dans le bassin du canal ou ses abords auront, pour décharger :—Deux

jours ouvrables pour une cargaison de cinquante ou de moins de cinquante tonneaux ; un jour pour toute cargaison excédant cent tonneaux. Pour le bois de corde, on devra décharger au moins vingt-cinq cordes par jour.

POUR CHARGER. — Un jour ouvrable pour cinquante tonneaux ou moins et deux jours ouvrables pour cinquante tonneaux et moins de cent ; un jour ouvrable par cinquante tonneaux d'une cargaison excédant cent tonneaux ; pourvu toujours que les navires ou barges qui seront chargés ou déchargés dans un temps moindre, ou dont le chargement ou le déchargement auront été interrompus pour une cause quelconque, ne pourront retenir leur mouillage, si le maître de quai juge convenable d'ordonner leur déplacement ; et pourvu aussique, sur demande à cet effet, le maître de quai aura pourvu, si le juge convenable, de prolonger ce temps. Et chaque jour ouvrable se comptera de dix heures.

ARTICLE VIII.

Aucunes marchandises, charbon, bois de corde ou autre flet quelconque, déchargés d'un navire, barge ou radeau et placés sur un quai ou sur des terrains du canal, ne devront y rester plus de vingt-quatre heures, les dimanches non compris, avant que les propriétaires, patrons ou personnes en charge ne commencent à les enlever de ces quais et terrains aux termes de l'Article septième, et une amende égale à celle qui est indiquée plus loin sera encourue pour chaque durée de vingt-quatre heures de jour ouvrable durant lesquelles ces marchandises seront laissées sur ces quais ou terrains du canal.

ARTICLE IX.

Aucunes marchandises déposées sur les quais ou les terrains du canal pour chargement sur un navire ou barge, ne devront demeurer sur ces quais ou terrains plus de vingt-quatre heures, sans une permission spéciale du maître de quai, et une amende

égale à celle ci-après indiquée sera encourue pour chaque durée de vingt-quatre heures de jour ouvrable pendant laquelle elles resteront sur ces quais ou terrains avant chargement.

ARTICLE X.

Aucunes marchandises ne seront placées sur les quais dans le dit bassin, ni sur les terrains du canal, de manière à obstruer le passage qui y conduit, à peine de l'amende établie pour l'infraction de tout règlement ; et dans le cas où elles y seraient placées, elles seront enlevées immédiatement par le propriétaire ou la personne qui en aura la garde, sur les ordres du maître de quai à cet égard, sujet à une autre amende semblable.

ARTICLE XI.

Dans le cas d'infraction commis à l'encontre de quelque un des trois premiers règlements ci-dessus, ou d'aucune disposition de ces règlements, il sera loisible au maître de quai d'enlever ou de faire enlever toute marchandises, charbon, bois, et bois de service ou tout autre objet qui restera sur le quai ou les terrains du canal plus longtemps qu'il n'est permis en vertu des trois premiers règlements ou de quelque un de ces règlements, et tel enlèvement se fera aux frais et dépens du propriétaire ou consignataire de ces effets, ou du patron ou de la personne en charge du navire ou barge d'où ils sont débarqués ou déchargés, à la discrétion du Ministre des Travaux Publics, et ces frais et dépens et tous autres frais et dépens raisonnables et nécessaires à leur égard pour leur garde et protection, et toutes les pénalités encourues à leur égard donneront un droit de rétention sur ces objets, qui ne seront remis ni livrés à qui que ce soit, à moins que les frais, dépens et amendes ne soient payés ; et nonobstant tel enlèvement ces objets continueront à demeurer

aux risques et périls de leurs propriétaires ; et si les frais et dépens encourus, ainsi que toutes les amendes dues à leur égard ne sont pas payés, et si ces objets sont enlevés par leurs propriétaires ou leurs représentants, dans les trente jours qui suivront tel enlèvement, ces objets pourront être vendus publiquement à l'encan au bénéfice de qui il appartiendra, et le Ministre des Travaux Publics ne sera pas responsable à l'égard de ces objets du montant net que telle vente aurait dû rapporter, déduction faite de tels frais, dépens et amendes.

ARTICLE XII.

Personne n'aura le droit de tailler ou couper aucun bois de construction ni de faire aucun ouvrage de réparation sur quelque un de ces quais ou terrains du canal à moins d'avoir obtenu au préalable la permission du maître de quai à cet égard, et de faire ces ouvrages aux endroits qu'il aura indiqués.

ARTICLE XIII.

Il ne sera pas permis de jeter d'aucun navire, barge, radeau, ni du haut des quais aucune espèce de décombres ni aucun autre objet quelconque dans les eaux du bassin du canal ; et personne ne devra planter, déposer ou charrier d'immondices, d'incombres, neige, glace ni aucune autre chose sur ces quais.

ARTICLE XIV.

Le maître de quai aura le pouvoir, avec l'ordre du contrôleur, d'accorder, louer ou donner à loyer tout endroit ou terrain vacant dans le voisinage du bassin du canal pour y empiler du bois de corde, bois de construction, etc., sujet au paiement de telle somme et pour telle période ou périodes de temps que le ministre des Travaux Publics pourra de temps à autre déterminer.

Amendes et Pénalités et leur recouvrement.

ARTICLE XV.

Toute personne, quel que soit son emploi, qui violera ou enfreindra aucun des règlements ci-dessus énumérés et passés ce jour, sera sujette à une amende de cinq piastres argent courant.

ARTICLE XVI.

Toute personne, quel que soit son emploi, qui manquera ou négligera d'obéir à l'un quelconque des règlements ci-dessus, sera sujette à une amende de cinq piastres argent courant.

ARTICLE XVII.

Le patron ou personne en charge d'un navire ou barge, qui violera ou enfreindra aucun des règlements ci-dessus, ou manquera ou négligera de s'y conformer en tout ou en partie, et le dit patron ou personne en charge d'un navire ou barge, sous la direction desquels l'un quelconque des susdits règlements aura été violé ou enfreint, seront sujets à une amende de cinq piastres argent courant.

ARTICLE XVIII.

Le propriétaire d'une cargaison de bois de construction, d'effets ou de toutes autres matières ou choses, d'aucunes d'une barge et au sujet desquelles il y aura eu violation, infraction ou mépris d'aucun des règlements ci-dessus, ou d'aucune partie de ces règlements, sera sujet à une amende de cinq piastres argent courant.

ARTICLE XIX.

Le propriétaire ou la personne en charge de marchandises, bois de construction ou autres effets déposés pour chargement sur des quais ou ailleurs sur le

dit bassin, ou ses abords, au sujet desquelles marchandises, bois de construction ou effets il y aura eu violation, infraction ou mépris de l'un quelconque des règlements ci-dessus ou d'aucune partie de ces règlements seront sujets à une amende de cinq piastres.

AVIS DU GOUVERNEMENT.

RÈGLES ET RÈGLEMENTS

Etablis par le bureau des inspecteurs de bateaux à vapeur pour la gouverne des mécaniciens de Vapeurs, en vertu des dispositions l'Acte 31 Vict., chap. 65, intitulé : "Acte concernant l'inspection des bateaux à vapeur et la plus grande sécurité de passages," tel qu'amendé par la 1ère section de l'Acte 31 Vict., chap. 53, intitulé : "Acte pour amender les actes concernant l'inspection des bateaux à vapeur."

RÈGLE I.

Dans tous les cas, les mécaniciens, en arrêtant la machine, devront ouvrir la soupape de sûreté de façon à maintenir la vapeur dans la chaudière au-dessous de la limite fixée par le certificat de l'inspecteur, comme le prescrit la loi, ouvrir le fourneau et fermer les registres, et quand, à la suite d'un accident ou toute autre cause, l'eau de la chaudière est descendue au-dessous du point de sûreté, éteindre le feu immédiatement.

RÈGLE II.

Les mécaniciens devront entretenir en parfaite état les pompes, les boyaux (hose) et leurs jonctions, afin qu'ils soient toujours prêts en cas de besoin et que lorsque ces appareils ne pourront plus servir, par suite de leur long usage ou pour d'autre cause, les mécaniciens devront faire rapport de l'état dans lequel sont les dits appareils, à l'inspecteur qui a inspecté le vapeur en dernier lieu.

RÈGLE III.

Les mécaniciens, lorsqu'un vapeur est mené à ses quartiers d'hiver, ou quand ils le quittent finalement, devront faire rapport au propriétaire et à l'inspecteur de la division la plus voisine de tous défauts qui existent dans la chaudière ou la machine ou des dommages qu'elles ont subi, et qui pourraient compromettre la sûreté des passagers. Ils feront aussi rapport à l'inspecteur de la division dans laquelle le vapeur aborde de tout accident qui aura pu arriver à la chaudière ou à la machine, et dans le cas d'omission à faire ce rapport, la licence du mécanicien coupable de cette omission sera annulée.

RÈGLE IV.

Le mécanicien-en chef d'un vapeur est tenu responsable par le bureau des inspecteurs du soin et du bon entretien des chaudières et machines dont il a charge. Dans aucun cas il ne devra donc s'absenter du vapeur quand il fait ses voyages réguliers à moins qu'il ne se fasse remplacer, durant son absence, par une personne compétente.

RÈGLE V.

Les mécaniciens, à leur entrée en charge sur un vapeur, et au moins une fois par année, dans la suite, devront s'assurer, par un examen minutieux, que les fiches, contrefiches et chevilles de la chaudière sont en bon état et à même de soutenir la tension à laquelle elles peuvent être exposées; ils devront aussi s'assurer que les soupapes de sûreté sont en bon état et peuvent suffire dans les cas mentionnés dans la Règle I.

RÈGLE VI.

Les mécaniciens porteurs de certificats temporaires nécessitant plus tard une licence devront se présenter devant le bureau aussitôt que possible

après l'expiration de la période fixée par leur certificat temporaire, afin d'obtenir un certificat annuel et un certificat temporaire ne se a pas renouvelé à moins que le candidat n'explique, par de bonnes raisons, pourquoi il ne se présente pas devant le bureau comme il en est requis.

REGLE VII.

Les mécaniciens afficheront leurs certificats dans la chambre des machines, ainsi qu'une copie de ces règles.

Les inspecteurs de vapeurs sont par le présent, requis de veiller à ce que les règles et règlements qu précèdent soient strictement observés.

SALLE DU CONSEIL PRIVÉ.

OTTAWA, le 14 mai 1875.

Je certifie, par les présentes, que les règles et règlements qui précèdent, établis par le bureau des inspecteurs de vapeurs, ont été soumis à Son Excellence le Gouverneur-Général en Conseil et approuvés à la date du 5 mai courant.

NOTICE.

The attention of Canadian Ship Owners is called to the following copy of an Act of Congress, prohibiting the importation of a certain class of immigrants into the United States.

EDOUARD J. LANGEVIN,
Under-Secretary of State.

Department of the Secretary of State, }
Ottawa, May 28, 1875. }

(GENERAL NATURE—No. 40.)

An Act supplementary to the Acts in relation to immigration.

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That in determining whether the immigration of any subject of China, Japan, or any Oriental country, to the United States, is free and voluntary, as provided by section ten thousand one hundred and sixty-two of the Revised Code, title "Immigration," it shall be the duty of the Consul-General or Consul of the United States residing at the port from which it is proposed to convey such subjects, in any vessels enrolled or licensed in the United States, or any port within the same, before delivering to the masters of any such vessels the permit or certificate provided for in such section, to ascertain whether such immigrant has entered into a contract or agreement for a term of service within the United States, for lewd and immoral purposes; and if there be such contract or agreement, the said Consul-General or Consul shall nor deliver the required permit or certificate.

Sec. 2.—That if any citizen of the United States or other person amenable to the laws of the United States, shall take or cause to be taken or transported to or from the United States any subject of China, Japan, or any Oriental country, without their free and voluntary consent, for the purpose of holding them to a term of service, such citizen or other person shall be liable to be indicted therefor and, on conviction of such offence, shall be punished by a fine not exceeding two thousand dollars and be imprisoned not exceeding one year; and all contracts and agreements for a term of service of such persons in the United States, whether made in advance or in pursuance of such illegal importation, and whether such importation shall have been in American or other vessels, are hereby declared void.

Sec. 3.—That the importation into the United States of women for the purposes of prostitution is hereby forbidden; and all contracts and agreements in relation thereto, made in advance or in pursuance of such illegal importation and purposes are hereby declared void; and whoever shall knowingly and wilfully import or cause any importation of women into the United States for the purposes of prostitution, or shall knowingly or wilfully hold or attempt to hold any woman to such purposes, in pursuance of such illegal importation and contract or agreement, shall be deemed guilty of a felony, and, on conviction thereof, shall be imprisoned not exceeding five years and pay a fine not exceeding five thousand dollars.

tion thereof, shall be imprisoned not exceeding five years and pay a fine not exceeding five thousand dollars.

Sec. 4.—That if any person shall knowingly and wilfully contract or attempt to contract, in advance or in pursuance of such illegal importation, to supply to another the labour of any cooly or other person brought into the United States in violation of section two thousand one hundred and fifty-eight of the Revised Statutes, or of any other section of the laws prohibiting the cooly-trade or of this Act, such person shall be deemed guilty of a felony, and, upon conviction thereof in any United States court shall be fined in a sum not exceeding five hundred dollars and imprisoned for a term not exceeding one year.

Section 5. That it shall be unlawful for aliens of the following classes to immigrate into the United States, namely, persons who are undergoing a sentence for conviction in their own country of felonious crimes other than political or growing out of or the result of such political offenses, or whose sentence has been remitted on condition of their emigration, and women "imported for the purposes of prostitution." Every vessel arriving in the United States may be inspected under the direction of the collector of the port at which it arrives, if he shall have reason to believe that any such obnoxious persons are on board; and the officer making such inspection shall certify the result thereof to the master or other person in charge of such vessel, designating in such certificate the person or persons, if any there be, ascertained by him to be of either of the classes whose importation is hereby forbidden. When such inspection is required by the collector as aforesaid, it shall be unlawful, without his permission, for any alien to leave any such vessel arriving in the United States from a foreign country until the inspection shall have been had and the result certified as herein provided; and at no time thereafter shall any alien certified to by the inspecting officer as being of either of the classes whose immigration is forbidden by this section, be allowed to land in the United States, except in obedience to a judicial process issued pursuant to law. If any person shall feel aggrieved by the certificate of such inspecting officer stating him or her to be within either of the classes whose immigration is forbidden by this section, and shall apply for release or other remedy to any proper court or judge, then it shall be the duty of the collector at said port of entry to detain said vessel until a hearing and determination of the matter are had, to the end that if the said inspector shall be found to be in accordance with this section and sustained, the obnoxious person or persons shall be returned on board of said vessel, and shall not thereafter be permitted to land, unless the master, owner, or consignee of the vessel shall give bond and security, to be approved by the court or judge hearing the cause, in the sum of five hundred dollars for each such person permitted to land, conditioned for the return of such person, within six months from the date thereof, to the country whence his or her emigration shall have taken place, or unless the vessel bringing such obnoxious person or persons shall be forfeited, in which event the proceeds of such forfeiture shall be paid over to the collector of the port of arrival, and applied by him, as far as necessary, to the return of such person or persons to his or her own country within the said period of six months. And for all violations of this act, the vessel, by the acts, omissions, or connivance of the owners, master, or other custodian, or the consignees of which the same are committed, shall be liable to forfeiture, and may be proceeded against as in cases of frauds against the revenue laws, for which forfeiture is prescribed by existing law.

AVIS DU GOUVERNEMENT.

AVIS.

L'attention des armateurs canadiens est, par le présent, appelée sur l'acte du Congrès, dont copie ci-jointe, par lequel l'importation de certaines catégories d'émigrants aux États-Unis est prohibée.

EDOUARD J. LANGEVIN,
Sous-Secrétaire d'Etat.

Bureau du Secrétaire d'Etat, }
Ottawa, le 28 mai, 1875. }

(ACTES GÉNÉRAUX—No. 40.)

Akte complétant les actes relatifs à l'immigration.

Qu'il soit décrété par le Sénat et la Chambre des représentants des États-Unis d'Amérique en Congrès assemblés, qu'avant de décider si l'immigration aux États-Unis d'un sujet de la Chine, du Japon ou de tout autre pays de l'Orient est libre et volontaire, comme le prescrit la section dix mille cent soixante-deux du code révisé, au titre "Immigration," le consul-général ou le consul des États-Unis résidant au port d'où l'on se propose d'emmener les dits sujets sur des navires inscrits et munis de licences aux États-Unis, ou à tout port de ce pays, avant de délivrer aux patrons de ces navires le permis ou certificat exigé par la dite section, devra s'assurer si le dit émigrant a passé contrat ou arrangement pour services, pendant un certain nombre d'années, dans des maisons de prostitution ou de débauche; et si pareil contrat ou arrangement existe, le consul-général ou le consul ne devra pas délivrer le permis ou certificat requis.

Sec. 2.—Si un citoyen des États-Unis ou toute autre personne soumise aux lois des États-Unis fait prendre ou transporter aux États-Unis ou des États-Unis un sujet de la Chine, du Japon ou de tout autre

pays de l'Orient, sans son consentement libre et volontaire, à l'effet de le retenir en service pendant un certain temps, ce citoyen ou cette autre personne sera punie d'une amende n'excédant pas deux mille piastres et d'un emprisonnement n'excédant pas une année; et tous contrats et arrangements, pour service de ces personnes aux Etats-Unis, passés soit avant soit après l'importation illégale de ces personnes aux Etats-Unis, que cette importation ait été faite dans des navires américains ou autres, sont, par le présent, déclarés nuls.

Sec. 3.—L'importation aux Etats-Unis de femmes pour des fins de prostitution est, par le présent, prohibée; et tous contrats et arrangements passés soit avant soit après cette importation illégale, sont, par le présent, déclarés nuls; et quiconque importera ou fera importer sciemment et volontairement aux Etats-Unis des femmes pour des fins de prostitution ou essaiera sciemment et volontairement de retenir ou essayer de retenir une femme, à la suite de cette importation illégale ou de pareil contrat ou arrangement, sera censé coupable de félonie, et, sur conviction, sera emprisonné pour cinq ans au plus et paiera une amende n'excédant pas cinq mille piastres.

Sec. 4.—Si une personne passe ou essaie de passer sciemment contrat, avant ou après pareille importation illégale, pour fournir à une autre personne le travail d'un coolie ou autre personne amenée aux Etats-Unis contrairement à la section deux mille cent cinquante-huit des statuts refondus, ou aucune autre section des lois prohibant la traite des coolies, ou toute section du présent acte, cette personne sera censée coupable de félonie et, sur conviction sera passible d'une amende n'excédant pas cinq cents piastres et emprisonnée pour une période n'excédant pas une année.

Sec. 5.—Il ne sera pas loisible aux aubains appartenant aux catégories suivantes d'émigrer aux Etats-Unis, savoir : Les personnes sous le coup d'une sentence, dans leur propre pays, pour crimes félonieux autres que crimes politiques ou leurs conséquences, ou dont la peine a été remise à condition qu'elles émigrent, et les "femmes importées pour des fins de prostitution. Tout navire, à son arrivée aux Etats-Unis, pourra être inspecté par l'ordre du percepteur du port auquel il arrive, si le percepteur a lieu de croire qu'il y a à bord des personnes des catégories sus-mentionnées, et l'officier faisant cette inspection devra donner avis du résultat à l'armateur ou autre personne ayant charge du dit navire et dans cet avis par écrit, il devra désigner la personne ou les personnes, s'il y en a, appartenant aux catégories de personnes dont l'importation est prohibée. Lorsque cette inspection sera exigée par le percepteur, comme il est dit plus haut, il ne sera pas loisible à un aubain, sans la permission du percepteur, de quitter un navire arrivant d'un pays étranger aux Etats-Unis, jusqu'à ce que l'inspection ait eu lieu et que le résultat ait été certifié comme il est dit plus haut; et du moment que l'officier inspecteur aura certifié qu'un aubain appartient à l'une des classes sus-mentionnées, cet aubain ne pourra jamais débarquer sur le territoire des Etats-Unis à moins que ce ne soit en vertu d'un mandat émis conformément à la loi. Si une personne se trouve lésée par le certificat d'un officier inspecteur attestant

qu'elle appartient à l'une des catégories de personnes dont l'importation est prohibée par la présente section, et s'adresse, pour obtenir justice, à une cour ou un juge ayant compétence, le percepteur du port d'entrée devra retenir le dit navire jusqu'à ce que la cause ait été entendue et décidée, afin que s'il est constaté que si le dit inspecteur s'est conformé à la présente section, la personne ou les personnes de mauvaise moralité soient renvoyées à bord du dit navire et elle ne pourra ultérieurement débarquer, à moins que le patron, l'armateur ou le consignataire du navire donne une caution ou garantie approuvée par la cour ou le juge par lesquels la cause aura été entendue, au montant de cinq cents piastres pour chaque personne qui aura l'autorisation de débarquer, à la condition que, dans la période de six mois, cette personne retournera au pays d'où elle vient, sans quoi le vaisseau qui a apporté cette personne sera confisqué et le produit de cette confiscation sera soumis au percepteur qui l'emploiera, autant que nécessaire à renvoyer cette personne ou ces personnes dans le pays d'où elles viennent dans la dite période de six mois. Et pour toutes violations du présent acte qui seront commises par des actes, des omissions ou par connivence des armateurs, du patron, du gardien ou des consignataires du navire, le dit navire sera sujet à confiscation et l'on pourra procéder à cet égard comme dans les cas de fraude contraire aux lois du revenu et pour lesquels la confiscation est prescrite par les lois existantes.

(GENERAL NATURE—No. 40.)

An Act supplementary to the Acts in relation to immigration.

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That in determining whether the immigration of any subject of China, Japan, or any Oriental country, to the United States, is free and voluntary, as provided by section ten thousand one hundred and sixty-two of the Revised Code, title "Immigration," it shall be the duty of the Consul-General or Consul of the United States residing at the port from which it is proposed to convey such subjects, in any vessels enrolled or licensed in the United States, or any port within the same, before delivering to the masters of any such vessels the permit or certificate provided for in such section, to ascertain whether such immigrant has entered into a contract or agreement for a term of service within the United States, for lewd and immoral purposes; and if there be such contract or agreement, the said Consul-General or Consul shall nor deliver the required permit or certificate.

Sec. 2.—That if any citizen of the United States or other person amenable to the laws of the United States, shall take or cause to be taken or transported to or from the United States any subject of China, Japan, or any Oriental country, without their free and voluntary consent, for the purpose of holding them to a term of service, such citizen or other person shall be liable to be indicted therefor and, on conviction of such offence, shall be punished by a fine not exceeding two thousand dollars and be imprisoned not exceeding one year; and all contracts and agreements for a term of service of such persons in the United States, whether made in advance or in pursuance of such illegal importation, and whether such importation shall have been in American or other vessels, are hereby declared void.

EDOUARD J. LANGEVIN,
Sous-Secrétaire d'Etat.

Bureau du Secrétaire d'Etat, }
Ottawa, le 28 mai, 1875. }

(ACTES GÉNÉRAUX—No. 40.)

Acte complétant les actes relatifs à l'immigration.

Qu'il soit décrété par le Sénat et la Chambre des représentants des États-Unis d'Amérique en Congrès assemblés, qu'avant de décider si l'immigration aux États-Unis d'un sujet de la Chine, du Japon ou de tout autre pays de l'Orient est libre et volontaire, comme le prescrit la section dix mille cent soixante-deux du code révisé, au titre "Immigration," le consul-général ou le consul des États-Unis résidant au port d'où l'on se propose d'emmener les dits sujets sur des navires inscrits et munis de licences aux États-Unis, ou à tout port de ce pays, avant de délivrer aux patrons de ces navires le permis ou certificat exigé par la dite section, devra s'assurer si le dit émigrant a passé contrat ou arrangement pour services, pendant un certain nombre d'années, dans des maisons de prostitution ou de débauche; et si pareil contrat ou arrangement existe, le consul-général ou le consul ne devra pas délivrer le permis ou certificat requis.

Sec. 2.—Si un citoyen des États-Unis ou toute autre personne soumise aux lois des États-Unis fait prendre ou transporter aux États-Unis ou des États-Unis un sujet de la Chine, du Japon ou de tout autre

pays de l'Orient, sans son consentement libre et volontaire, à l'effet de le retenir en service pendant un certain temps, ce citoyen ou cette autre personne sera punie d'une amende n'excédant pas deux mille piastres et d'un emprisonnement n'excédant pas une année; et tous contrats et arrangements, pour service de ces personnes aux Etats-Unis, passés soit avant soit après l'importation illégale de ces personnes aux Etats-Unis, que cette importation ait été faite dans des navires américains ou autres, sont, par le présent, déclarés nuls.

Sec. 3.—L'importation aux Etats-Unis de femmes pour des fins de prostitution est, par le présent, prohibée; et tous contrats et arrangements passés soit avant soit après cette importation illégale, sont, par le présent, déclarés nuls; et quiconque importera ou fera importer sciemment et volontairement aux Etats-Unis des femmes pour des fins de prostitution ou essaiera sciemment et volontairement de retenir ou essayer de retenir une femme, à la suite de cette importation illégale ou de pareil contrat ou arrangement, sera censé coupable de félonie, et, sur conviction, sera emprisonné pour cinq ans au plus et paiera une amende n'excédant pas cinq mille piastres.

Sec. 4.—Si une personne passe ou essaie de passer sciemment contrat, avant ou après pareille importation illégale, pour fournir à une autre personne le travail d'un coolie ou autre personne amenée aux Etats-Unis contrairement à la section deux mille cent cinquante-huit des statuts refondus, ou aucune autre section des lois prohibant la traite des coolies, ou toute section du présent acte, cette personne sera censée coupable de félonie et, sur conviction, sera passible d'une amende n'excédant pas cinq cents piastres et emprisonnée pour une période n'excédant pas une année.

Sec. 5.—Il ne sera pas loisible aux aubains appartenant aux catégories suivantes d'émigrer aux Etats-Unis, savoir : Les personnes sous le coup d'une sentence, dans leur propre pays, pour crimes félonieux autres que crimes politiques ou leurs conséquences, ou dont la peine a été remise à condition qu'elles émigrent, et les "femmes importées pour des fins de prostitution. Tout navire, à son arrivée aux Etats-Unis, pourra être inspecté par l'ordre du percepteur du port auquel il arrive, si le percepteur a lieu de croire qu'il y a à bord des personnes des catégories sus-mentionnées, et l'officier faisant cette inspection devra donner avis du résultat à l'armateur ou autre personne ayant charge du dit navire et dans cet avis par écrit, il devra désigner la personne ou les personnes, s'il y en a, appartenant aux catégories de personnes dont l'importation est prohibée. Lorsque cette inspection sera exigée par le percepteur, comme il est dit plus haut, il ne sera pas loisible à un aubain, sans la permission du percepteur, de quitter un navire arrivant d'un pays étranger aux Etats-Unis, jusqu'à ce que l'inspection ait eu lieu et que le résultat ait été certifié comme il est dit plus haut; et du moment que l'officier inspecteur aura certifié qu'un aubain appartient à l'une des classes sus-mentionnées, cet aubain ne pourra jamais débarquer sur le territoire des Etats-Unis à moins que ce ne soit en vertu d'un mandat émis conformément à la loi. Si une personne se trouve lésée par le certificat d'un officier inspecteur attestant

qu'elle appartient à l'une des catégories de personnes dont l'importation est prohibée par la présente section, et s'adresse, pour obtenir justice, à une cour ou un juge ayant compétence, le percepteur du port d'entrée devra retenir le dit navire jusqu'à ce que la cause ait été entendue et décidée, afin que s'il est constaté que si le dit inspecteur s'est conformé à la présente section, la personne ou les personnes de mauvaise moralité soient renvoyées à bord du dit navire et elle ne pourra ultérieurement débarquer, à moins que le patron, l'armateur ou le consignataire du navire donne une caution ou garantie approuvée par la cour ou le juge par lesquels la cause aura été entendue, au montant de cinq cents piastres pour chaque personne qui aura l'autorisation de débarquer, à la condition que, dans la période de six mois, cette personne retournera au pays d'où elle vient, sans quoi le vaisseau qui a apporté cette personne sera confisqué et le produit de cette confiscation sera soumis au percepteur qui l'emploiera, autant que nécessaire à renvoyer cette personne ou ces personnes dans le pays d'où elles viennent dans la dite période de six mois. Et pour toutes violations du présent acte qui seront commises par des actes, des omissions ou par connivence des armateurs, du patron, du gardien ou des consignataires du navire, le dit navire sera sujet à confiscation et l'on pourra procéder à cet égard comme dans les cas de fraude contraire aux lois du revenu et pour lesquels la confiscation est prescrite par les lois existantes.

Approuvé le 3 mars, 1875.

ORDERS IN COUNCIL.

GOVERNMENT HOUSE, OTTAWA.

Monday, 14th day of June, 1875.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR IN
 COUNCIL.

ON the recommendation of the Honorable the Min-
 ister of Customs and under the provisions of the
 123rd section of the Act passed in the Session of the
 Parliament of Canada, held in the 31st year of Her
 Majesty's Reign, chaptered 6, and intituled: "An
 Act respecting the Customs," His Excellency, by
 and with the advice of the Queen's Privy Council for
 Canada, has been pleased to order, and it is hereby
 Ordered, that the following Regulations respecting
 the Bonding Warehouses in the Dominion be and
 the same are hereby adopted and established, that is
 to say:—

REGULATIONS.

ARTICLE I. Warehousing for the storage of imported goods shall be known and designated as follows:—

Class 1. Stores occupied by the Government of Canada.

Class 2. Warehouses occupied by Importers exclusively for the storage of goods imported by, or consigned to them, or purchased by them in bond.

Class 3. Warehouses occupied for the general storage of imported goods.

Class 4. Yards, sheds and other buildings used for the storing and slaughtering of animals in bond.

Class 5. Warehouses exclusively for the manufacture or refining of sugar.

Class 6. Sufferance Warehouses.

Applications for establishment of Bonded Warehouses.

ARTICLE II. For a Warehouse of the second or third class, the owner shall make application in writing to the Collector of the Port, describing the premises, the location and capacity of the same, and stating the purpose for which the building is to be used, whether for the storage of merchandise imported by, or consigned to himself exclusively or for the general storage of merchandise in bond.

The Collector will thereupon examine or direct the Surveyor or other proper officer of Customs, in whom he can repose confidence, to examine and inspect the premises and report to him in writing the particulars of the location, construction and dimensions of the building, its capabilities for the safe keeping of merchandise, and all other facts bearing upon the subject.

When the examination has been made, the Collector will transmit the report, together with the proprietor's application, with his own reports to the necessity of granting the application, to the Commissioner of Customs.

ARTICLE III. If on examination of the foregoing documents the Minister of Customs is satisfied that the public interest will be subserved thereby, the application will be granted, whereupon the owner or occupant will be notified by the Collector, and on fulfilment of the conditions hereinafter provided the Collector will assign a number for the Warehouse, and add the same to his register, placing a Warehouse Locker in charge thereof.

Uses of Class 1.

ARTICLE IV. At all ports where there are Government stores, they shall be used for the examination and appraisement of imported goods, and for the storage of unclaimed and seized goods, and where there are no such stores, the Collector may, under direction of the Minister of Customs, make temporary arrangements for suitable premises for those purposes, or may deposit such unclaimed or seized goods in any Warehouses of Class 3.

Warehouses of Class 2.

ARTICLE V. A Warehouse of Class 2 shall consist of an entire building, or not less than one whole floor of such building, and in the latter case must be so arranged as that the Customs locks will prevent all access to the floor set apart and established as a Bonded Warehouse, and no partition of flats shall in any case be allowed, but all divisions between the part of a building occupied as a Warehouse, whether door or partition shall be of the most solid and secure description possible in each case.

Warehouses of Class 3.

ARTICLE VI. A Warehouse of Class 3 shall in every case consist of an entire building and shall be used solely for the storage of bonded merchandise, or of unclaimed and seized goods ordered thereto by the Collector of Customs.

The rates of storage and compensation for labour in the handling of bonded goods in Warehouses of this class, shall be subject to agreement between the owner or importer of the goods, and the proprietor of the Warehouse who will collect all amounts due for storage and labor, the duty of Collector or proper officer of Customs being to look after the safe custody of the goods for the security of the revenue only.

Should the Collector of Customs require to deposit in any such Warehouse unclaimed and seized goods, the charges for storage and labour thereupon, shall not exceed the regular rates, and the proprietor shall be liable as in other cases for their safe keeping.

ARTICLE VII. All Warehouses of either Class 2 or Class 3 shall be secured by Customs locks, provided by the Department of Customs; but this will not prevent the proprietors or occupants of the building from having their own locks on the inside doors in addition thereto.

ARTICLE VIII. No free or duty paid goods shall be stored in any Bonded Warehouse; and all bonded goods, when entered for consumption, removal or exportation, shall immediately be removed therefrom, unless permission to the contrary be first obtained from the Collector upon an application made to him in writing, specifying the goods and the time for which it is desired they should remain, and in such case the goods shall be legibly and conspicuously marked and set apart from those remaining in bond; but no such privilege shall be granted in any case, except for good and urgent reasons.

Applications for Warehouses of Class 4.

ARTICLE IX. Application for the establishment of a Warehouse of this class shall be made in the same manner as for Classes 2 and 3, and shall be subject to the regulation adopted by Order in Council of 7th May 1875.

Class 5—Warehouses for refining Sugar in Bond.

ARTICLE X.—Applications for the establishment of Warehouses of Class 5, shall be made in accordance with the terms of the Order in Council, regulating the Refining of Sugar in bond dated 31st January 1855, except that the application and description shall be submitted for approval of the Minister of Customs, before acceptance, as in the case of Warehouses of classes 2 and 3.

Class 6.—Sufferance Warehouses.

ARTICLE XI.—Warehouses of this class for the accommodation of steamers and other vessels may be established in accordance with the Order in Council relating thereto of 23rd October 1868.

Sufferance warehouses at Railway Stations and Depots shall be established in accordance with Section I of Order in Council bearing date 4th December 1856, and shall be subject to all the rules for safe keeping of merchandise stored therein, provided in the case of warehouses of any other class.

ARTICLE XII.—The proprietor of every warehouse of Class 2 and Class 4 shall pay for the privileges granted him in the use of such warehouse, the sum of forty dollars per annum in half yearly payments in advance to the Collector of Customs.

The Proprietor of every Warehouse of Class 3 and Class 5 shall pay in like manner not less than forty dollars nor more than one hundred dollars per annum, according to the capacity of the building and the nature and amount of business.—The exact sum to be determined by the Minister of Customs at the time of accepting the proprietor's application.

All the foregoing payments shall in future date from the establishment of each Warehouse, and in the case of Warehouses already established in the ports named in the Order in Council of 25th June 1869, from the expiration of the time for which the

proprietors have already paid, and in all other ports, in the case of Warehouses already established but not heretofore subjected to any payment, from the first day of July 1875, and no Warehouse of either of the classes named in this Article shall be recognized by the Collector of Customs as an established Warehouse until or unless the said quarterly payments are made within not over ten days after the proper date.

General Provisions.

ARTICLE XIII. No alterations can be made in any Bonded Warehouse without permission of the Collector of Customs; and if any material change in the premises is contemplated it must be submitted for approval of the Minister of Customs.

The Collector of Customs shall advise the Commissioner of Customs of any changes in the surroundings of bonded premises likely to affect their general security, and if burned or plundered immediate notice must be given to the Commissioner with full particulars of all facts connected therewith.

Proprietors of Bonded Warehouses may relinquish the business at any time on giving timely notice to the owners of merchandise deposited therein, but no part of any quarterly payment made by them shall be refunded for any portion of a term unexpired.

The Minister of Customs may at any time for reasonable cause, order the discontinuance of the right to store bonded goods in any premises established as a Bonded Warehouse; and when thus discontinued such Warehouse can only be re-established after renewed application as at first.

All moneys received from proprietors of Warehouses as provided in Art. 12, shall be paid over by the Collector of Customs to the Receiver General and shall form part of the Consolidated Revenue of Canada.

ARTICLE XIV. The Collector of Customs will cause the proprietor or occupant to place over the gate or door leading into, or on some conspicuous place on every Customs Warehouse, a board or sign with the following printed thereon,

"V. R.

No. _____

Customs Warehouse."

ARTICLE XV. Sections 12, 13, 14, and 15 of Regulations dated 30th March 1850, and the Order in Council dated 25th June 1869, relating to payments for the privilege of using stores as Bonding Warehouses in certain ports, are hereby repealed.

COPY of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 26th March, 1874.

On a Memorandum dated 20th March, 1874, from the Surveyor General of Dominion Lands, referring to the letter of Mr. Codd, Acting Agent of Dominion Lands, dated the 7th March instant, requesting authority to deal with trespassers on the timber of the Dominion Lands, in addition to that given by the O. C. of the 13th January, 1873, establishing Timber Regulations in Manitoba, and the 60th section of the Dominion Lands Act:

The Surveyor General alludes to the case of firewood or timber seized because cut without authority and being in too small quantities to justify the expense of placing men in charge of the several seizures, and which would consequently as experience shews, be gradually carried away by the parties trespassing, before the expiration of the time fixed by the said section of the Act for the sale thereof for the benefit of the Crown; and with a view to shorten this time he recommends that under the provisions of the 105th section of the Dominion Lands Act, the Agent of the Dominion Lands in Manitoba be authorized to order the sale of the timber cut without authority on which the claimant refuses or neglects, within fifteen days from the date of seizure, to pay three times the amount of dues authorized under the regulations before mentioned to be collected.

On the recommendation of the Hon. the Minister of the Interior the Committee advise that the authority requested be granted.

Certified,

Clerk, Privy Council.

ORDERS EN CONSEIL.

HOTEL DU GOUVERNEMENT,

Ottawa, lundi, 14 juin 1875.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

SUR la recommandation de l'honorable ministre des Douanes et en vertu des dispositions de la 123ème section de l'Acte passé durant la session du Parlement du Canada tenue dans la 31ème année du règne de Sa Majesté, chapitre 6, et intitulé : "Acte concernant les douanes," Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, a bien voulu ordonner et il est par le présent ordonné, que les règlements suivants concernant les magasins en entrepôt soient et sont, par le présent établis, savoir :

REGLEMENT.

ARTICLE I. Les entrepôts de marchandises seront classés et désignés comme suit :

Classe 1. Magasins occupés par le gouvernement du Canada.

Classe 2. Entrepôts occupés par des importateurs exclusivement pour l'emmagasinage de marchandises par eux importées ou à eux consignées, ou par eux achetées en entrepôt.

Classe 3. Entrepôts occupés pour l'emmagasinage général de marchandises importées.

Classe 4. Cours et hangars ou autres bâtiments employés pour la garde et l'abattage d'animaux en entrepôt.

Classe 5. Entrepôts servant uniquement à la raffinerie du sucre.

Classe 6. Entrepôts pour marchandises en souffrance.

Demandes d'établissement de magasins en entrepôt.

ARTICLE II. Pour un entrepôt de la seconde ou de la troisième classe, le propriétaire devra faire une demande par écrit au percepteur du port, décrivant le local, son emplacement, sa capacité et indiquant à quel usage on le destine, si c'est à l'emmagasinage de marchandises par lui importées ou à lui consignées ou pour l'emmagasinage général de marchandises en entrepôt.

Le percepteur examinera lui-même ou fera examiner par l'inspecteur ou autre officier des douanes dans lequel il peut mettre confiance, le local en question et fera un rapport détaillé sur l'emplacement, la construction et les dimensions du bâtiment, comment il convient pour la garde de marchandises et tous autres faits se rattachant à la question.

Lorsque l'examen aura été fait, le percepteur transmettra au commissaire des douanes le rapport avec la demande du propriétaire à propos de laquelle il dira s'il est opportun qu'elle soit accordée.

ARTICLE III. Si, après avoir examiné les documents qui précèdent, le ministre des Douanes demeure convaincu qu'il est dans l'intérêt public d'accorder la demande, il l'accordera et le percepteur donnera avis de la chose au propriétaire, et quand les conditions ci-après indiquées auront été remplies le percepteur assignera un numéro à l'entrepôt, l'inscrira sur son registre et y placera un garde-chef.

ENTREPOTS DE LA CLASSE 1.

ARTICLE IV. A tous les ports où il y a des magasins du gouvernement on en fera usage pour l'examen et l'évaluation des marchandises importées et pour l'emmagasinage des marchandises non réclamées et saisies; et quand il n'y a pas de magasins de ce genre le percepteur pourra, d'après les instructions du ministre des Douanes, faire des arrangements temporaires, ou pourra déposer les marchandises non réclamées et saisies dans un entrepôt de la classe No. 1.

ENTREPOTS DE LA CLASSE 2.

ARTICLE V. Un entrepôt de la classe 2 comprendra un bâtiment complet ou au moins tout un étage de ce bâtiment, et dans ce dernier cas, sera disposé de telle sorte que les serrures de la douane empêcheront accès à l'étage réservé et établi magasin en entrepôt, et, dans aucun cas, il ne pourra y avoir de cloison de lattes, mais toutes cloisons et portes d'une partie d'un bâtiment employé comme entrepôt devront être de l'espèce la plus solide.

ENTREPOTS DE LA CLASSE 3.

ARTICLE VI. Un entrepôt de la classe 3 devra, dans tous les cas, être un bâtiment entier, et ne sera employé que pour l'emmagasinage de marchandises en entrepôt ou de marchandises non réclamées et saisies qui auront été déposées là par ordre du percepteur des douanes.

Les frais d'emmagasinage et de main-d'œuvre seront réglés par une entente entre le propriétaire ou l'importateur des marchandises et le propriétaire de l'entrepôt qui percevra tous les montants dus pour emmagasinage et main-d'œuvre, et le percepteur, ou autre officier des douanes, devra veiller à la bonne garde des marchandises en vue uniquement de sauvegarder le revenu.

Si le percepteur des douanes a besoin de déposer dans un de ces entrepôts quelques marchandises non réclamées et saisies, les frais d'emmagasinage et de main-d'œuvre ne devront pas excéder les taux réguliers, et le propriétaire sera responsable, comme dans les autres cas, de la bonne garde des marchandises.

ARTICLE VII. Tous les entrepôts de chacune des classes 2 ou 3, seront fermés au moyen de serrures de la douane, fournies par le Département des Douanes; mais cela n'empêchera pas les propriétaires ou occupants du bâtiment d'avoir aussi leurs propres serrures aux mêmes portes, en sus d'icelles.

ARTICLE VIII. Aucune marchandise admise en franchise ou qui aura payé les droits ne sera emmagasinée dans un entrepôt et toutes les marchandises en entrepôt, lorsqu'elles sont entrées pour consommation ou exportation, seront immédiatement enlevées de l'entrepôt, à moins que permission au contraire n'ait été au préalable obtenue du percepteur sur une demande à lui faite par écrit, spécifiant quelles sont les marchandises et combien de temps l'on désire qu'elles restent en entrepôt, et en pareil cas les marchandises seront lisiblement étiquetées et séparées de celles qui doivent rester en entrepôt; mais ce privilège ne sera accordé que pour de bonnes et urgentes raisons.

DEMANDES D'ENTREPOT DE LA CLASSE 4.

ARTICLE IX. La demande d'établissement d'un entrepôt de cette classe sera faite de la même manière que pour les classes 2 et 4 et sera sujette aux règlements adoptés par l'ordre en conseil du 7 mai 1875.

CLASSE 5.—ENTREPOT POUR LA RAFFINERIE DU SUCRE EN ENTREPOT.

ARTICLE X. Les demandes d'établissement d'entrepôts de la classe 5 seront faites conformément aux termes de l'ordre en conseil du 31 janvier 1855, réglant la raffinerie du sucre en entrepôt, si ce n'est que la demande et la description du local seront soumises à l'approbation du ministre des Douanes, avant d'être acceptées, comme dans le cas des entrepôts des classes 2 et 3.

CLASSE 6.—ENTREPOTS DE MARCHANDISES EN SOUFFRANCE.

ARTICLE XI. Les entrepôts de cette classe pour la commodité des vapeurs et autres navires pourront être établis conformément à l'ordre en conseil y relatif en date du 23 octobre 1868.

Des entrepôts de marchandises en souffrance aux gares de chemins de fer seront établis conformément à la section 1 de l'ordre en conseil portant la date du 4 novembre 1856, et seront sujets à toutes les règles qui s'appliquent à la bonne garde des marchandises dans les entrepôts d'autres classes.

ARTICLE XII. Le propriétaire d'un entrepôt de la classe 2 et de la classe 4 devra payer, pour les privilèges qui lui sont accordés dans l'usage de cet entrepôt, la somme de quarante dollars en deux paiements semestriels égaux faits à l'avance entre les mains du percepteur des douanes.

Le propriétaire d'un entrepôt de la classe 3 et de la classe 5 devra payer, de la même manière, pas moins de quarante et pas plus de cent piastres par année suivant la capacité de l'entrepôt et la nature de son commerce, la somme exacte devant être fixée par le ministre des Douanes à l'époque où il acceptera la demande du propriétaire.

Tous les paiements ci-dessus dateront à l'avenir de l'établissement de l'entrepôt, et dans le cas d'entrepôts déjà établis dans les ports mentionnés dans l'ordre en conseil du 25 juin 1869, ils dateront de l'expiration de la période pour laquelle les propriétaires ont déjà payé, et dans tous les autres ports, dans le cas d'entrepôts déjà établis mais non encore soumis à aucun paiement, du premier jour de juillet 1875, et aucun entrepôt de l'une des classes désignées dans le présent article ne sera reconnu par le percepteur des douanes comme entrepôt établi jusqu'à ce que et à moins que les dits paiements trimestriels n'aient été faits dans une période n'excédant pas dix jours après la date fixée.

DISPOSITIONS GENERALES.

ARTICLE XIII.—Aucuns changements ne pourront être faits dans un magasin en entrepôt sans la permission du percepteur des douanes, et si l'on se propose de faire des changements le projet devra être soumis à l'approbation du ministre des Douanes.

Le percepteur des douanes devra aviser le commissaires des douanes de tous changements dans les environs d'un entrepôt qui peuvent affecter la sûreté générale et s'il y a incendie ou vol, avis immédiat devra en être donné au commissaire avec tous les détails des faits.

Les propriétaires d'entrepôts pourront quitter leur commerce en tout temps, en donnant avis en temps opportun aux propriétaires des marchandises déposées, mais on ne leur remboursera rien sur les paiements trimestriels effectués pour le temps non écoulé.

Le ministre des Douanes pourra toujours, pour une cause raisonnable, mettre fin au droit d'emmagasiner des marchandises dans un local établi comme entrepôt, et lorsque ce droit aura été retiré il ne pourra être rétabli que sur nouvelle demande comme en premier lieu.

Tous les deniers reçus de propriétaires d'entrepôts, comme il est prescrit dans l'Article 13, seront remis par le percepteur au receveur-général et formeront partie du revenu consolidé du Canada.

ARTICLE XIV. Le percepteur des douanes obligera le propriétaire ou l'occupant d'un local à afficher sur la porte ou dans quelque endroit bien visible de son établissement, les mots suivants, en lettres d'imprimerie :

V R.

No. ————

Entrepôt de Douanes.

ARTICLE XV. Les sections 12, 13, 14 et 15, des règlements en date du 30 mars 1850, et l'ordre en date du 25 juin 1869, relatives aux paiements pour le privilège d'employer des magasins comme entrepôts dans certains ports, par le présent abrogées.

HOTEL DU GOUVERNEMENT, OTTAWA,

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN
CONSEIL.

SUR la recommandation de l'hon. ministre des Douanes et en vertu des dispositions des sections 8 et 54 de l'acte passé en la session du parlement du Canada tenue en la 31ème année du règne de Sa Majesté, chapitre 6, et intitulé : "Acte concernant les douanes," Son Excellence, par et de l'avis et du consentement du Conseil Privé de la Reine pour le Canada, a bien voulu ordonner et il est par le présent ordonné, que le port extérieur de St Hyacinthe, dans le comté de St. Hyacinthe, et dans la province de Québec, soit et est, par le présent, constitué port d'entrée et port d'entrepôt, et que le présent ordre prendra effet à partir du 1er juillet prochain.

W.A. HIMSWORTH,
Greffier du Conseil Privé.

AVIS DU GOUVERNEMENT.

AVIS.

Conformément aux dispositions de la 22ème section de l'Acte 35 Vic., chap. 128, permission a été accordée, par ordre de Son Excellence l'Administrateur du Gouvernement en conseil, à M. John Wilson, propriétaire de vapeur à Québec, de changer le nom du vapeur "E. P. Dorr," numéro d'enregistrement 46,177, en celui de "Rover."

WM. SMITH,

Député-Ministre de la Marine et des Pêcheries.
Ministère de la Marine et des Pêcheries.
Ottawa, le 22 juin 1875. 52-3

COPIE d'un rapport d'un comité de l'honorable Conseil Privé approuvé par Son Excellence le Gouverneur-Général en conseil, le 26 mars 1874.

Dans un mémoire en date du 20 mars 1874, l'arpenteur général des terres-fédérales, faisant allusion à une lettre de M. Codd, agent intérimaire des terres fédérales, en date du 7 mars courant, demandant l'autorisation d'agir avec les gens qui empiètent sur les limites de bois fédérales, en outre de l'autorisation donnée par l'ordre en conseil du 13 janvier 1873 établissant des règlements concernant le bois dans Manitoba, et en vertu de la 60e section de l'acte concernant les terres fédérales.

L'arpenteur général fait allusion au cas du bois de chauffage saisi, parce qu'il a été coupé sans autorisation et qui, étant en trop petite quantité pour justifier l'emploi de gardiens, sera emporté par les délinquants avant l'expiration de la période fixée pour la vente au profit de la Couronne.

En vue de raccourcir cette période, l'arpenteur-général recommande qu'aux termes de la 105e section de "l'acte des terres fédérales" l'agent des terres fédérales à Manitoba soit autorisé à ordonner la vente, dans un délai de quinze jours du bois coupé sans autorisation sur lequel le délinquant refuse de payer trois fois les droits sus-mentionnés.

Sur la recommandation de l'honorable ministre de l'Intérieur, le comité recommande que la dite autorisation soit accordée.

Certifié,

W. A. HIMSWORTH,
Greffier C. P.
